New Orleans, July 23.—Uncle Hoke Collier, the colored bear hunter who became famous during President Roosevelt's Mississippi bear hunt last fall, has again distinguished himself by capturing the negro murderer, R. L. Smith, who killed his wife at Greenville, Miss. Uncle Hoke started in pursuit of the murderer and caught him in a very short time, declaring that men are much easier captured than bears.

Rome, July 23.—The municipality of Carpineto, Pope Leo's native town, has started a subscription for the erection of a column statue of the late pontiff. THE SECOND REGIMENT OF NORTH CAROLINA NOW IN CAMP.

The Dress Parade Draws Large Crowds. Governor Aycock Arrives. He Will Review the Regiment. The Boys Are Already Enjoying Themselves Immensely.

Atlantic Hotel, Morehead City, N. C., July 23.—The Second Regiment now in camp here numbers six hundred men. The camp is beautifully located two miles above Morehead City, and is pronounced the best arranged that the State Guard has ever had. A regular schedule of trains has been provided by the railroad, giving eight trains to and from the camp each day.

There was quite a crowd of visitors at the camp this afternoon to witness the dress parade. Governor Aycock came in to-day on a special train, arriving at 2 p. m. He will remain here during the encampment, and will review the regiment on Monday.

The weather is delightful and the boys are already enjoying themselves.

The Atlantic Hotel has a fine crowd, which has increased with every train. Fishing is good and the management is doing everything possible for the pleasure of the guests.

A grand military ball will be given at the Atlantic Hotel to-morrow night. The hotel orchestra is very fine and is pronounced the best the hotel has had in years.

MAN DRIVEN FROM TOWN.

C. P. Lockey Is Driven From the Town of Benson.

Dunn, N. C., July 23.—Yesterday afternoon a large body of the best citizens of Benson waited on C. P. Lockey, the lawyer who was persuaded to leave Wilmington in great haste in 1898, and gave him ten days in which to leave the town. This action on the part of the good citizens of the town was caused by repeated and habitual lewd exposures of his person.

This is the same Lockey who once had a barber shop in Wilmington. Now that he has been escorted out of Benson, what place will he next infest?

"DISCOURAGING."

"Worker" Has a Word to Say Regarding the Small Attendance at the Anti-Saloon Meeting Last Night.

DEAR ARGUS.—The apathy shown by the people of Goldsboro last night at the meeting of the Anti-Saloon League, was very discouraging. We had a harmonious and enthusiastic meeting so far as the SPIRIT was concerned, but the meeting fell far short in numbers. It is hard to understand how people can show such indifference. Even after they have expressed themselves as being in favor of prohibition and realizing the necessity of working for it, they fail to lend even their presence at the meeting. We were especially disappointed in not having the ladies with us, as we are depending largely upon their help and support. Surely they are the ones who will be most benefited and blessed if we can get the cursed evil from our midst.

To think of a band of music drawing a larger gathering of the good people of our town than a meeting of such importance as the one last night!

We feel that it is not on account of not having the good will of our people; but they are waiting for some one else to do the work. This must not be! Every man, woman and child must go to work in earnest.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs or the kidneys themselves break down and waste away call by call.

Bladder troubles most always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and sold by all druggists in fifty-cent and one-dollar sized bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
