These Patent Tension Steel Shears

FREE To Argus FREE

Subscribers

The Latest and Most Useful Household Invention.

The cutting edge on these shears is indestructible, and will never wear dull. They will cut anything and everything from Wet Tissue Paper to a Heavy Horse Blanket.

Note the Tension Spring. It does away with re-sharpening Entirely. Illustration Shows Exact Size. 8 in. Long.

EIGHT-INCH PATENT TENSION SPRING SHEARS.

The Shears being distributed by the ARGUS are manufactured of the very highest grade steel, perfectly tempered and heavily nickel plated on a highly polished surface. The patent tension spring takes up all the wear on the rivet, so that the cutting edges will never wear dull. A simple turn of the little thumb screw will adjust the blades to cut anything from the thinnest and most delicate fabric to the heaviest material. Every woman who has had the experience and trying experience of attempting to cut with a dull pair of shears will appreciate this new invention.

READ THIS GUARANTEE—We guarantee the quality of the material and the workmanship in these Shears to be first-class in every respect. That the tension spring doubles the usefulness of the shears, and does away with the necessity of re-sharpening. A printed guarantee certificate accompanies every pair, and contains the following: "If this pair of shears breaks or becomes defective in any way within five years from the date delivered it will be replaced with a new pair free."

How to Get a Pair of These Shears:

To every person who subscribes to the Daily Argus for three months or the Semi-Weekly Argus for one year, cash with subscription, a pair of these Shears, that retail at all hardware stores at \$1.00, will be given **ABSOLUTELY FREE**. To every old subscriber who renews his subscription the same offer will be made.

The Daily Argus, \$1.25 for 3 Months.
 The Semi-Weekly Argus, \$1 for a Year.

We Clean Men's Clothing

—and do it so well that our work is a revelation to men who have never tried it.
 We clean your suits so they are as fresh and neat as when new.
 We press them as nicely as could the most skilled tailor.
 Don't mistake our process for the ordinary "sponging and pressing" process—there's no comparison between the two.
 Your clothes are as good as new in every respect, except for wear of course, when we return them to you.
