Be an optimist if you live in Goldsboro. There is more to sustain optimism in Goldsboro than in any town in the State. It is The Best Town in the State. This cannot be successfully denied. Why should not all the citizens, therefore, of The Best Town in the State be optimists?

Elsewhere in this issue appears an article taken from the Wilmington Star that Goldsboro people in general will read with pleasure and pride, since the young lady so highly and justly commended therein is a native of Goldsboro, a graduate of and, subsequently a teacher in our city public schools.

Mr. Charles E. Hosea, of Pikeville, an expert jeweler, and a young country man who is extremely popular with all his friends, has taken a position in the old and reliable jewelry store of Messrs. L. D. Giddens & Son, in this city, and has entered upon his duties. The Argus assures him of a cordial welcome to Goldsboro.

#### Amateur Night at Acme Tonight.

## WOMAN'S NATURE

Is to love children, and no home can be happy without them, yet the ordeal through which the expectant mother must pass usually is so full of suffering and dread that she looks forward to the hour with apprehension. Mother's Friend, by its penetrating and soothing properties, allays nausea, nervousness, unpleasant feelings, and so prepares the system for the ordeal that she passes through the event with but little suffering, as numbers have testified and said, "it is worth its weight in gold."

**THE BRADFIELD REGULATOR CO.**  
Atlanta, Ga.

## MOTHER'S FRIEND

#### At The Messenger.

The vaudeville combination, acrobats and bell ringers, at the Messengers Opera House this week, are pleasing everybody and are receiving the liberal patronage they so well deserve, while Manager Higgins, too, comes in for a full measure of popular approval. A side-splitting feature tomorrow night, besides the above attractions and moving pictures, will be the "hall contest" by local amateurs. Same old price, 10 and 15 cents for a 50 cent show.

No matter how much money you have to spend you will not get a better photograph of yourself than the one we will take. Our prices are reasonable but the work is the highest in the land.

**A. O. Clement,**  
PORTRAIT PHOTOGRAPHER.

#### Work Progressing on Building.

Work is progressing rapidly on the new Jacobi Memorial Building at the Odd Fellows' Orphanage, the brickwork of the first floor being nearly completed.

The framework for the new houses of Dr. S. E. Malone and Dr. Hall, on Ash street, is finished. The two homes will be complete in every respect. Workmen are busy repairing the damage done to the store of H. Well & Bros. on John street, which was gutted by fire.

#### PIKEVILLE NEWS.

M. T. Dickinson made a brief business trip to our town Monday.

Mr. John Walters, of LaGrange, is here on a visit to his sister, Mrs. J. W. Hosea.

Misses Ethel and Madeline Albritton and Mr. Frederick Albritton, of Snow Hill, visited relatives here Saturday and Sunday.

Miss Anna Bowden returned to her school duties Monday from her home near Mt. Olive, where she spent a week recuperating from her recent illness.

Mr. William Smith is able to be out again after a two weeks' confinement, resulting from a mule-kick which he received a little above the instep of his right foot.

Peas in this section will be very light this year. Not near as many peas have been planted as heretofore, while the falling off in the bean crop is even greater.

Mr. William Ham, who last year moved his family to Mebane, but who has under consideration the question of returning to his native town, is buying a home here repainted and thoroughly overhauled.

Mr. Charlie E. Hosea, an expert jeweler of long experience, has gone to Goldsboro, where he has accepted a position with L. D. Giddens & Son, who are indeed fortunate in securing such a careful watchmaker as is Mr. Hosea.

An entertainment will be given at the Pikeville High School on Friday night, March 19. A small admission fee of 10 and 15 cents will be asked, and the proceeds will go for the benefit of the baseball team. A long and varied program has been prepared, the special feature of which is to go a mock trial over the stealing of watermelons by a leading citizen. An evening of fun is promised.

Through the means of a very successful supper and party given in February, the ladies of the Methodist Church have made great improvements to the interior of the building. The ladies have worked earnestly and as the fruit of their labors now have the pews painted, the floor carpeted and the purchase of a large Bible, two pulpit chairs, besides several other articles for which there was sore need.

#### Shadow Party.

For the benefit of the betterment work, Nov. Hill will give a "shadow party" on Friday night, March 12. The public is cordially invited.

Manager National Life Insurance Co.,

Dear Sir:—I take pleasure in enclosing herewith my check for \$66.93 and dividend voucher for \$17.85 in payment of premium of \$84.78 on account of my contract No. 190,769 for \$3,000 and I wish to express to you my appreciation of this large dividend. This is the second dividend upon an ordinary life policy. The first dividend was paid at the end of the first year, which was also very satisfactory. The dividend of \$17.85 is more than I expected.

I am also well pleased with the 59th Annual Statement of this company and recommend it to anyone desiring good safe life insurance, as I believe I am getting a square deal.

Very truly yours,
