GENTRY SHOWS WILL EXHIBIT IN THIS CITY TOMORROW

One of the Best on the Road—An Excellent Animal Show and Also Many Other Features.

The Gentry Brothers' shows, which this year are entering upon their twenty-fifth season, have added many special attractions to their shows. Among them are two acts brought to this country from Paris, where they were the talk of the show world for three seasons.

The Noetzel family, of Vienna, is one of these features, and the Marcell and Lennett acrobatic troupe is the other. These two acts were among the features in the European cities, and in fact they still would be on the other side of the ocean but for the intervention of the American consul.

Many times they were offered engagements with tented shows in this country, but having heard that the life was the hardest imaginable, they steadfastly refused to consider coming to America. This was what they told the European agent of the Gentry shows.

The Gentry Brothers then made use of their reputation. They communicated with the consul abroad and asked that he intervene and secure the Europeans if possible. He did so, and as a result of his negotiations the acrobats and wire walkers came to America for this season. They will be seen in this city when the Gentry Brothers' shows visit here.

The Gentry shows will give two performances in this city, Tuesday, May 4, afternoon and night. On the morning of show day their parade of Mother Goose chariots and highly educated animals will pass through the principal thoroughfares. The Gentry shows cater especially to ladies and children.

For this engagement only, the prices of admission are reduced to twenty-five and thirty-five cents.

Meeting of Grand Lodge R. A. M. in Winston-Salem.

The annual meeting of the Grand Royal Arch Chapter of Masons of North Carolina will be held in Winston-Salem Tuesday, Wednesday and Thursday, May 11, 12 and 13. It is likely that several will attend from this city.
