GOLDSBORO N. C. SEPT. 1901

## THE SPIRIT OF TOLERATION

Senator Hoar, in his address at the Worcester memorial exercises, expressed this sentiment: "We shall, I hope, learn to moderate the bitterness of political strife and to avoid the savage attack on the motive and character of men who are charged by the people with public responsibilities. This fault, while I think it is already disappearing from ordinary political and sectional controversy, seems to linger still among our scholars and men of letters. The moral is not that we should abate our zeal for justice and righteousness or our condemnation of wrong, but only that we should abate the severity of our judgment of the motives of men from whom we differ."

This is well said. Senator Hoar himself, not many years back, was one of the bitterest and most intolerant partisans and rankest South haters in public life. His famous attack on Jefferson Davis in the Senate some twenty odd years ago was vindictive in the extreme, but the reply of Senator Lamar, of Mississippi, was most scathing. The great Mississippian reverted to Greek mythology and compared Senator Hoar to the vulture that plucked the vitals of Prometheus while the latter was chained to a rock. This incident became historical.

But of recent years Senator Hoar has abated his bitterness and sectionalism and like thousands of other thinking Americans from whose breast the fires of sectional strife and toleration of honest differences of opinion. This is a sentiment which is growing very rapidly. The tragic and pathetic death of President McKinley furnished occasion for a striking lesson in this regard and one whose beneficent influences will not soon disappear.

Office of D. H. Hardy, Sec. of State, Austin, Tex., Nov. 21, 1901

I have found Dr. Moffett's TERTHINA a splendid remedy and aid for my teething children. When my oldest boy was a teething child, every succeeding day warned us that we would inevitably lose him. I happened upon TERTHINA, and began at once administering it to him, and his improvement was marked in 24 hours, and from that day he prospered. I have constantly kept it and used it since with my children, and have taken the pleasure in sounding its praises to all mothers of young children. I found it invaluable even after the teething period was passed.

## Eruptions

Dry, moist, scaly tetter, all forms of eczema or salt rheum, pimples and other cutaneous eruptions proceed from humors, either inherited, or acquired through defective digestion and assimilation.

To treat these eruptions with drying medicines is dangerous.

The thing to do is to help the system discharge the humors, and to strengthen it against their return.

Hood's Sarsaparilla permanently cured J. G. Hines, Frank, Ill., of eczema, from which he had suffered for some time, and Miss Alvina Walter, Box 214, Algona, Wis., of pimples on her face and back and chafed skin on her body, by which she had been greatly troubled. There are more testimonials in favor of this great medicine than can be published.

### Hood's Sarsaparilla

Promises to cure and keeps the promise. No longer put off treatment. Buy a bottle of Hood's today.

### A Night of Terror.

"A awful anxiety was felt for the widow of the brave General Burnham of Machiav, Me., when the doctors said she would die from Pneumonia before morning," writes Mrs. S. H. Lincoln, who attended her that fearful night, "but she begged for Dr. King's New Discovery, which had more than once saved her life, and cured her of Consumption. After taking, she slept all night. Further use entirely cured her." This marvellous medicine is guaranteed to cure all Throat, Chest and Lung Diseases. Only 50c and \$1.00. Trial bottles free at J. H. Hill & Son's drug store.

The electric chair will close the dark tragedy of Buffalo.

### Stood Death Off.

E. B. Munday, a lawyer of Henrietta, Tex., once fooled a grave-digger. He says: "My brother was very low with malarial fever and jaundice. I persuaded him to try Electric Bitters, and he was soon much better, but continued their use until he was wholly cured. I am sure Electric Bitters saved his life." This remedy expels malarial, kills disease germs and purifies the blood, aids digestion, regulates liver, kidneys and bowels, cures constipation, dyspepsia, nervous diseases, kidney troubles, female complaints; gives perfect health. Only 50c at J. H. Hill & Son's drug store.

The right to criticize is not the right to vitally and inflame.

### A Shocking Calamity

"Lately befell a railroad laborer," writes Dr. A. Kellet, of Wilford, Ark. "His foot was badly crushed, but Bucklen's Arnica Salve quickly cured him. It's simply wonderful for Burns, Boils, Piles and all skin eruptions. It's the world's champion healer. Cure guaranteed. 25c. Sold by J. H. Hill & Son."

Delaware appears to have effectually turned off Gas Addicks.

R. W. Parcell, Kintonsville, Pa., says he suffered 25 years with piles and could obtain no relief until DeWitt's Witch Hazel Salve effected a permanent cure. Counterfeits are worthless.—J. H. Hill & Son.

The Boers do not seem to take their banishment in the way it was intended.

Many physicians are now prescribing Kodol Dyspepsia Cure regularly, having found that it is the best prescription they can write because it is the one preparation which contains the elements necessary to digest not only some kinds of food but all kinds and it therefore cures indigestion and dyspepsia no matter what its cause.—J. H. Hill & Son.

The man who wears his religion on his sleeves is generally out at the elbow.

Sid Darling, 1912 Howard St., Port Huron, Mich., writes: "I have tried many pills and laxatives, but DeWitt's Little Early Risers are far the best pills I have ever used." They never gripe.—J. H. Hill & Son.

Some of those naval witnesses appear to have quite convenient memories.

Geo. W. Lane, Powama, Mich. writes "Your Kodol Dyspepsia Cure is the best remedy for indigestion and stomach trouble that I ever used. For years I suffered from dyspepsia at times compelling me to stay in bed and causing me untold agony. I am completely cured by Kodol Dyspepsia Cure. In recommending it to friends who suffer from indigestion I always refer to pay for it if it fails. Thus far I have never paid."—J. H. Hill & Son.
