

S.S.S. CURES ECZEMA, ACNE, TETTER ETC.

While Eczema, Acne, Tetters, Salt Rheum, etc., are troubles which affect the skin, their source is far deeper than the outside cuticle. These afflictions are caused by irritating humors, or uratic acid in the blood. Such impurities inflame and irritate the delicate network of fibrous tissue which lies just beneath the surface of the outer skin, and the inflammatory discharge thus produced is forced out through the pores and glands, and is continually kept up while the blood remains infected. This exudation causes the formation of scales and crusts so often seen in Eczema, and when they are scratched off the flesh is left raw and more susceptible to other infection. It can very readily be seen then that to produce a cure the circulation must be purified and cleansed. This S.S.S. will do. It goes down to the very bottom, removes all humors and impurities, neutralizes the excessive acids of the system and in this way removes the cause of disease. Local applications can only soothe the irritation and assist in keeping the skin clean; they never produce a cure because such treatment does not reach the blood. S.S.S. restores to the thin, acrid blood all its lost properties, makes it pure and rich and enables it to nourish the skin and keep it soft, smooth and healthy. Sons of American Revolution in Session in Baltimore.

Baltimore, Md., April 30.—Baltimore is entertaining during the remainder of this week several hundred visitors whose proud boast is that they are descended from Revolutionary sires. The occasion is the twentieth annual convention of the National Society of the Sons of the American Revolution. At 10 o'clock this morning the convention was opened in the assembly room of the Beldedere Hotel with prayer and the exchange of greetings. The remainder of the day was taken up with the routine business.

Tomorrow the delegates and the ladies accompanying them will pay a visit to Annapolis to view the scenes of many historic happenings in Colonial and Revolutionary days, including the scene of "The Annapolis Tea Party" and the old Senate chamber of the State Capitol, where General Washington surrendered his commission as chief of the Continental armies. The delegates also will pay a visit of inspection to the Navy Academy, and in the evening they will be entertained by Governor Crothers.

MOUNT OLIVE NEWS BUDGET.

The primary for the nomination of a candidate for mayor and five commissioners was held in the city hall Friday night of last week. It was well attended and considerable interest was manifested.

The primary resulted in the nomination, by acclamation, of Mr. J. E. Kelly, president of the Citizens' Bank and one of Mount Olive's most progressive and successful young business men, for mayor, and Messrs. R. A. Jordan, W. F. Martin, A. J. Davis, C. W. Oliver and Dr. G. F. Herring for commissioners. An electric light committee, composed of Dr. G. F. Herring and Messrs. Max Harris and Robert L. Kornegay, was elected to serve for the ensuing year.

The primary was called to order by Chairman Fred. R. Mintz, who stated the object of the primary. Mr. C. W. Oliver was elected permanent chairman and Mr. Max Harris secretary. The following executive committee was chosen to serve for the ensuing year: Messrs. W. F. English, J. D. Aaron and Dr. G. F. Herring.

The primary was harmonious throughout, and the result meets with the approval of the people of the town. We look for an able and progressive administration at the hands of the future mayor, Mr. Kelly, and the splendid personnel of the board of commissioners is sufficient assurance that the affairs of the town will be conducted on a broad, sane and conservative scale.

The election will be held Monday of next week—the first Monday in May.

Death of Mr. Bowden.

The sudden death of Mr. John W. Bowden, at his home here at 11:15 o'clock Monday night, will be learned of with deep regret and sorrow by his many friends. Mr. Bowden conducted a shoe repairing shop and early Monday morning came down to his work, apparently enjoying his usual good health. He returned home for breakfast, and soon after reaching home suffered a stroke of paralysis. This was followed by a second stroke a few hours later, from which he lingered until the hour named above, when his soul passed out to the Great Beyond.

The funeral was held late Monday afternoon, conducted by Rev. E. E. Rose, after which interment was made in Myrtle Grove Cemetery. Mr. Bowden was the son of Mr. J. B. Bowden, who survives him. He is survived also by his second wife, formerly Miss Bessie Bennett, and three young children, all girls.

The deceased was about forty-four years of age. Mr. Bowden was a sober and industrious citizen, of a quiet and unassuming nature. His death falls heavily upon his wife and children, who have the tenderest sympathy of the people of the community.

SNOW HILL ITEMS OF INTEREST.

Sheriff Warren and Mr. F. P. Eason went to Goldsboro Friday, where they took two demented colored men, one of them violently so, to the Eastern Hospital.

Adjuster Macon, of the North Carolina Home Insurance Company, was in Greene this week to adjust the loss recently sustained by Mr. Fred L. Carr, of Castoria.

Rt. Rev. Robert Strange, Bishop of the Diocese of East Carolina, will preach at the morning service in Snow Hill on next Sunday, May 2. Everybody cordially invited.

The members of the Christian Church, who live in Snow Hill, are endeavoring to make arrangements whereby they may enjoy a regular monthly service at Snow Hill.

Letters of Incorporation have been issued to the Dixon-Hicks Company. This company is now occupying the most southerly store of the Dail Block and will engage in the hardware business.

The commencement exercises of Hookerton Collegiate Institute have been in progress this week. The annual address was delivered at 11 o'clock today (Wednesday) by Prof. Aldridge, of Durham. The exercises close tonight. This has been one of the best years in the history of this splendid school.

Sunday afternoon while at play the little three-year-old son, Willie, of Mr. and Mrs. W. T. Caraway, was kicked and seriously hurt by a mule. The mule's hoof struck him just above the right eye, cutting a deep gash, but not breaking the bone. The mule in some way had got loose where the children, all small, were at play. Nothing was known of the kick until the little fellow went into the house with the blood streaming down his face.
