ANOTHER TURN IN THE FIGHT.

Brady Charged with Being a Democrat—Mr. Linnell Left for Washington Yesterday to Swear to that Fact.

The latest charge against Mr. A. Brady, one of the aspirants for the Charlotte postoffice, is that he is a Democrat. That will be news to our people, but a man has gone to Washington City to swear to that fact. This charge was made against Mr. Brady in a letter written to Washington from Charlotte some weeks ago. The letter was written by Mr. P. E. Linnell, who was a Republican judge of election for Ward 4. In this letter Mr. Linnell set forth that Mr. Brady voted at the boxes in Ward 4, at the late election; that he (Linnell) took Mr. Brady's tickets and distributed them in the proper boxes; that Mr. Brady voted for the Republican National ticket, but that he voted the State Democratic ticket. Mr. Linnell offered to make affidavit to this fact. This letter was lithographed, and was shown to the Congressmen, to the President and to the officials in the Postoffice Department, and was used against Mr. Brady for all it was worth. It was not mailed to Washington, but was carried there by an interested party and handled with as much care as if it had been a package of gold.

It is understood that certain statements made in the letter were challenged, and Mr. Linnell is now in Washington City to back up his word with his oath. He will make affidavit that the contents of the letter are entirely true.

Mr. Linnell left for Washington yesterday afternoon, his sole and only mission being to make affidavit to the truthfulness of his written statements. He is working in the interests of Mr. Chas. Eddins. The fight, as stated yesterday, appears to have narrowed down to a struggle between Brady and Eddins. Brady was chief clerk in the office during a portion of the term of Mr. W. W. Jenkins.

Arranging for the Municipal Contest.

The City Democratic Executive Committee met last night and proceeded to arrange for the coming municipal contest. Mr. W. W. Phifer was chairman of the meeting and Mr. E. K. P. Osborne was secretary. It was arranged that the ward meetings for the nomination of a candidate for mayor be held on April 15th, from 5 to 8 o'clock p. m. At the close of the balloting at 8 p. m., a mass meeting of the voters of each ward is to be held to nominate aldermen and to appoint delegates to represent the different wards at a convention to be held in the courthouse at 8 o'clock on April 16th. The result of the primary balloting for mayor in each ward shall be reported to this convention by the delegations from the respective wards, and the nomination of mayor shall be made and declared in accordance with the Democratic plan of making county nominations. The basis of representation in this convention shall be one vote for every 25 Democratic votes cast for Governor in each ward at the last State election. The places for holding the primary meetings in the several wards shall be determined by the respective ward committees, of which notice will be given.

Mr. John Vanlandingham was elected committeeman from Ward 2, in place of Mr. B. R. Smith, who has removed from the city; Mr. H. C. Irwin, Ward 3, in place of Capt. J. Roessler, moved to Ward 2, and Mr. D. P. Hutchison for Ward 4, in place of Mr. J. S. Spencer, moved to Ward 1.

Dr. Pritchard's Lectures.

There was very large audience at the Tryon street Baptist church last night to hear the lecture by Rev. Dr. Pritchard, on Naples, Yonvrias and Pompeii. That it was an interesting lecture goes without saying. It was instructive, entertaining and more edifying than a volume of historical descriptive work. His talk was enjoyed to the highest degree by the large audience and so close many compliments were passed upon it.
