

# JULY CLEARANCE SALE!

For One week, beginning Monday, July 26th and Ending Saturday, July 31st.

**The Most Radical and Decisive Price-Reductions In Years Gone By and for Years to Come Now Prevail Throughout this Store.**

July 31st marks the end of our half-year---the time when our stocks are counted and our books are closed. In the week intervening our entire energy will be devoted to ridding our stocks of all merchandise which, for one reason or other, we do not wish to carry over. These are the conditions which, twice a year, result in our Clearance Sale, an event which every thrifty, far-seeing person should unfailingly attend. This page tells of only part of the Clearance Bargains. Many others, not advertised, will be on sale, and these will be added to from day to day, as they come to light in the general overhauling of stocks. If you have needs to supply, this occasion opens wide the door of opportunity and prices so unusually low may never again be advertised. Be sure to look around for bargains "not advertised,"---however, they are small lots and are often the greatest bargains in the store.
