OH THE FOLLY OF IT ALL!

This man actually made himself lame by walking all over the country looking for suitable material with which to build a house. He wanted good lumber, good brick, and good shingles; but his means were limited, and the prices at the mills were beyond his reach until he found A. T. GRIFFIN, who at once proved to him the folly of walking all over the face of the earth trying to find what he desired at reasonable prices. The man got what he wanted and went away wiser, and declared he would know where to go next time.

Mr. Griffin's Brick plant is situated just outside of the city limits, on the Southern Railroad, and his Lumber and Shingle plant is on the banks of Neuse river, near the mouth of Little river. When you need anything in his line, call on him or write your wants to

DR. MOFFETT'S TEETHINA

Aids Digestion, Regulates the Bowels, Strengthens the Child and Makes TEETHING EASY.

Office of Dr. H. H. Hardy, Secretary of State, Astor, N. Y., Nov. 21, 1908.
I have used Dr. Moffett's TEETHINA a splendid remedy and aid for teething children. When my child, by next month, will be a year old, I have used it for him, and he has improved in his health, and from that day on he is happy. I have constantly kept it and used it with my children, and have had great pleasure in seeing it pass to all mothers of young children. I found it invaluable even after the teething period was passed.

BEARING DOWN PAINS
8647 Indiana Avenue, CHICAGO, ILL., Sept. 27, 1902.
I have been a sufferer with almost every kind of female trouble for years, but as long as I could get around and do my work I would not try patent medicines as I had no faith in them.
About eight months ago I had to take to my bed, suffering with prolapsus of the uterus, with bearing down pains and intense pains in the back. My aunt, who came to nurse me, told me of Wine of Cardui and sent for a bottle. I am indeed glad that she did, for that first bottle started me on the road to recovery. In a few weeks I was out of bed and in three months I was in better health and stronger than I had been in years. I take a dose now, occasionally, of Wine of Cardui and am kept in perfect health.
Wine of Cardui brings certain relief to women suffering any symptom of female weakness and perfectly regulates the menstrual flow. Wine of Cardui stops bearing down pains by permanently relieving the irritation which weakens the ligaments holding the womb in place. You need not suffer every month if you take this medicine. The periodical discharge will be painless and healthy without continual weakening drains. Wine of Cardui will make your health right and you may treat yourself privately in your own home. Secure a \$1.00 bottle of Wine of Cardui from your druggist today.

Disastrous Wrecks.
Carelessness is responsible for many railway wreck and the same causes are making human wrecks of sufferers from Throat and Lung troubles. ONE LUNG

May be gone and yet the remaining lung will be amply sufficient to sustain a vigorous vitality. As a general thing few people make more use of both lungs than is equivalent to a healthy use of one lung.
These features all in the favor of the man of whom we speak, even when the lungs have a strong grip on them.
Living in health to-day has the lungs marked by the healed scars of disease.
Dr. Pierce's Golden Medical Discovery makes weak lungs strong. It cures chronic, deep-seated coughs, hemorrhagic bleedings, and all other troubles, which, if neglected or unsatisfactorily treated, lead to a fatal termination in consumption.
The lungs are supplied with the blood from the heart and the blood is purified by the lungs. If the lungs are diseased, the blood is impure and the system is weakened.
These who suffer from chronic diseases are invited to consult Dr. Pierce, by letter, free. All correspondence strictly private. Address Dr. R. V. Pierce, Buffalo, N. Y.
Dr. Pierce's Pleasant Pellets assist the action of the "Discovery."
