**ADJOURNMENT OF SCHLEY ENQUIRY.**  
 After taking 2,000 pages of evidence and hearing the arguments of the judge advocate and of Admiral Schley's lawyers, the court of inquiry stands adjourned until it is ready to decide each precept laid before it.

The grave charge of cowardice on the part of Rear Adm'l Schley has practically been abandoned. It was not proven in any manner, and even Judge Advocate Lemly bore witness in favor of his courage in and before the greatest naval battle in our history, but it is expected that the court will find that the applicant disobeyed orders, or sailed too slow, or refused to coal at sea, or did one thing or another named in some of the ten precepts. A divided opinion is therefore expected by the naval clique which is behind this trial. The navy department is really leagued with this clique.

If the decision be heavily adverse to Schley the matter will not be permitted to rest in the hands of the court of inquiry. Congress will soon be in session, and an unjust verdict in the court of inquiry will certainly be superseded by a Congressional investigation. Public sentiment will demand such an investigation, and Congress would not refuse to grant one.

After winning a great victory it would be monstrously unkind to permit a jealous clique to snatch away the rear admiral's laurels, and the people would rise up against it. The findings of the court cannot well be long delayed—certainly not beyond a long session of Congress, and if need be Congress could act, and perhaps should begin an investigation; before the decision of the court is brought in.

**Beware of Ointments for Catarrh that Contain Mercury.**  
 as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.  
 Sold by druggists, price 75c. per bottle.

## It Saved Her Life.

Gooch's Mexican Syrup has accomplished a cure in this neighborhood which has astonished the people. Miss Davis was given up to die by her attending physician. She had lung fever. The doctor said she would die before morning, and advised to discontinue his medicine, as it was doing her no good. Her parents had a bottle of Gooch's Mexican Syrup and Gooch's Quick Relief in the house. They at once began to give the Syrup in doses one hour apart, and frequently bathed her chest with the Quick Relief. Before morning she was better, and after using a few bottles of each, she is almost as well as ever. It was almost like raising the dead, and has established the reputation of Gooch's Mexican Syrup here as a cough remedy; we can sell nothing else. J. & N. SANDS, Trimble, Athens Co. O.
