BUSINESS DIRECTORY.

Mr. A. O. Clement Will Place a Novel One in the Hotel Kennon.

Editor Argus: Please state in your paper that the photographic directory on which I am working is progressing satisfactorily, and that I am meeting with success in getting the business men interested and that those whom I have not seen yet may look for a call from me within a day or two. Other business and the number to be seen has prevented my getting around to see all before this date.

As you have already stated, I have made arrangements to place in the Hotel Kennon a Photographic Register of the leading business and professional men of Goldsboro, the same to consist of a cabinet bust portrait of each man, with name and line of business (or profession) under each photograph.

The photographs are to be arranged on a large mat and framed under glass.

I have already secured the support of enough to assure the success of the plan, and will call on you within a few days to make an engagement for a sitting.

I will make no charge for the photograph to go in the Register, as it will be a standing advertisement of my work, and I am willing to bear the expense for what the advertisement will be worth to me.

The advantage to those whose pictures will appear in the Register will be readily apparent to the majority of those to whom I am addressing this letter.

A Photographic Register is a hundred times more valuable than a printed directory, and it will require only a small portion of your time to secure its advantages to you.

Think it over, Mr. Business and Professional Man, and be ready to give me an appointment when I call.

Yours very truly,

A. O. CLEMENT.

WAYNE COUNTY TEACHERS.

Interesting Meeting Will Be Held in This City Next Friday.

The first meeting of the Wayne County Teachers' Association for this year will be held at the Court House in Goldsboro next Friday, Oct. 29. Mr. J. A. Bivins, State Superintendent of Teacher Training, by invitation of the county superintendent, will be present and address the association on the subject of "Home Study for Teachers."

SHOULD LOOK AHEAD.

Under the above heading the Greenville Reflector commenting editorially in its Saturday edition upon the perturbation of some of our business men over the aforesaid city ordinance requiring stationary awnings and overhanging signs to go, says:

"The business men of Goldsboro are much exercised over an ordinance passed by the aldermen requiring the removal of overhead signs and awning posts from the sidewalks, and are endeavoring to have the ordinance repealed. The business men are making a mistake in that particular, that is if they would like for the looks of the principal streets of the city to be improved. If such obstructions as overhead signs and awning posts are removed; after observing the improved appearance for a time they would never want to go back to previous conditions. That was the experience Greenville had. There was a stir here for a time over the removal of sidewalk obstructions, but they were removed, and the business street looks so much better that now an expression is never heard in favor of putting the obstructions back."

Hallowe'en Party.

The ladies of St. Stephen's Guild will give a Hallowe'en party on Friday evening at the parish house, to which the following invitation to the children has been issued:

"The time of year is close at hand, Now this is surely so, When owls hoot and goblins scoot, And witches come and go; And elves and 'hants' and spooks and things Are trailing 'round, you know; So please come over to the Parish House Bount eight o'clock at night, On Friday when things are seen, 'Cause if you don't, I might Be all alone with those queer things, And have a dreadful fright."

Admission, 10 cents.

S.S.S. THE REMEDY FOR SORES AND ULCERS

There is but one way to cure an old sore or chronic ulcer, and that is to remove the cause that produces and keeps it open. No matter where located, any sore that remains until it becomes chronic does so because of impure blood; the circulation constantly discharges its polluted matter into the place and it is impossible for nature to heal the sore. S.S.S. heals sores and ulcers by purifying the blood. It removes every trace of taint or impurity from the circulation, and thus completely does away with the cause. No local application reaches below the infected flesh at the spot, and for this reason can have no curative effect on a sore or ulcer; while such treatment is being used alone, the germs and impurities are constantly increasing in the blood and the sore is bound to grow worse. When S.S.S. has cleansed the blood and enriched and purified the circulation the place begins to take on a more healthy appearance, the different symptoms show improvement, the flesh around the ulcer gets firm, new skin and tissues are formed, and aided by pure, rich blood, nature provides a perfect and lasting cure. Under the tonic and blood-purifying effects of S.S.S., the system is built up, and those whose health has been impaired by the drain and worry of an old sore will be greatly benefited by its use.
