## TRAGEDY OF THE BASEBALL GAME

As Told by a Veteran of the Diamond.

## FALLS ON FIELD OF BATTLE

Sweet-Faced Old Woman Still Wonders In What Battle He Met With His Great Downfall.

"And how did you come to this forlorn condition?" inquired the sweet-faced old lady as she set down another chicken sandwich and a glass of milk on the porch rail. "You do not look like an ordinary tramp."  
 His breast heaved with emotion. "Madame," he declared, ravenously attacking the sandwich, "I am not a common hobo. I am a man with a past. I was a lion. Alas! In brief moment all my honors vanished and I became a broken-hearted has-been. Think what I once was and then look at me now."  
 "Tell me about it. Maybe I can help you to regain what you have lost," she suggested, kindly.  
 "No, madame," he said hopelessly. "It is too late. But I don't mind telling you about it, although it is a bitter tale. I was Centre Gardner for the old Red Legs, Ma'am, in the days when Pop Anson and Brothers and all of those old heroes were in their prime. I used to renech up into the clouds and pull out the high ones with one hand, and often I picked 'em off the top board of the fence with two fingers and a thumb, and the roar that went up from the bleachers sounded like a fat man falling down a coal hole."

## ANNOINTING WITH OIL CURE FOR DISEASES

**Bishop Fallows Says Ministers Will Soon Be Given Authority to Do So.**  
 Chicago, June 9.—"In about three years, perhaps, the ministers will be given authority and orders to anoint with oil. This prediction was made by Bishop Fallows in a talk which he made before the Methodist ministers of this city on "Health and Happiness."  
 "It is true that some ministers would not be as efficient as others," the bishop said, "but we see this difference in skill in the men who follow the arts and professions. The time is coming, however, when you will graduate no more young men in the principles of psychotherapy and when no physician will be graduated until he has been thoroughly grounded in the study of the soul and of applied psychology."  
 "Give God the glory of these cures. It is true that a cure might be due in part to medicine and in part to prayers. The cures which have been effected by anointing with oil have been marvelous."

## INSTANT RELIEF FROM CATARRH

Why don't you get rid of that nasty, irritating disease, catarrh?  
 You can do it if you really want to. But you can't cure catarrh in a few days, that's an utter impossibility, because there is no remedy known that will kill the catarrh germs in that short time.  
 But you can cure catarrh if you will have a little patience and breathe in Hyomel (pronounced High-o-me) three times a day.  
 Hyomel cures catarrh by killing the germs and it kills the germs because it gets where the germs are.  
 Hyomel is a powerful antiseptic and germ killer; it is made from the fluid extracted from the eucalyptus trees of inland Australia where catarrh has never existed.  
 It gives relief instantly, stops hacking in a few days and is guaranteed to cure catarrh, asthma, croup and bronchitis or money back. A complete outfit, including inhaler, costs \$1.00, and extra bottles of Hyomel if afterward needed, cost but 50 cents. Sold by leading druggists everywhere.  
 "Hyomel certainly saved my life and I accord it the credit which it deserves and merits. There is nothing too strong for me to say regarding Hyomel."—Mrs. Ada Hopkins, 8 Cutter Ave., Coldwater, Mich., August 22, 1908.

**MI-ONA Cures Indigestion**  
 It relieves stomach misery, sour stomach, belching, and cures all stomach disease or money back. Large box of tablets 50 cents. Druggists in all towns.

