LOCAL BRIEFS.

Items of Interest in and Around the City.

—About time to begin to get the school books together.

—Now the question is what is going to follow our flag to the pole.

—The two weeks term of Wayne Superior Court ended today, by limitation.

—The close of the mosquito season is near at hand, as early frost is predicted.

—The news from the bedside of Col. I. F. Dortch today is that he has again rallied, and is somewhat stronger.

—Next Monday—the first Monday in September—is Labor Day, which has come to be observed as a national holiday.

—Miss Pearl Creech, the milliner, accompanied by her assistant, Miss Mary Lane, left today at noon for the Northern markets to order fall goods.

—On account of Labor Day Monday, which is a national holiday, the post-office will observe the usual Sunday hours. The city carriers will make one delivery and one collection in the morning.

—Mr. Leon B. Humphrey, his hosts of friends will regret to know, is confined to his bed at the home of his mother, Mrs. M. O. Humphrey, in this city, with fever. We all wish him a speedy recovery.

—Mrs. L. H. Castex left last night for the Northern centres of fashion, and will be joined by their milliner Miss Myers, and together they will select a full fall stock for the firm's popular and long established store in this city.

—Mr. Dock Thompson, a very popular young gentleman of this city, and an experienced salesman of wide acquaintance with the trade, has taken a position in the large and long established furniture store of Messrs. Royall & Borden.

—It is with exceeding regret, that will be shared by our entire community, that we chronicle the critical illness of Miss Ethel Ormond, at the home of her parents, Mr. and Mrs. I. F. Ormond, in this city, and it is the sincere wish of all that she may be vouchsafed a safe recovery.

—On Monday night next, September 6, Mr. Loren C. Bass will open the tenth annual session of his night school, at his residence on South John street. Mr. Bass has been unusually successful with his enterprise, the best evidence of which is that it is now entering upon its tenth year.

Very Bad Cough. Pe-ru-na Stopped It.

DAUGHTER OF MRS. J. M. BROWN.
Mrs. J. M. Brown, Dunnegan, Mo., writes: "My little daughter, three years old, was troubled with a very bad cough which remained after an attack of scarlatina fever, which was a great deal worse at night."

"She would wake up out of her sleep and cough until I feared she could not stand it."

"Nothing that we gave her seemed to do her any good. I then concluded to send for Dr. Hartman's book entitled 'The Use of Life,' which I promptly received."

"At the same time commenced giving her Peruna. She has taken one bottle in all, through which she has obtained a complete cure."

"Ever since her birth was troubled with indigestion, but since she has taken Peruna she can eat almost any kind of food without any bad results. She is now as well and happy as any little girl can be. When our friends say how well she looks, I tell them Peruna did it."

"I shall always be a friend of Peruna, as I consider it the best medicine for coughs and indigestion we have ever tried, and will recommend it to any one similarly afflicted."

MRS. LYDIA J. SPOONER, Santa Monica, Cal., writes that they are never without Peruna in the home, that they find it the finest family remedy they have ever used.
