PROSPERITY TO CONTINUE.

The New York Herald recently gathered from every section of this country careful opinions as to the trade outlook. In discussing these opinions as a whole the Herald says: "Here and there local troubles may have created temporary stagnation in this or that branch of business, as for instance, in New York, where the strikes and the weather have halted many operations; in the eastern states, where the price of cotton has lessened the hum of industry in the mills, and so on. And these local depressions may give the pessimists in this or that place a chance to growl about a discontinuance of the country's prosperity at large and to prelate about 'the bursting of the boom.'" It is therefore well to note that while these local troubles are frankly acknowledged, the whole tenor of reports from the east, west, north and south is that business is on a stable foundation, promising an abundant future in gratifying profits, the consensus of opinions being that the prosperity of to-day is not to lessen, but to continue or even to increase.

There is no crop cloud—no cloud of any sort in the business sky. It is fair weather for all legitimate enterprises, and the country is sound to the core. All branches are rock-bottomed, and not even a wild slump in Wall street could disturb them a particle. Never was the general trade of the country so strongly fortified. Merchants and manufacturers have become forehanded. In the last five years they have made plenty of money, and they now laugh at Wall street slumps.

The only person in the way at present is the prophet or evil, the croaker, the knocker, to use a baseball word. If these pessimists could be eliminated or electrocuted, there would not be a speck in the sky. Prosperity is here to stay indefinitely, and far-seeing concerns are placing orders for raw material in 1904 on a like basis with those of 1903—the steel trust, for example.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address F. J. CHENEY & Co., Toledo, O. Sold by Druggist, 75c. Hall's Family Pills are the best.

A Communication.

MA. ERROR—Allow me to speak a few words in favor of Chamberlain's Cough Remedy. I suffered for three years with the bronchitis and could not sleep at nights. I tried several doctors and various patent medicines, but could get nothing to give me relief until my wife got a bottle of this valuable medicine, which has completely relieved me.—W. S. BROCKMAN, Dagnell, Mo. This remedy is for sale at MacKay's Pharmacy.

Some people could be happy only in jail if the law said they must not go there.

A Purgative Pleasure.

If you ever took DeWitt's Little Early Risers for biliousness or constipation you know what a purgative pleasure is. These famous little pills cleanse the liver and rid the system of all bile without producing unpleasant effects. They do not gripe, sicken or weaken, but give tone and strength to the tissues and organs involved. W. H. Howell of Houston Tex. says: "No better pill can be used than Little Early Risers for constipation, sick headache, etc." Sold by Goldsboro Drug Co.

Catarrh

Is a constitutional disease.

It originates in a scrofulous condition of the blood and depends on that condition.

It often causes headache and dizziness, impairs the taste, smell and hearing, affects the vocal organs, distends the stomach. It is always radically and permanently cured by the blood-purifying, alterative and tonic action of

Hood's Sarsaparilla

This great medicine has wrought the most wonderful cures of all diseases depending on scrofula or the scrofulous habit.

Hood's Pills are the best cathartics.

A Boy's Wild Ride For Life.

With family around expecting him to die, and a son riding for life, 18 miles, to get Dr. King's New Discovery for Consumption, Coughs and Colds, W. H. Brown, of Leesville, Ind., endured death's agonies from asthma; but this wonderful medicine gave instant relief and soon cured him. He writes: "I now sleep soundly every night." Like marvelous cures of Consumption, Pneumonia, Bronchitis, Coughs, Colds and Grip prove its matchless merit for all Throat and Lung troubles. Guaranteed bottles 50c and \$1. Trial bottles free at J. H. Hill & Son's drug store.

The fresh brains of the country are gathering at the colleges.

Fearful Odds Against Him.

Bedridden, alone and destitute. Such in brief was the condition of an old soldier by name of J. J. Hayes, Versailles, O. For years he was troubled with kidney disease and neither doctors nor medicines gave him relief. At length he tried Electric Bitters. It put him on his feet in short order and now he testifies, "I'm on the road to complete recovery." Best on earth for Liver and Kidney troubles and all forms of Stomach and Bowel Complaints. Only 50c. Satisfaction guaranteed by J. E. Hill & Son druggists.

Judge Lynch is off on a vacation. May it be perpetual.

Bucklen's Arnica Salve.

Has world-wide fame for marvelous cures. It surpasses any other salve, lotion, ointment or balm for cuts, Corns, Burns, Boils, Sores, Felons, Ulcers, Tetter, Salt Rheum, Pimples, Sore, Chapped Hands, Skin Eruptions, and all other skin troubles. Guaranteed. Only 25c. at J. H. Hill & Son's Drug Store.

Venezuela is still up against its arbitrated bills payable.

What Is Life?

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly readjust this. It's gentle yet thorough. Only 25c. at J. H. Hill & Son's drug store.

A Certain Cure for Dysentery and Diarrhoea.

"Some years ago I was one of a party that intended making a long bicycle trip," says F. L. Taylor, of New Albany, Bradford County, Pa. "I was taken suddenly with diarrhoea, and was about to give up the trip when a Mr. Ward, of the Leesville Messenger, suggested that I take a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I purchased a bottle and took two doses, one before starting and one on the route. I made the trip successfully, and never felt any ill effect. Again last summer I was almost run down with an attack of dysentery. I bought a bottle of this same remedy, and this time it cured me." For sale at MacKay's Pharmacy.

The straw hat looked lonely this morning.

Water Cure for Chronic Constipation.

Take two cups of hot water half an hour before each meal and just before going to bed, also a drink of water, hot or cold, about two hours after each meal. Take lots of outdoor exercise—walk, ride, drive. Make a regular habit of this and in many cases chronic constipation may be cured without the use of any medicine. When a purgative is required take something mild and gentle like Chamberlain's Stomach and Liver Tablets. For sale at MacKay's Pharmacy.

The quinquennial storm has arrived and is lively and damp as ever.

Distress After Eating Cured.

Judge W. T. Holland of Greensburg, La., who is well and favorably known, says: "Two years ago I suffered great distress from indigestion. After eating, great distress would invariably result, lasting for an hour or so and my nights were restless. I concluded to try Kodol Dyspepsia Cure and it cured me entirely. Now my sleep is refreshing and digestion perfect." Sold by Goldsboro Drug Co.
