Change of Boundaries of Voing Precincts.

At a meeting of the County Board of Elections of Wayne Coun , North Carolina, held in Goldsbor, on Monday, the 5th day of April, 1 9, at 12 o'clock, m., all members beit ... present, it was ordered that the boun mry lines of Precincts No. 3 and 4 ... now existing for the State and Comy elections in Goldsboro Towing, be changed to conform in every particuiar to the boundary lines Wards, No. 3 and 4, as set out in the harter of the City of Goldsboro, in a tion 3 of chapter 397, of the Priva ... ws of North Carolina, session 19t .. : hat is, the boundary lines of Precact No. 3 in the City and County elections shall be as follows:

"Beginning at the center of intersection of William street and Chestnut street, and runs thence southerly with the center of William street, and an extension thereof, to the southern boundary line of the corporate limits of said city; thence with said boundary line westerly to the southwestern corner in said boundary line northerly to a point opposite to the center of said Chestnut street extended; then easterly to and with the center of said

street to the beginning" The boundary line of Precinct No .. 4 in the State and County elections,

shall be as follows: "Beginning at the beginning point of; the Third Precinct and runs thence southerly with the center of William, street, and the line of the Third Precinct to the southern boundary line of: the corporate limits of said city; hence with said boundary line to th southeastern corner in said boundary; ine; then with said boundary linenortherly in its various courses to a point opposite to the center of Chestnut street extended on the east; then westerly to and with the center of

said street to the beginning. I was further ordered as follows, that whereas the County Board of Elections in their meeting on September 7, 1908, passed an order dividing Fork Township into two Precincts, known as No. 1 and No. 2, with the understanding that if it did not meet with general satisfaction, it should be restored after the election.

Now there, the Board being of the opinion that to continue said division is unwise, it is therefore ordered that the said division be done away with and that there shall be only one precinct in Fork Township, that is, that the polling place and boundary of said Township that existed during the State and County general election of 1906 be restored.
