

**The Method of "Praying Blessings" in Union.**

Monroe Enquirer.  
People passing Mr. Snider Carter's place in Sandy Ridge township last Tuesday morning saw 26 plowmen busy, plowing and planting and working like their lives depended upon getting it all done in one day. If a passing stranger had enquired why all the plowing & planting he would have been told that it was nothing more nor less than a Union county way of praying blessings on a sick neighbor. Mr. Carter has been sick for some time and is unable to prepare his land and plant his crop, and his brother members of Mineral Springs camp, Woodmen of the World, met as above stated and planted his crop for him.

**No Use To Die.**

"I have found out that there is no use to die of lung trouble as long as you can get Dr. King's New Discovery," says Mrs. J. P. White, of Rushboro, Pa. "I would not be alive today only for that wonderful medicine. It loosens up a cough quicker than anything else, and cures lung disease even after the case is pronounced hopeless." This most reliable remedy for coughs and colds, la grippe, asthma, bronchitis and hoarseness, is sold under guarantee at J. E. Shell's drug store. 50c and \$1.00. Trial bottle free.

**"The Bar"**

The saloon is sometimes called a bar.  
That's true.  
A bar to heaven, a door to hell; Whoever named it, named it well.  
A bar to manliness and wealth,  
A door to want and broken health;  
A bar to honor, pride and fame;  
A door to sin, grief and shame.  
A bar to hope, a bar to prayer.  
A door of darkness and despair.  
A bar to honored useful life;  
A door to brawling senseless strife.  
A bar to all that's true and brave.  
A door to every drunkard's grave,  
A bar to joys that home imparts  
A door to tears and aching hearts,  
A bar to honored useful life;  
Whoever named it, named it well

**Whooping Cough.**

"In February our daughter had the whooping cough. Mr. Lane, of Hartland, recommended Chamberlain's Cough Remedy and said it gave his customers the best of satisfaction. We found it as he said, and can recommend it to anyone having children troubled with whooping cough," says Mrs. A. Goss, of Durand, Mich. For sale by J. E. Shell and Dr. Kent, druggist.

**Largest Leather Belt in the World.**

There has recently been placed in a sawmill at Tacoma, Washington, what is said to be the largest leather belt that was ever made. It is 114 feet long, eight feet wide and three ply in thickness. It weighs 2,500 pounds, and there were used in its manufacture the hides of 225 large steers. The hides, after being tanned, were stretched under great tension and cemented to each other under a very heavy pressure, so that there was no need for a stitch or rivet in the whole belt.

The trouble with most cough cures is that they constipate. Kennedy's Laxative Cough Syrup does not constipate, but on the other hand its laxative principles gently move the bowels. It is pleasant to take and it is especially recommended for children, as it tastes nearly as good as maple sugar. Sold by J. E. Shell, Dr. Kents and Granite Falls Drug Co.

Daily News.  
He watched his wife "doing up." Her hair, and his face grew stern. "Why do you put the hair of another woman on your head?" he asked. Why do you? she replied, sweetly, looking at his feet, "put the skin of another calf on your feet!"

Magazine of Fun.  
Patrick and Michael were crossing the ocean on their way to America. All went well the first half of the voyage. One day, however, "Pat" became ill and died. The usual preparations for burial at sea were made, and in place of leaden weights, which had been lost, chunks of coal were substituted. The remains were finally ready for the last sad rites, and long and earnestly did "Mike" look at his friend. Finally he blurted out sorrowfully:  
"Well, 'Pat,' Oi always knew ye were goin' there, but Oi'm domed if Oi thought they'd make yer bring yer own coal."

A great many people imagine they have heart trouble when the fact is that the whole trouble lies in the stomach. The pains in the side around the region of the heart are not necessarily heart trouble. We suggest that you start with the stomach after eating or whenever your food seems to nauseate take Kodol. It will not be very long until all these "heart pains" will disappear. Take Kodol now and until you know you are right again. There isn't any doubt about what it will do and you will find the truth of this statement verified after you have used Kodol for a few weeks. It is sold here by J. E. Shell, Dr. Kents and Granite Falls Drug Co.

Opportunity knocks every day, but we go to the door to admit it about once in a lifetime.

**The Most Common Cause of Suffering.**

Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Liniment will afford relief, and make rest and sleep possible. In many cases the relief from pain, which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected; the relief from pain which this liniment affords is alone worth many times its cost. 25 and 50 cent sizes for sale by J. E. Shell, Dr. Kent and Granite Falls Drug Co.

On the eve of her marriage to James Lee, of Virginia, who was on his way to Asheville to claim his bride, Miss Evelyn Watkins, a social favorite in the younger society set of that city, changed her mind, went away with "Rex" Bostie, a former sweetheart and a well known young society man, and was married last Sunday night at Marion.

**Bad Attack of Dysentery Cured.**

"An honored citizen of this town was suffering from a severe attack of dysentery. He told a friend if he could obtain a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, he felt confident of being cured, he having used this remedy in the West. He was told that I kept it in stock and lost no time in obtaining it, and was promptly cured," says M. J. Leach, druggist, of Wolcott, Vt. For sale by J. E. Shell, Dr. Kent and Granite Falls Drug Co.

**Good for Everybody.**

Mr. Norman R. Coulter, a prominent architect, in the Delbert Building, San Francisco, says: "I fully endorse all that has been said of Electric Bitters as a tonic medicine. It is good for everybody. It corrects stomach, liver and kidney disorders in a prompt and efficient manner and builds up the system." Electric Bitters is the best spring medicine ever sold over a druggist's counter; as a blood purifier it is unequalled. 50c at J. E. Shell's drug store.

When you think of indigestion think of Kodol, for it is without doubt the only preparation that completely digests all classes of food. And that is what you need when you have indigestion or stomach trouble—something that will act promptly but thoroughly; something that will get right at the trouble and do the very work itself for the stomach by digesting the food that you eat and that is Kodol. It is pleasant to take. It is sold by J. E. Shell, Dr. Kent and Granite Falls Drug Co.

**Catarrh Diarrhoea**

To prove unquestionably, and beyond any doubt, that Catarrh of the nose and throat can be cured, I am furnishing patients through druggists, small free Trial Boxes of Dr. Shoop's Catarrh Cure. I do this because I am so certain, that Dr. Shoop's Catarrh Cure will bring actual substantial help. Nothing certainly, is so convincing as a physical test of any article of real, genuine merit. But this article must possess true merit, else the test will condemn, rather than advance it. Dr. Shoop's Catarrh Cure is a snow white, healing antiseptic balm, put up in beautiful nickel plated glass jars at 50c. Such soothing agents as Oil Eucalypti, Thymol, Menthol, etc., are incorporated into a velvety cream like Petroleum, imported by Dr. Shoop from Europe. If Catarrh of the nose and throat has extended to the stomach, then by all means also use internally, Dr. Shoop's Restorative. Stomach distress, a lack of general strength, bloating, belching, flatulencies, bad taste, etc., surely call for Dr. Shoop's Restorative. For uncomplicated catarrh only of the nose and throat, nothing else, however, need be used but
