DR. MOFFETT'S TEETHINA

(TEETHING POWDERS)

Rev. J. W. Berry of Arkansas Methodist Conference, writes: "Endorsed and fifty cents for which please mail me two packages of TEETHINA. I was wondering how we have raised children without it. The other day a lady in Raleigh sent me a box and it came at a most opportune time; our babe was in a serious condition; his bowels had been in bad condition for days, and nothing that we gave did any good; the second dose of 'TEETHINA' gave perfect relief and he has had no further trouble. Other members of the family have used it and every dose has been a perfect success."

AT OUR EXPENSE.

If you have any doubts about the PURITY of the Pickling Vinegar we offer you, you may have it analyzed at our expense, provided it proves to be other than we represent it to be; that is, an absolutely pure cider vinegar, and of sufficient strength for pickling purposes.

TROUBLES! Oh, yes. Some people have lots of trouble with their Flour: Can't make good bread; the biscuit won't rise, and are dark and heavy; the dough seems sticky—in short, the flour is not satisfactory at all. Let us tell you the trouble: You are not using the Right Grade. Come to us and let us remedy these annoyances for you. We are looking for a lot of people who are hard to suit in Flour. We can get you right in short order.

COFFEE did you say? Why, yes, if there is any such thing as satisfying you, we can do it, for we can give you anything, from a fair grade to The Best That Grows. And we can say this, that we do not now recall ever having lost a customer who had once used our Coffees for any length of time. In fact, why should we, for we give you The Best at a Right Price.

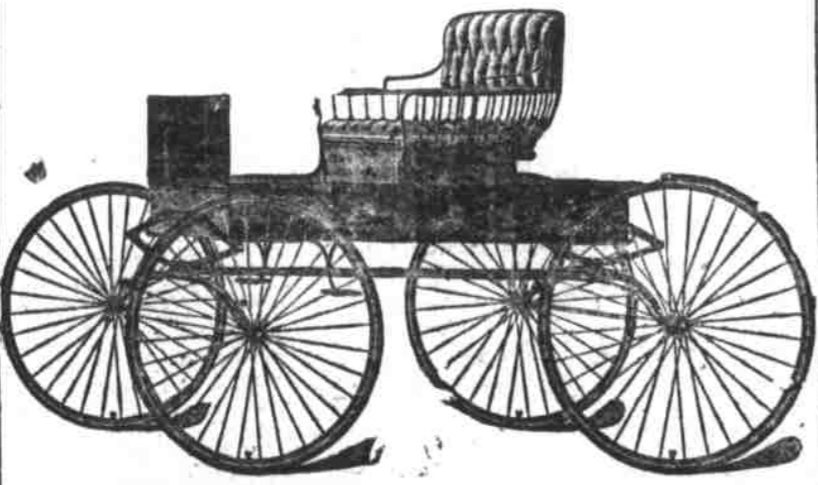

In Cakes and Fine Wafers we can give you the Best. We buy direct from the largest manufacturing concern in the country, and buy often; therefore they are always Fresh.

We can supply your wants and will appreciate your orders.

Respectfully yours,

work is only one of the merits of our Laundry. Few fail to appreciate the value of the Laundry work. Our linen owes its day effect more to its finish than to its quality. Society give a polish to people—we to Linen. Our work is seen only to be praised. It is hard to equal and impossible to excel. To get full wear from anything it must be washed properly. THE GATHERER.

SELECTED WITH CARE FROM THE SCOPE OF A DAY'S READING.

If You are Gay or Grave; In Joy or in Sorrow; In haste or with Time to Spare; It is Hoped That You will Find Something Here to Repay you For the Perusal of This Column

Oh, Sorrow, stay thy hand awhile! The sunlight streams Across the world, whose gardens smile:— Give me my dreams!

Thou hast so darkened every day— So dimmed the night's faint, starry gleams, Leave me one memory of May:— Give me my dreams!

So brief the space; so swift in flight Hope's wished-for beams, Deny me not this later light:— Give me my dreams!

Bings—What are you going to do with that stick of dynamite, old man?

Bangs—I'm going to blow a porous plaster off my chest.

Miss Dovey—We girls are just wild about Victor Pretty.

Mrs. Binhair—Now, I simply can't endure him. I like strong, stern-browed men of indomitable will.

"Gracious, what for?"

"They are so easy to manage."

"Your aunt is shut up in an asylum, isn't she?"

"Well, she is and she isn't. She is in there all right enough, but they can't stop her talking."

Barber (testing razor)—Do I hurt you, sir?

Baird—No; not so badly as the last man who had me in his chair.

Barber (highly gratified)—who was that?

Baird—The dentist.

Josephine—Yes, our trip was all right, but we had an atrociously fresh escort.

Geraldine—I thought they always had personal conductors on those tours.

Josephine—That caused all the trouble. Ours was too darned personal.

She—Your dog was trying to bite me, Sir!

He (touching his hat)—Yes, madam; he has a sweet tooth.

She—What would you think of a tax on bachelors?

He—Oh, pshaw! Don't we have to buy wedding presents?

'OH THE FOLLY OF IT ALL!

This man actually made himself lame by walking all over the country looking for suitable material with which to build a house. He wanted good lumber, good brick, and good shingles; but his means were limited, and the prices at the mill were beyond his reach until he found A. T. GRIFFIN, who at once proved to him the folly of walking all over the face of the earth trying to find what he desired at reasonable prices. The man got what he wanted and went away wiser, and declared he would know where to go next time.

Mr. Griffin's Brick plant is situated just outside of the city limits, on the Southern Railroad, and his Lumber and Shingle plant is on the banks of Neuse river, near the mouth of Little river. When you need anything in his line, call on him or write your want to

Weak Hearts

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, putting it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Kodol Digests What You Eat

Mrs. Loring Nichols of Penn Yan, N. Y., writes: "After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured."

Kodol cures indigestion, dyspepsia and all stomach disorders, and gives the heart a full, free and untrammeled action.

Bottles only \$1.00 Six holding 2 1/2 times the trial size, which sells for 50c.
