NO. 134

MT. OLIVE LETTER.

Chronicle of a Week's Events in That Thriving Neighborhood.

ARGUS BUREAU, Mt. Olive, N. C., Sept. 16, 1903.

Mr W M Rivenbark is convalescing. Mr Charlie Keel left Wednesday for Chapel Hill, where he will be a student.

Misses Eva Harris and Clara Litman, of Asheville, are the guests of Mrs L H Cohen.

Quite a large party from here will go up to Goldsboro Thursday evening to see "Thelma."

The many friends of Mr J E Kelly, of Tarboro, were glad to see him in our town last Thursday.

The new dwelling of Mr O Hollingsworth, on Pullock street, is completed and ready for occupancy.

Mrs Mc I Tatum and family are at home again, after spending several months very pleasantly in Bladen county.

Cotton is rapidly coming in. The crop will be a little shorter than usual, but the price is good and so the farmer smiles.

Prof Z D McWhorter, who has been ill for several days, is much better, and will soon be at his post of duty in the school room.

Mr Thos McGee, Jr, who has been spending the summer with his sister Mrs M T Brazeeale, returned to his home in your town Saturday.

Messrs W F English and J A Westbrook, two of our most enthusiastic anglers, are this week fishing and enjoying the cooling breezes of Southport.

Mr M McD Williams, cashier of the new bank at Faison, was in our town last week in the interest of his bank and taking a few lessons in banking—fitting himself for his new duties.

Mt. Olive presents a busy, progressive appearance. Everywhere new buildings are going up, and when you hear the sound of hammer and saw and see everybody hustling, you may know there is "something doing."

The town was this afternoon thrown into a state of turbulent excitement by the burning of John R Bell & Company's large lumber plant. Several thousand feet of finished lumber and all the machinery were destroyed. The entire structure was burned to the ground and there was no insurance.

Mr Bell is a man who does not allow obstacles to overcome him and the mills will be immediately rebuilt.

Cards are out announcing the marriage of Miss Annie Flowers, of this place, to Mr. Geo. E. Hood, of Goldsboro, which event will take place in the Methodist church on Wednesday, the 23rd of September, at 6:30 p m, after which the happy young couple will leave for an extended tour through northern cities.

Both are very popular here and the marriage is looked forward to with quite a lot of interest.

News of Interest From the Patetown Section Gathered by the Squire.

Mr Joe Lancaster is some better, we are glad to note.

We regret to know that the condition of Mrs D O Smith is alarming. We all hope her a speedy recovery.

Miss Inogen Pate, for whom admittance has been asked for at the hospital at Raleigh, is lying critically ill at this writing.

Mr S G Pate, a member of the A T C, is up and going again, we are glad to know. Mr Pate very generously donated the check he received for sickness from the Lodge of Odd Fellows at Faison, to the Orphan Home at Goldsboro.

Patetown, Sept. 16.

The quarterly meeting of the Primitive Baptist church at Chapel last Sunday was well attended. Elder J W Gardner, preached a good sermon, and administered the sacrament.

Our farmers are making hay while the sun shines now, and from the demand made upon the owners of mowing machines, and the favorable weather, we don't think there will be much hay bought in our community next year. Making hay is not only cheaper than pulling fodder, but is better for stock, especially if mixed with pea vines.

We were glad to meet in your city last Monday our friend of boyhood days, Dr Tom Kennedy, who is honoring his profession in "The Land of Flowers." Many happy recollections crowded upon memory as we turned the pages of a quarter of a century, and lingered amid the scenes of the long ago. His many friends here in his old home will be glad to know of his deserved success.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medicinal triumph of the nineteenth century, discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless and poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble.

When writing mention reading this generous offer. In this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
