### LOCAL BRIEFS.

#### Items of Interest in and Around the City.

The Goldboro citizens are requested to remember the picture presentation—portraits of Davis and Lee—to be made at the Graded School on Thursday of this week at twelve o'clock, under the auspices of Thos. Buffa Chapter Daughters of the Confederacy.

Every member of the Goldboro Merchants' Association should attend the meeting tonight, in the Public Comfort Rooms, as a matter vital to the continuance of these rooms will be before the meeting and must be settled—and it cannot be settled by empty chairs. Empty chairs cannot speak for living members, and the silence of empty chairs means the silence of death to the association. This is the simple truth directly told. It is up to the association. What are you going to do about it? Will you attend tonight's meeting?

#### CHAT ABOUT YOUR FRIENDS.

Dr. N. L. Bryan, the dentist, has returned to the city from a business visit to Newton Grove.

Miss Em. Jones, of Suffolk, who has been visiting Miss Rachel Borden, left for home at noon today.

Mrs. Jos. Rosenthal and little daughter are at home again from a visit to relatives in New York.

Mrs. P. D. Gold, Jr., of Raleigh, is in the city, visiting her sister-in-law, Mrs. Wm. Spicer, on Park avenue.

Mrs. C. B. Miller went up to Raleigh this morning to join Mrs. Sol. Well, Mrs. W. R. Hollowell and Miss Gertrude Well as Goldboro's delegation to the annual meeting of the State Federation of Woman's Clubs.

Rev. J. Hiram Grant, pastor of the First Congregational Church of Elgin, Ohio, is in the city on a brief visit at the home of his parents, Major and Mrs. H. L. Grant, and his hosts of friends here are glad to greet him again.

#### ELECTION ANNOUNCED.

Public Proclamation Made at City Hall Today of Result of Yesterday's City Election.

The result of yesterday's city election for mayor, aldermen and two members of the board of public works was publicly proclaimed according to law at noon today from the front of the City Hall.

This result is that Hon. John R. Higgins is mayor for the ensuing two years.

Messrs. F. K. Borden, D. H. Dixon, Lionel Well, John R. Crawford, George C. Kornegay, W. J. Gibson, Sam Draper, W. H. Collins and W. D. Creech, aldermen.

Messrs. Thoma. H. Holmes and George S. Dewey, members of the board of public works.

Just when the new board will go into caucus is not known; but their public meeting for qualifying and organization will, doubtless, be held on Thursday evening, according to long-established custom.

The Argus greets the new administration, with Mayor Higgins at the head, with hearty congratulation and sincere proffer of full co-operation in all public measures looking to the welfare of the community and the achievement of Greater Goldboro.

Let our slogan be, "that we go forward."

## Plan for Summer Comfort

Don't add the heat of a kitchen fire to the sufficient discomfort of hot weather.

Use a New Perfection Wick Blue Flame Oil Cook-Stove and cook in comfort.

With a "New Perfection" Oil Stove the preparation of daily meals, or the big weekly "baking," is done without raising the temperature perceptibly above that of any other room in the house. Another great advantage of the

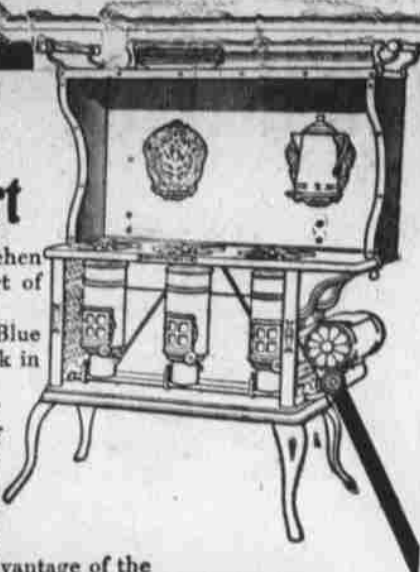

## NEW PERFECTION Wick Blue Flame Oil Cook-Stove

is its handsome CABINET TOP, which gives it every convenience of the modern steel range. Has an ample top shelf for warming plates and keeping cooked food hot, drop shelves for holding small cooking utensils, and is even fitted with racks for towels. Made in three sizes, and can be had with or without Cabinet Top. If not at your dealer's address our nearest agency.

The **Rayo Lamp** gives perfect combustion whether high or low—is therefore free from disagreeable odor and cannot smoke. Safe, convenient, ornamental—the ideal light.

## A BUBBLER FREE!

Return the Coupon Attached and Receive a Bubbler Free.

Do you remember the fun you used to have blowing bubbles? What rivalry there was seeing who could blow the biggest bubble, and what fun there was for all who looked on.

The only drawback there was, was the muss it used to make, but all that is done away with now through the use of the Bubbler, a novelty for making bubbles without soapsuds. Dip the bubbler in rain water and blow is all that is necessary to produce big beautiful bubbles.

## These Patent Tension Steel Shears FREE To Argus Subscribers FREE

The Latest and Most Useful Household Invention.

The cutting edge on these shears is indestructible, and will never wear dull. They will cut anything and everything from Wet Tissue Paper to a Heavy Horse Blanket.

Note the Tension Spring. It does away with re-sharpening entirely. Illustration Shows Exact Size. 8 in. Leng.

### EIGHT-INCH PATENT TENSION SPRING SHEARS.

The Shears being distributed by the ARGUS are manufactured of the very highest grade steel, perfectly tempered and heavily nickel plated on a highly polished surface. The patent tension spring takes up all the wear on the rivet, so that the cutting edges will never wear dull. A simple turn of the little thumb screw will adjust the blades to cut anything from the thinnest and most delicate fabric to the heaviest material. Every woman who has had the experience of attempting to cut with a dull pair of shears will appreciate this new invention.

READ THIS GUARANTEE—We guarantee the quality of the material and the workmanship in these Shears to be first-class in every respect. That the tension spring doubles the usefulness of the shears, and does away with the necessity of re-sharpening. A printed guarantee certificate accompanies every pair, and contains the following: "If this pair of shears breaks or becomes defective in any way within five years from the date delivered it will be replaced with a new pair free."

### How to Get a Pair of These Shears:

To every person who subscribes to the Daily Argus for three months or the Semi-Weekly Argus for one year, cash with subscription, a pair of these Shears, that retail at all hardware stores at \$1.00, will be given ABSOLUTELY FREE. To every old subscriber who renews his subscription the same offer will be made.
