OTIS IN THE BOX.

"Handsome Harry" Held the Fort in Fine Style.

Struck Out the Red Birds at Randon and Allowed Only Three Hits in Fifteen Innings, and Goldsboro Won the Game.

This has been Goldsboro's week so far in ball with Raleigh, and we have Irwin, rf. 1 0 0 the Red Birds still with us, on our Crozier, cf. 4 0 0 own diamond for the balance of the week, and we hope to pick them as Hoffman, If. 6 0 1 4 clean as we did before.

It was to have been a double-header in Raleigh yesterday, but the first game-fifteen innings-was so longdrawn-out, that the second game was gone into under protest by our manager-that wise old guy, "Grandpap," and only got as far as the sixth inning when darkness stopped the play

Booles, who won the famous seven teen-inning game at Fayetteville, was on the firing line for the locals and too much cannot be said for the class of balls he shot to the batter.

The first single off Booles came in the third, when Smith cracked it to left and the next came with Sharpe's Texas leaguer in the tenth and the final came in the fifteenth as Steinback, the first man up, singled over short, which proved to be the only one that was damaging, for Steinback on a passed ball and a wild pitch afterward came home, There were three errors only charged to each team, two of Raleigh's coming in the fifteenth and helped to lose the game Seven Giants struck out and among the number were the heavy hitting Doak and Gettig twice.

Four men went to first, being hit by Booles' pitched ball; however, they didn't do any damage. Gettig succeeded in being hit twice, but did not get a hit.

Otis for Goldsboro pitched a grand game, and the first hit he yielded came in the ninth, when Haas singled a stinging one to left; another was added in the tenth on Hoffman's nice hit down the line over third base and the last one was a beautiful bunt by Rowe, which he easily outrun.

A wonderful strike-out game was put into use by Otis, for he fanned fifteen Red Birds and some of them thing or two before you're many days were the hard hitters. Of the fifteen that were fooled Hart and Hoffman bit three different times, Booles four, Wright once.

This hit of Crockett's was remarkable, for Irwin in right field, fielded It so quickly that Crockett was surprised to find he had been thrown out at first. If there had only been two out instead of one the run, of course, would not have been scored. Notwithstanding that Goldsboro had the game won, hope was raised to shouting in Raleigh's fifteenth, for, with dred at that time. one out. Brumfield was safe on error by Otis. However, it was short-lived, for Hoover flew out to Stubbe and
