Afflicted with Sore Eyes for 33 Years.
I have been afflicted with sore eyes for thirty-three years. Thirteen years ago I became totally blind and was blind for six years. My eyes were badly inflamed. One of my neighbors insisted upon my trying Chamberlain's Salve and gave me half a box of it. To my surprise it healed my eyes and my sight came back to me.—P. C. Earls, Cythiana, Ky. How to Cure a Cold.
The question of how to cure a cold without unnecessary loss of time is one in which we are all more or less interested, for the quicker a cold is gotten rid of the less the danger of pneumonia and other serious diseases. Mr. B. W. L. Hall, of Waverly, Va., has used Chamberlain's Cough Remedy for years and says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by J. E. Shell, Dr. Kent and Granite Falls Drug Co.

A Visit After Many Years.

Mr. H. I. Gorham, of Vermont, went over to Boone last week and took a look over the village and surrounding country as a matter of curiosity.

He was a soldier in the Federal Army, under Gen. Grant, and was captured by Gen. Mahom in Virginia, on June 6th, 1863.

On the 22 of June, as he was being conveyed to Andersonville, S.C. confined in a box car he and another man broke out of the car near Greensboro. They made their way through the country to Cook's Gap, where they stopped for some time with Mr. Cook, sleeping in his apple house.

Later the home-guard came in the vicinity looking for bushwhackers and they attempted to escape the country, but the home-guard captured them and placed them in Boone jail. They remained in Boone jail for some time and while there created quite a sensation, as they had on blue uniforms and were perhaps the first Yankees ever seen in these parts. They were afterwards taken to Andersonville as prisoners of war.

Mr. Gorham finds many changes in the country and met only a few people that he had seen while in this part of the country 45 years ago.

Save Anyway.
Here is a simple home-made mixture as given by an eminent authority on Kidney diseases, who makes the statement in a New York daily newspaper, that it will relieve almost any case of Kidney trouble if taken before the stage of Bright's disease. He states that such symptoms as lame back, pain in the side, frequent desire to urinate, especially at night, painful and discolored urination, are readily overcome. Here is the receipt, try it:
Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.
A well known druggist here in town is authority that these ingredients are all harmless and easily mixed at home by shaking well in a bottle. This mixture has a peculiar healing and soothing effect upon the entire Kidney and Urinary structure, and often overcomes the worst forms of Rheumatism in just a little while. This mixture is said to remove all blood disorders and cure the Rheumatism by forcing the Kidneys to filter and strain from the blood and system all uric acid and foul, decomposed waste matter, which cause these afflictions. Try it if you aren't well. Save the prescriptions.