## HIS GOLDEN JUBILEE

**Bishop Grafton Rounds Fifty Years in the Priesthood.**  
 Fond du Lac, Wis., June 9.—In the presence of the largest and most notable congregation that ever crowded the cathedral in this city and the greatest gathering of dignitaries of the Episcopal Church that ever assembled here, the celebration of the sacerdotal jubilee of the Rt. Rev. Charles C. Grafton, Bishop of Fond du Lac, began today in connection with the annual council of the diocese. The council organized at nine o'clock this morning and then adjourned for the solemn pontifical mass.  
 The mass was celebrated by Bishop Grafton himself, assisted by Bishop Weller, his coadjutor bishop, and Bishop Webb, of Milwaukee. The sermon was preached by Bishop White, of Michigan City, Ind. Bishops Anderson, of Chicago; Williams, of Marquette, and a number of other prelates were in attendance. Tomorrow the jubilee will be continued with a garden party in the afternoon, followed by the presentation of a Greek play by the students of Grafton Hall.  
 The celebration marks the twentieth anniversary of Bishop Grafton's consecration as head of the Fond du Lac diocese, as well as the fiftieth anniversary of his ordination to the priesthood. The bishop has had an absorbingly interesting career. Born in Boston in 1836, he studied at Harvard University and after a theological course was ordained a priest in 1850.  
 In 1864 he went to London and began studying at Oxford. Soon afterward he conceived the idea of a brotherhood of churchmen which should bring its disciples into living more devoted Christian lives. The brotherhood was formed and named the Missionary Priests of St. John the Evangelist. As the first house of the order was established at Cowley, Oxford, the members of the society were called the Cowley Brothers. The priests entering the brotherhood had to pass a novitiate, and, after demonstrating their fitness and their devotion, were finally admitted to full brotherhood after taking the vows of poverty, chastity, and obedience. The order grew rapidly, and was established in London and in many other places throughout England. Today the brotherhood is much the same as it was established.  
 Bishop Grafton himself is no longer a member of the Cowley Brothers. He was forced to resign from the brotherhood when accepting his appointment as Bishop of Fond du Lac, for the reason that the Cowley Brothers recognize their father superior as their supreme temporal head, which, of course, would prevent one of the brotherhood from exercising the offices of a bishop or priest in the regular church body.  
 Bishop Grafton is one of the few Episcopal clergymen in America who wear the clerical garb as it is worn by the churchmen in England. Under his long black coat and over his vest he always wears a long silk cloth that reaches to the knees, and he wears tight knee breeches and high silk leggings, fastened down the side by rows of black buttons.

## GIVE THEM NOW

**Don't Save the Bouquets Until After Death.**  
 Too often it is the case that the things which come our way in this life are bricks, while all the bouquets are saved until we are safely tucked away beneath the sod. Walt Mason, a writer for the New York Globe, seems to have the matter correctly figured out when he says:  
 "When I cash in, and this poor race is run, my chores performed and all my errands done, I know that folks who mock my efforts here will wearily bend over my bier, and bring large garlands, worth three bucks a throw, and paw the ground in ecstasy of woe. And friends will wear crepe bow-ties on their ties, while I look down (or up) a million miles, and wonder how smooth I was until my spirit flew.  
 "When I cash in I will not care a yen for all the praise that's heaped upon me then; serene and silent, in my handsome box, I shall not heed the laudatory talks, and all the pomp and all the vain display will just be pomp and feathers thrown away.  
 "So tell me now, while I am on the earth, your estimate of my surprising worth; Oh, tell me what a looloo-bird I am, and fill me full of taffy and your jam!"

## As a Mark of Respect.

Owing to the funeral of the late treasurer, Mr. D. I. Carson, of the Southern Bell Telephone Company in Atlanta tomorrow afternoon, the business office of the company in this city will be closed from 4:30 to 5:30 o'clock, as a mark of respect to his memory.

## JUNE

**The Month of Long Bright Days, of Blooming Flowers and Blushing Brides.**  
 June is the queen month of the year, and if you were born during this sweet fragrant period of the summer, June promises you much.  
 The name June comes from Junius, which is supposed by some to be derived from Juno and by others from Juniores. Originally it had but 26 days and was the fourth month with the Romans. Romulus added four days to it, the Emperor Numa took one away, but it was finally restored by Julius Caesar.  
 Cancer is the zodiacal sign for June, meaning the crab, into which the sun moves after the twenty-fifth, up to that date it being in the sign Gemini, meaning the Twins.  
 A strong love of nature, emotional and sympathetic, intensely affectionate and a special aptitude for domestic life are the characteristics supposed to be associated with this month.  
 The June birthstone is the agate, which signifies health, wealth and long life. The lines are these:  
 Who comes with summer to this earth And owes to June her hour of birth, With ring of agate on her hand, Can health, wealth and long life command.

