Kansas is concerned that the country needs, not more statesmen, but more harvest hands.

The honor roll of stiff-necked standpatters was exhausted when the conference committee was made up.

The railroads have temporarily chloroformed the waterways, but the latter will yet get their second wind.

Miss Tarbell is expected to open fire soon on Rockefeller butter. She is getting her rapid-fire typewriter in position.

The high-grade hotel of the future in New York is expected to have its own ocean liner and an aeroplane roof nella Ba When trust boodlers are detected in

Japan they commit suicide; here they send for the boss politician who sees the judge.

When airships are built that will

not upset there will be small excitement or glory in flying. Now is the time to fly. John Hays Hammond is to be Presi-

dent Taft's understudy in making carend speeches on his long journey across the continent.

If Johndee is to live to be 100 years old, as his physician predicts for a fee, Ida Tarbell has thirty years of steady work before her.

That Californian holds the marriage Marathon record beyond the shadow of a doubt. No one else this side of Abdul Hamid has a chance in the race.

Meme Wallace, the Eskimo lad, became very homesick in New York and he goes back home determined never to stop until he reaches the north pole. Bravo, Meme!

President Elfot's assumption that everybody has read the Bible from "klver to kiver" is as exaggerated as the report of Mark Twain's death. In Chicago a reward might not unearth such a reader.

The advanced standpatters are ruling everything in conference to the benefit of special interests, and they would throw out the corporation tax if they were not afraid of the President. It is an unconscionable lot.

Notes of Interest to Our Readers.

To prove that "BLOODINE" will cure Catarrh every reader of this paper can have a positive guarantee. If there is any doubt in your mind as to the power of "BLOODINE" to cure all Catarrhal Troubles the remarkable offer made by the Imperial Pharmacy should expel that doubt. They give you a personal guarantee with every 50c bottle of "BLOODINE" they sell, to refund the money unless it gives satisfaction. They take all the risk of cure, and no reader of this paper can afford to suffer longer with Catarrh when an offer like this is made.
