VOI XXXVII

GOLDSBORO, N. C., THURSDAY EVENING, AUGUST 13, 1903.

NO. 107

TWENTY SHOTS STRUCK.

SHATTERED BY SHOT FROM CANADIAN CUTTER.

The Silver Spray, American Vessel, Chased Over the Line—Captain Chau Will Report the Affair to the State Department. He Declares he was Not Poaching on Canadian Waters.

Eric, Pa., August 12.—The Silver Spray, a fishing boat, owned here, came into port this afternoon in a badly shattered condition, due to an encounter in mid-lake about noon with the Canadian revenue cutter Petrel.

The Canadian authorities have had trouble with American fishermen for years, who were poaching on their side of the lake, and the Petrel kept constantly on the lookout for them.

About noon she came upon the Silver Spray on the Canadian side of the lake and at once ordered Captain Chris Chau to stop. Captain Chau started ahead at full speed. The captain of the Petrel when he saw that the Silver Spray was trying to get away, opened fire with all the guns he had on board, and before he ceased firing some twenty shots had struck her. One passed through the smokestack into the pilot house in which Chau stood at the wheel, and two more struck the pilot house, one of which came within a few inches of him, scattering a myriad of splinters around his head.

The chase was kept up for some time before Captain Chau got across the dividing line and the Petrel gave up the pursuit.

Captain Chau will report the affair to the State Department at Washington, as he says he was only looking for some of his nets which had drifted from this toward the Canadian shore.

REMEDY FOR HAY FEVER.

After Trying Other Treatments Hyomei Was Used With Perfect Success.

Prior to the discovery of Hyomei, the only advice a physician could give to a hay fever patient was to go away from home but now any one who expects the disease, can, if Hyomei is used, stay at home without fear of the annual attack of sneezing, watery eyes, and other discomfort.

J. F. Forbes, a well known western railroad man, whose home is at MeCook, Neb., writes, "I have never had relief from any remedy for hay fever, even temporarily, until I discovered the merits of Hyomei. I will always recommend it whenever occasion requires."

There is no offensive stomach dosing when Hyomei is used. It is a reliable remedy for the cure of all diseases of the respiratory organs and is breathed through a neat pocket inhaler that comes with every outfit, so that the air taken into the throat and lungs is like that of the White Mountains or other health resorts where hay fever is unknown.

J. H. Hill & Son, who have the local agency for Hyomei, advise all who are subject to hay fever to begin its use two or three weeks before the time of the annual appearance of this disease and thus prevent the attack. If, however, Hyomei is not used until the sneezing and other disagreeable symptoms have shown themselves, it is necessary to use the treatment more frequently at least half a dozen times daily, and Hyomei Balm should be rubbed into the nostrils both morning and night. The fact that J. H. Hill & Son agree to refund the money to any hay fever sufferer who uses Hyomei without success, should inspire confidence in its power to effect a cure.

New York, August 12.—The Wall Street News Bureau to-day announces it has authority for the statement that the Pennsylvania Railroad has acquired control of the Queens county traction companies.

The Latest Telegraphic News of the Day Boiled Down to a Focus For Busy Readers.

Paris, August 12.—A horror was added to the tunnel tragedy to-day. A man named Dech, a member of the first rescue corps, entering the subway, reported that a passenger coach containing a number of bodies remains in the tunnel. Loss of life not yet known.

Rome, August 12.—The pope this morning left his apartments for a walk and drive in the vatican gardens. He remained in the open air two hours. Drs. Lapponi and Davista continued to urge that he take a rest. "But this will mean such an accumulation of work that it will kill me afterwards to catch up with it," the Pope replied.

Bar Harbor, August 12.—The first accident of the summer naval war games of the North Atlantic fleet, happened to-day when the battleship Massachusetts ran on a pinnacle projecting from Dry Ledge, as she was leaving here with the fleet for Oyster Bay. The battleship did not run into the rock, but just grazed it on her port bow.

New York, August 12.—Sir Thomas Lipton was received by the members of the Maritime Association of the port of New York on the floor of the Maritime Exchange to-day. A great crowd had gathered in Beaver street, and as soon as the carriages of Sir Thomas Lipton and his friends arrived a cheer was given for the America's cup. Sir Thomas was greeted by President Parsons of the Maritime Association.

Dr. Francis Duffy, one of New-haven's most prominent physicians, arrived to-day with his bride and are guests at The Orton, on their way to Little River, S. C., to spend their honeymoon. Dr. and Mrs. Duffy were married at 8:30 o'clock this morning at New-haven, the bride having been Miss Lydia F. Patterson. Mr. and Mrs. Simmons, of Lake Waccamaw, accompanied the bride and groom and will leave this afternoon for home.—Wilmington Dispatch.

REUNION AT FORT FISHER.

GOVERNOR AYCOCK AND OTHERS SPEAK EFFORT TO CREATE PARK.

An Elegant Lunch Was Graciously Served by the Daughters of the Confederacy. It Was a Grand Reunion.

Wilmington, August 12.—The first annual reunion of the survivors of Fort Fisher upon the grounds of the memorable bombardment 20 miles below Wilmington, at the mouth of the Cape Fear River to-day was a success from every standpoint, despite the very unfavorable weather conditions.

The attendance is variously estimated at from six to eight hundred, including veterans and friends of the cause from this and other States. The party left the city on the steamer "Wilmington" at 9 o'clock this morning and as the boat passed on down the river she was enthusiastically saluted by the steam craft in the harbor.

Arriving at the "Rocks" the party disembarked and walked over the jetties, a distance of nearly two miles to the ruins of the old fort, the sight of which provoked long and continuous cheering by the veterans, mingled with the rebel yell given with good will by the Confederates.

The post exchange band of Fort Caswell joined the party there and discoursed patriotic airs. While the crowd was on the point a gale and thunder storm came up, making it exceedingly difficult to walk over the jetties back to the pier.

Governor Aycock, Col. Lamb, of Norfolk; Captain James Parker, of New Jersey; and other distinguished persons were taken aboard a government launch around the bay to a nearer approach to the fort.

Returning to Carolina Beach, the formal exercises took place in the large pavilion there.

Eugene Martin, Esq., of Wilmington; Capt. James Parker, of New Jersey; Gov. Aycock and Col. Lamb, of Norfolk, made brief addresses, which were cheered to the echo by the survivors, who strained every nerve to catch each syllable. Gov. Aycock's address, though extemporaneous, was especially happy and philosophical.

Following the speeches a resolution was unanimously adopted by veterans on both sides, pledging themselves to use their influence with their representatives in Congress to restore the old fort and create a park.

Goldsboro, N. C., Aug. 25, 1902.
Gentlemen—Some six years ago I began to have stiffness and also a chronic case of muscular rheumatism. At times I could not work at all my business being largely master on Southern R. R. For days and weeks at a time I could not work. My suffering was intense. Physicians treated me, without permanent relief, however. Tried a number of advertised remedies without permanent benefit. Finally I tried "RHEUMACIDE." It did the work, and I have had excellent health for three years. I can cheerfully say that all rheumatism should use "RHEUMACIDE," for it is by far the best remedy.