## The Honeysuckle is the June flower,

which means devoted love. The coral variety signifies fidelity.  
 There are supposed to be four unlucky wedding days in the month of June. These are the fourth, eighth, tenth, and twenty-second. The lucky wedding days are the first, third, ninth, tenth and the twenty-first.  
 June being the favorite month for marriages, the lucky days are easily found, while the few that are unlucky may be avoided.  
 The marriage verse is this:  
 Married in the month when roses bloom,  
 Life will be one long sweet tune.  
 A quaint old proverb of June weather is:  
 Calm weather in June Sets corn in tune.

## DEATH OF MR. W. T. WHITFIELD

**Was the Oldest Living Odd Fellow in the United States.**  
 Mr. W. T. Whitfield, for more than forty years agent of the Southern Express Company at Weldon, died in Richmond Friday night aged ninety-one years.  
 Mr. Whitfield came to Weldon when it was known as "Weldon's orchard." He was the oldest living Odd Fellow in the United States, and was born on the day that Odd Fellowship was first introduced in the United States. He was a charter member of Weldon Lodge No. 1, and after that lodge went down some years ago he remained his membership to Portsmouth, Va., where he held it up to the time of his death. He was a postmaster Mason and stood high in the order. Several children and grandchildren survive him.

## DANDRUFF

**Cured in Two Weeks or Money Back.**  
 In fact J. H. Hill & Son, the druggists, have a wonderfully efficient hair restorer called Parisian Sage which costs only 50 cents a bottle that is guaranteed to cure dandruff in two weeks or money back.  
 Parisian Sage is the discovery of one of the world's greatest scientists, who knowing the value of sage as a scalp cleaner and hair restorer, combined it with other ingredients in proper proportions, and the result is the most wonderful hair tonic in the world.  
 Parisian Sage is a most pleasant, daintily perfumed hair dressing, and besides curing dandruff, your druggist will return your money if it fails to stop falling hair or itching of the scalp.  
 It will make hair grow, and women who desire soft, beautiful and luxuriant hair can have it in two weeks by using this famous, quick acting preparation. J. H. Hill & Son sell it under a guarantee.  
 Don't let any druggist tell you he has something just as good as Parisian Sage because there isn't any hair restorer so good. The girl with the Auburn hair is on every package, and you get a much larger bottle of Parisian Sage for your 50 cents than you get of the ordinary.  
 "I have used various hair tonics and can say that Parisian Sage gave the hair a good, healthy, silky appearance, rid the head of dandruff, and keeps the scalp cool and clean. I recommend Parisian Sage as being fine for the hair and far ahead of any other tonic I ever used." Miss Emma Foes, 520 Adams street, Owosso, Mich., December 9, 1908.

## MERRY AND GAY LIFE AT WRIGHTSVILLE BEACH

**Season's Outlook Promises Unusually Large Gathering at This Famous Resort.**  
 The formal opening of the Seashore Hotel on June 1, of Lumina, the handsomely equipped pavilion of the Tide Water Power Company, of the Tarrymore Hotel, which will occur on Thursday, and of the many delightful boarding houses indicate the fact that possibly the largest season in the history of Wrightsville Beach is now upon us. The hotels have enjoyed a large patronage in the past, and it has frequently been the case that every available cot on Wrightsville Beach has been put in service for the accommodation of the enormous number of annual visitors at this popular lake beach, and in view of this, many additional rooms have been thrown open to the use of the large number of guests anticipated.  
 Already the merry whirl of pleasure has begun. The Banks Channel has been the scene of a number of close and exciting yacht races, in addition to which one may find hundreds of bathers in the surf each afternoon. "Lumina" now has a ball room 150 feet in length, with a veranda containing 25,000 square feet of available space. The ten-piece orchestra has fulfilled the fondest expectations of the most sanguine, and the enormous sounding board in which this orchestra is placed, magnifies and re-echoes the sweet strains of delightful music to such an extent that each note may be heard in the furthest part of this enormous pavilion. Numbers of special dances have already been given, and the Tide Water Power Company has many more on tapis for the approaching season. The Dance of All Nations on June 15 will be particularly attractive. The spacious ball room will be decorated with the flags of many nations. The national air of each country will be played. As the first note is struck, a huge flag will automatically unfurl itself from the ceiling, when will follow a waltz and two-step of each respective country. The plans for this particular dance are exceedingly elaborate and beautiful in their conception.  
 MEARES HARRISS.

