CANADA AND THE SOUTH.

For the first time in the history of the country more Americans are seeking new homes in a given country than come from that country to America for a like purpose.

The case is that of Canada. Five years ago it looked as if Canada would lose a good share of its population, but the tide has turned, and more American farmers are settling in the wheat-growing territory west of Winnipeg than French Canadians are arriving in factory towns of this country.

The movement towards Canada is steadily increasing year by year, the number of emigrants from this country in the year ended June 30, having been 87,379. One year before it was 49,149, and two years before it stood at 23,895. The movement has been trebled in three years.

Just why the American farmer should turn from the cheap lands, open, pleasant climate and productive soil of the South to the inhospitable latitude of Winnipeg it is difficult to understand, but the chances are that the railroads leading to Winnipeg understand the immigration business better than Southern railroads do.

Railroads and steamships have long been the chief immigration agents, and those of Winnipeg seem to be very enterprising.

The emigration of American farmers to Canada may soon become a matter of national concern, for if it goes on unchecked the center of the wheat industry will lose its pre-eminence in one of the three great crops. We will continue to grow corn and cotton, while Canada will grow the world's bread to a considerable extent.

This could be prevented if all parts of the country would aid in filling up the vacant lands in the South, instead of preaching a kind of politics that operates to keep immigrants away.

Northern farmers who come in colonies can always make their own social conditions, and nature will supply the moisture and the sunshine and crops can be grown that would make northern crops seem puny so far as profits per acre are concerned.

Strawberries and early vegetables and Irish potatoes and hay and a host of other soil products can be grown to fine profits, and there is no reason why the South should not attract the men who are turning at present towards Winnipeg.

A dull man occasionally makes a cutting remark.

The Same Old Story.

J. A. Kelly relates an experience similar to that which has happened in almost every neighborhood in the United States and has been told and re-told by thousands of others.

He says: "Last summer I had an attack of dysentery and purchased a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which I used according to directions and with entirely satisfactory results.

The trouble was controlled much quicker than former attacks when I used other remedies." Mr. Kelly is a well known citizen of Henderson N. C. For sale at MacKay's Pharmacy.

Brutally Tortured.

A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobick of Colusa, Calif., writes:

"For 15 years I endured insufferable pain from Rheumatism and nothing relieved me, though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for Liver and Kidney troubles and general debility. Only 50c Satisfaction guaranteed by J. H. Hill & Son, druggists

In the race of life it doesn't take poverty long to overtake laziness.

Night Was Her Terror.

"I would cough nearly all night long," writes Mrs. Chas Applegate, of Alexandria, Ind., and could hardly get any sleep. I had consumption so bad that if I walked a block I would cough frightfully and spit blood, but when all other medicines failed, three \$1.00 bottles of Dr. King's New Discovery wholly cured me and I gained 68 pounds." It's absolutely guaranteed to cure Coughs, Cold's, LaGrippe, Bronchitis and all Throat and Lung Troubles. Price 50c. and \$1.00 at J. H. Hill & Son's drug store.

As a national institution the overcoat is now eclipsed by the shade tree.

No Pity Shown.

"For years fate was after me continuously" writes F. A. Gulegde, Verbena, Ala. "I had a terrible case of Piles causing 24 tumors. When all failed Bucklen's Arnica Salve cured me. Equally good for Burns and all sores and pains. Only 25c. at drug store.

The Mikado is hobnobbing it.

Working Night and Day.

The busiest and mightiest little thing that ever was made is Dr. King's New Life Pills. These pills change weakness into strength, listlessness into energy, brain fog into mental power. They're wonderful in building up the health. Only 25c. per box. Sold by J. H. Hill & Son

A Serious Mistake.

E. C. DeWitt & Co. is the name of the firm who make the genuine Witch Hazel Salve. DeWitt's is the Witch Hazel Salve that he's without leaving a scar. It is a serious mistake to use any other. DeWitt's Witch Hazel Salve cures blind, bleeding, itching and protruding piles, burns, bruises, eczema and all skin diseases.—Goldsboro Drug Co

Of what does a bad taste in your mouth remind you? It indicates that your stomach is in bad condition and will remind you that there is nothing so good for such a disorder as Chamberlain's Stomach & Liver Tablets after having once used them. They cleanse and invigorate the stomach and regulate the bowels. For sale at 25 cents per box at MacKay's Pharmacy.

The average man wants others to see him as he sees himself.

Ladies and Children Invited.

All ladies and children who cannot stand the shocking strain of laxative syrups, cathartics, etc. are invited to try the famous Little Early Risers. They are different from all other pills. They do not purge the system. Even a double dose will not gripe, weaken or sicken; many people call them the Easy Pill. W. H. Howell, Houston, Tex., says nothing better can be used for constipation, sick headache, etc. Bob Moore, Lafayette, Ind., says all others gripe and sicken, while DeWitt's Little Early Risers do their work well and easy. Sold by Goldsboro Drug Co.

Some men take a hint at least.

A Cure for Summer Complaint.

Summer complaint is unusually prevalent among children this season. A well developed case in the writer's family was cured last week by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy—one of the best patent medicines manufactured and which is always kept on hand at the home of every scribe. This is not intended as a free puff for the company, who do not advertise with us, but to benefit little sufferers who may be within easy access of a physician. No family should be without a bottle of this medicine in the house, especially in summer-time.—Lansing, Iowa, Journal. For sale at MacKay's Pharmacy.

Don't consider everything impossible that you are unable to perform.

The Best Liniment for Strains.

Mr. F. H. Wells, the merchant at Deer Park, Long Island, N. Y., says: "I always recommend Chamberlain's Pain Balm as the best liniment for strains. I used it last winter for a severe lameness in the side, resulting from a strain, and was greatly pleased with the quick relief and cure it effected." For sale at MacKay's Pharmacy.

"I am using a box of Chamberlain's Stomach and Liver Tablets and find them the best thing for my stomach I ever used," says T. W. Robinson, Justice of the Peace, Loomis, Mich. These Tablets not only correct disorders of the stomach but regulate the liver and bowels. They are easy to take and pleasant in effect. Price 25 cents per box. For sale by MacKay's Pharmacy.

Dewey boiled them cabbage down.

Out this out and 'ake it to MacKay's Pharmacy and get a box of Chamberlain's Stomach and Liver Tablets. The best physic. They also correct disorders of the stomach. Price 25 cents.
