Women are Like Flowers. Healthy and strong they blossom and bloom. Sickly, they wither and die. Every woman ought to look well and feel well. It's her right and duty, but she might as well try to put out a fire with oil as to be healthy and attractive with disease corroding the organs that make her a woman. Upon their health depends her health. If there is inflammation or weakening drains or suffering at the monthly period, attend to it at once. Don't delay. You're one step nearer the grave every day you put it off. Women can stand a great deal, but they cannot live forever with disease dragging at the most delicate and vital organs in their body. You may have been deceived in so-called cures. We don't see how you could help it—there is so much worthless stuff on the market. But you won't be disappointed in Bradfield's Female Regulator. We believe it is the one medicine on earth for womanly ills. There is as much difference between it and other so-called remedies as there is between right and wrong. Bradfield's Female Regulator soothes the pain, stops the drains, promotes regularity, strengthens, purifies and cleanses. It does all this quickly and easily and naturally. It is for women alone to decide whether they will be healthy or sick. Bradfield's Regulator lies at hand. \$1 per bottle at drug store. Send for our free booklet. THE BRADFIELD REGULATOR CO., Atlanta, Ga.

Shudders at His Past "I recall now with horror," says Mail Carrier Burnett Mann, of Levana, O., "my three years of suffering from Kidney trouble. They're unrivaled to regulate Stomach, Liver, Kidneys and Bowels. Perfect satisfaction guaranteed by J. H. Hill & Son. Only 50 cents.

R. E. JONES BUGGY CO. THE GOLDSBORO N. C. Did it ever occur to you that a price in itself is absolutely meaningless, and very often deceptive? A price may seem to be very low and still be an outrageous overcharge if the expected quality is absent. It's the relation that price bears to Quality that determines whether the price is a high or low one. Price and quality go together produce VALUE. Shrewd buyers want GOOD VALUES not simply low prices. Long years of experience enable us to combine all the above features in the JONES BUGGY.
