

In Memoriam.

Died at Indianola, Ind. Ter., Feb. 20th, 1908, Mrs. Celia Thompson, wife of Mathew Thompson. Mrs. Thompson, whose maiden name was Smith, a sister of Messrs A. J. and M. D. Smith, of this County. She was first married to John McCrary, who lost his life in the terrible war of the sixties. Afterwards she married Mathew Thompson, brother of M. E. Thompson, of this County, and in about the year 1885 they moved to Texas, afterwards to Indian Territory where she spent her declining years, being 75 years, 8 months and 20 days old at the time of her death. She was all that it takes to make up a gentle christian woman and was much loved by a host of relatives and friends here in Caldwell, who will be pained to hear of her death. She was a consistent member of Lower Creek Baptist church from 1859 until she moved to Texas, when she carried with her a letter of dismission in 1885. She was truly a mother in Israel. J. R. SWANSON.

Republican Convention.

The Republicans of Caldwell County are hereby called to meet in Convention at the Court House in Lenoir on Saturday April, 11, 1908, for the purpose of electing Delegates to the Senatorial, Congressional and State Conventions. The Township Primaries will be held at their Voting Precincts on April 4th, 1908, at 2 o'clock in the afternoon to elect Delegates to the County Convention. Township Chairmen will see that their Precincts are properly represented in the County Convention. M. N. HARSHAW, County Chairman. This March 11th, 1908.

Republican Convention.

By virtue of my office as Chairman of the Republican Executive Committee of the Eighth Congressional District of North Carolina, and, in addition having ascertained the wishes of the Executive Committee, I hereby call a convention of the Republican party for the Eighth (N. C.) Congressional District to be held in the town of Taylorsville, N. C., on the 22nd day of April, 1908, at 2 o'clock, p. m.

The purpose of this convention is to nominate a candidate for Congress, to select two delegates and two alternates to the National Convention at Chicago, to elect a Presidential Elector, to reorganize the District organization, and for the transaction of such other business as may properly come before the convention.

The Chairmen of the various county organizations of the district are requested to take due notice of this call and to hold their conventions strictly in accordance with the plan of organization so that their counties may be properly represented in the Congressional Convention.

This the 10th day of March, 1908. Chas. H. Cowles, Chairman. Republican Ex. Com., 8th (N. C.) Cong. Dist.

Not a paper in Kentucky turned its column rules to denote inexpressible and unconsolable grief over the abrupt departure of Judge Hargis. The press of the country has borne this providential dispensation as if a blighting frost had fallen in a yellow fever district.

Easy to Mix.

What will appear very interesting to many people here is the article taken from a New York daily paper, giving a simple prescription, as formulated by a noted authority, who claims that he has found a positive remedy to cure almost any case of backache or kidney or bladder derangement, in the following simple prescription, if taken before the stage of Bright's disease: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Shake well in a bottle and take in teaspoonful doses after each meal and again at bedtime. A well-known druggist here at home, when asked regarding this prescription, stated that the ingredients are all harmless, and can be obtained at a small cost from any good prescription pharmacy, or the mixture would be put up if asked to do so. He further stated that while this prescription is often prescribed in rheumatic afflictions with splendid results, he could see no reason why it should not be a splendid remedy for kidney and urinary troubles and backache, as it has a peculiar action upon the kidney structure, cleansing these most important organs and helping them to sift and filter from the blood the foul acids and waste matter which cause sickness and suffering. Those of our readers who suffer can make no mistake in giving it a trial.

Taft and Roosevelt are coupled in the betting. The fat man goes out to make the pace, while the sternuous one is expected to run over the field in the stretch.

This is what Hon. Jake Moore, State Wrden of Georgia, says of Kodol For Dyspepsia: "E. C. DeWitt & Co., Chicago, Ill.—Dear Sirs—I have suffered more than twenty years from indigestion. About eighteen months ago I had grown so much worse that I could not digest a crust of corn bread and could not retain anything on my stomach. I lost 25 lbs.; infact I made up my mind that I could not live but a short time, when a friend of mine recommended Kodol. I consented to try it to please him and I was better in one day. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity will be benefited. Yours very truly, Jake C. Moore, Atlanta, Aug. 10, 1904." Sold by J. E. Shell, Dr. Kent and Granite Falls Drug Co.