## Saint John's Day Celebration.

The celebration of Saint John's Day on the grounds of the Oxford Orphanage, Thursday, June 24, 1909, promises to be an occasion of great interest.  
 An especially favorable opportunity is given our people to visit and obtain a beautiful, heart-warming view of this worthy and efficient institution, in which more than three hundred and twenty-five of the dependent, homeless children of North Carolina are receiving a care and training which should count mightily in their preparation for lives of usefulness.  
 Since 1872, when this institution, the first of its kind in the State, was established over twenty-five hundred girls and boys have come under its care.  
 The orphanage work appeals strongly to the benevolent citizens of North Carolina.  
 Those who attend the celebration on the twenty-fourth will, no doubt, spend a delightful day. The children will take part in the exercises which, weather permitting, will be held out in the great oak grove.  
 The Grand Lodge of Masons of North Carolina will convene near the noon hour in special session in the hall over the dining rooms. Grand Master S. M. Gattis will preside. After a brief meeting, according to plan, the Grand Lodge will come from the hall to the platform in the grove.  
 At the celebration the address of welcome will be delivered by Mr. Dennis G. Brummitt, mayor of Oxford.  
 Grand Master Gattis has appointed Col. F. P. Hobgood, of Greensboro, to deliver the oration. The exercises will be interspersed with the sweet singing of the children.  
 Many will, doubtless, bring baskets and enjoy their dinner out in the grove, when the exercises close. Barbicue, sandwiches, fruits, confectioneries, ice cream, lemonade, etc., will be for sale from stands on the grounds.  
 An abundance of pure ice water will be provided.  
 In the afternoon, not far from three o'clock, a concert will be given by the children of the Orphanage from the large platform in the grove.  
 The Seaboard Air Line is planning to operate excursions from Raleigh, Durham, Weldon and Henderson for the occasion. The Southern Railway will grant attractive special rates and will put extra equipment on its trains touching points to which Oxford is accessible for a day's trip.  
 Attend the celebration Thursday, June 24. You will likely enjoy the day very much and be benefited by it. You will again be giving encouragement to a noble work.

## PYTHIANS AT HENDERSONVILLE.

**Grand Lodge Met Last Night—Parade of Uniform Rank Today.**  
 Hendersonville, N. C., June 8.—The Knights of Pythias are crowding into this town for the thirty-ninth annual convention of the grand lodge, which promises to be the most largely attended of any in the history of North Carolina Pythianism.  
 The grand lodge organizes tonight, and on Wednesday will be determined the location of the orphanage. On Wednesday also will occur the parade of the Uniform Rank and the D. O. K. K. The First Regiment Band, of Nashville, will be present.

## GIANTS SHUT OUT THE TOBACCONISTS

We Play Fayetteville Here Tomorrow For First Time.

## A SNAPPY GAME EXPECTED

**Small Attendance in Wilson Yesterday; Rooters Must Have Slight Defeat; They Cannot Stand Adversity.**  
 Yesterday, at Wilson, Goldsboro's Giants defeated the "Tobacconists" of that town by a score of 1 to 0, with Otis doing the pitching for our side and Fulton behind the bat; and yet with such an exhibition going on the report says that there were only 300 spectators out to foster the fine sport and encourage the players, which constrains us to ask what's the matter with Wilson?  
 Even if they anticipated defeat—which is not unusual at the hands of our Giants—they should turn out and take it like true "fans." It's all in a lifetime! Goldsboro always gives Wilson a full grandstand when that fine club plays here, and with reason, therefore, we expect like patronage from them.
