DR. MOFFETT'S
TEETHINA
(TEETHING POWDERS)

Costs Only 25 cents at Druggists,
Or mail 25 cents to C. J. MOFFETT, M. D., ST. LOUIS, MO.

Cures Cholera-Infantum, Diarrhoea, Dysentery, and the Bowel Troubles of Children of Any Age. Aids Digestion, Regulates the Bowels, Strengthens the Child and Makes TEETHING EASY.

ATLANTA, Ga., Nov. 19, 1900.

We have handled Dr. Moffett's TEETHINA (Teething Powders) ever since its first introduction to the public and trade as a proprietary medicine, and our trade in it has steadily increased from year to year until our orders now amount to two or three hundred gross per year, which is a very strong evidence of its merit and the satisfaction it is giving to the mothers of the country, for they say nothing so effectually counteracts the effects of the summer's hot sun or overcomes so quickly the troubles incident to teething.

SELECTED WITH CARE FROM THE SCOPE OF A DAY'S READING.

It You are Gay or Grave; In Joy or in Sorrow; In doubt or abiding in faith; In haste or with Time to Spare, It is Hoped That You will Find Something Here to Repay you For the Perusal of This Column

A Lay of the Season.

The wind it blows a piping song
Of "Christmas pretty soon."
The days in rhythm trip along
To "Christmas pretty soon."
The office boy has scrubbed his face;
The janitor with courtly grace
Responds since you have set the pace;
It's "Christmas pretty soon."

Why do we save this courteous cheer
For "Christmas pretty soon?"
For time is swift. In fact, all year
Is "Christmas pretty soon."
Twelve months so swiftly speed away!
Why not make all the dozen gay
And still be generous and say,
"It's Christmas pretty soon?"
—Washington Star.

BLACK PATTI

Will Have the Boards of the Messenger Opera House Wednesday night, October 14.

The Black Patti Troubadours, an aggregation of velvety vowel-voiced songsters, brisk buck and whirlwind wing dancers and the unchallenged champion cake walkers, will appear at the Messenger Opera House Wednesday evening, October 14th. The great success of this company is owing to the fact that a first class performance, by the pick of coon-town entertainments is always provided. The Great Black Patti is a whole show in herself, the greatest singer of her time, but there are a lot of other, two score in fact, of entertainers.

The entire gallery will be reserved for the colored people. The reserved gallery will be fifty cents and and the general gallery will be thirty-five cents. On account of not having the space in the gallery for the whites the management has made the extreme low prices for the lower floor of 35 and 50 cents.

When the life of Mrs. Ruff was hanging in the balance she used Dr. Pierce's Favorite Prescription and was restored to health. Her experience made her the firm friend of the medicine that cured her.

Dr. Pierce's Favorite Prescription has no equal in its cures of womanly disease. It establishes regularity, dries the drains that weaken women, heals inflammation and ulceration and cures female weakness.

"Five years ago when my life was hanging in the balance, Dr. Pierce's Favorite Prescription was brought to my home," writes Mrs. Caroline Ruff, Director of German Orphan's Home, residing at 139 Rowena Street, Detroit, Mich. "I took it, and, it won me back to health. Ever since that time, I have been its firm friend. We frequently have mothers come to our 'Home' who are suffering with uterine troubles, inflammation, tumors and ulcerations. Our great remedy for a female trouble is Dr. Pierce's Favorite Prescription, and we have found nothing so far which would so quickly cure the disease, relieve inflammation and stop pains. It is a good friend to women."

Dr. Pierce's Common Sense Medical Adviser, in paper covers, is sent *free* on receipt of 21 one-cent stamps to pay expense of mailing *only*. Address Dr. R. V. Pierce, Buffalo, N. Y.

OH THE FOLLY OF IT ALL!

This man actually made himself lame by walking all over the country looking for suitable material with which to build a house. He wanted good lumber, good brick, and good shingles; but his means were limited, and the prices at the mills were beyond his reach until he found A. T. GRIFFIN, who at once proved to him the folly of walking all over the face of the earth trying to find what he desired at reasonable prices. The man got what he wanted and went away wiser, and declared he would know where to go next time.

Mr. Griffin's Brick plant is situated just outside of the city limits, on the Southern Railroad, and his Lumber and Shingle plant is on the banks of Neuse river, near the mouth of Little river. When you need anything in his line, call on him or write your wants to
