

### Mother Shot Daughter's Suitor.

Monroe Special 9th, to Charlotte Observer.  
Luther Williams, a young man employed at the Monroe Cotton Mills, was shot in the back, under the right shoulder blade by Mrs. Tom Phifer at the latter's home tonight at 6 o'clock. Williams called on Mrs. Phifer's daughter and was going out with her when the mother attempted to keep her daughter at home. Williams drove Mrs. Phifer into the house, where she got a revolver and shot him through a window. The wound is dangerous but not fatal.

Tired nerves, with that "no ambition" feeling that is commonly felt in spring or early summer, can be easily and quickly altered by taking what is known to druggists everywhere as Dr. Shoop's Restorative. One will absolutely note a changed feeling within 48 hours after beginning to take the Restorative. The bowels get sluggish in the winter-time, the circulation often slows up, the kidneys are inactive, and even the heart in many cases grows decidedly weaker. Dr. Shoop's Restorative is recognized everywhere as a genuine tonic to these vital organs. It builds up and strengthens the worn-out weakened nerves; it sharpens the failing appetite, and universally aids digestion. It always quickly brings renewed strength, life, vigor, and ambition. Try it and be convinced. Sold by J. E. Shell, druggist.

### Out of the Mouths of Babes.

Little Arthur stood peering down into the countenance of his baby sister, whom the nurse was singing to sleep.  
"Say, nurse," he finally whispered, "it's nearly unconscious, isn't it?"  
The nurse nodded in the affirmative, and sang on.  
"Then don't sing any more, or you'll kill it."

There is a Pink Tablet made by Dr. Shoop, that will positively stop any pain, anywhere, in 20 minutes. Druggists everywhere sell them as Dr. Shoop's Headache Tablets, but they stop other pains as easily as headache. Dr. Shoop's Pink Pain Tablets simply coax blood pressure away from pain centers—that is all. Pain comes from blood pressure—congestion. Stop that pressure with Dr. Shoop's Headache Tablets and pain is instantly gone. 20 Tablets 25c. Sold by J. E. Shell, druggist.

### Highly Practical.

"Your business college for young ladies seems to be all right."  
"It is all right."  
"Do you give the girls a good, practical business training?"  
"In reply to that question I can only say that 60 per cent of our graduates marry their employers the first year."

"Health Coffee" is really the closest Coffee Imitation ever yet produced. This clever Coffee Substitute was recently produced by Dr. Shoop of Racine, Wis. Not a grain of real Coffee in it either. Dr. Shoop's Health Coffee is made from pure toasted grains with malt, nuts, etc. Really it would fool an expert—who might drink it for Coffee. No 20 or 30 minutes tedious boiling. "Made in a minute" says the doctor. Sold by Harrison Co.

### Fatal Error.

"N. Peck's wife leads him a rather merry gait, I fancy."  
"Oh, yes. When he was courting her he told her one day she looked pretty when she was angry, and now it has got to be a habit."

To relieve constipation, clean out the bowels, tone and strengthen the digestive organs, put them in a natural condition with Hollister's Rocky Mountain Tea, the most reliable tonic for thirty years. 35c tea or tablets. Dr. Kent and Granite Falls Drug Co.

Each one does best who does his best for one day at a time, and then refreshes himself with the knowledge that he can do it better on the next.—Sempron.

Insist upon De Witt's Witch Hazel Salve. There are substitutes, but there is only one original. It is healing, soothing and cooling and is especially good for piles. Sold by J. E. Shell, Dr. Kents and Granite Falls Drug Co.

## THE SUNDAY SCHOOL.

Lesson VII.—Second Quarter, For May 17, 1908.

### THE INTERNATIONAL SERIES.

Text of the Lesson, John xviii, 1-27. Memory Verses, 2, 3—Golden Text, Matt. xvii, 22—Commentary Prepared by Rev. D. M. Stearns.

[Copyright, 1908, by American Press Association.]  
We have just this one lesson to cover all the events of that night from the time they left the Passover room until the next morning when He was led forth to be crucified. There was never a night like that in the history of the world, when the Son of God was treated worse than the vilest criminal by the creatures whom He had made and who depended on Him, or rather, were indebted to Him, for every breath they drew. Comparing the accounts in the four gospels, we gather the following outline of events: The discourse being ended, and the prayer, they sang a hymn, probably some portion or all of Ps. cxviii, which, considered in this light, is full of wondrous significance. Leaving the city and crossing the brook Kedron, He entered Gethsemane, and then followed the prayers and the agony on His part, and on the part of the disciples the stupor of sleep. Then followed the arrest, Judas betraying Him by a kiss to the band which he led to take Him prisoner. Simon Peter would fain have delivered his Master from their hands, and having a sword, he drew it and did cut off a man's ear, but this was not the way, and Jesus, having remedied Peter's blunder, surrendered Himself into their hands and suffered them to bind Him and lead Him away as their prisoner. Then all the disciples, even the brave Peter forsook Him and fled. They never could have taken Him unless He had permitted it, for just a word from Him sent the soldiers backward to the ground, but this was their hour and the power of darkness, and He yielded. They led Him to Annas, the father-in-law to Calaphas, first, and then to Calaphas, the high priest, where the scribes and elders were assembled. Here many false witnesses testified against Him, but no two agreed, yet they struck Him, blindfolded Him, spit in His face and treated Him most shamefully. Oh, what a night it was of cruel treatment of the Creator by His creatures!  
One of the worst things that night was the conduct of Peter, who, standing without in the palace and warming himself at the servants' fire, denied with oaths and curses that he ever knew the prisoner. After they all forsook Him Peter and John returned, and John, being known to the high priest, went in with Jesus into the palace, but Peter stood with the servants. It was so that Jesus could see Peter from where He stood, and as the cock crew immediately after Peter's third denial the Lord turned and looked upon Peter, and that look broke him up and sent him out to weep as probably he had never wept before.  
In the morning they led Jesus, still bound, to Pilate, the Roman governor, for they had determined that He must die, and they came to compel Pilate to execute Him. Pilate, having examined Him, testified repeatedly that he found no fault in Him. His wife also, because of a dream which she had, urged him to have nothing to do with Him. Learning that Jesus was from Galilee and Herod being then in Jerusalem, he sent Him to Herod, but because Jesus would not work some miracles for him Herod set Him at naught and mocked Him and returned Him to Pilate, who, finding Him again on his hands, made a last effort to release Him by offering to release the worst prisoner he had or Jesus, for it was customary to release one prisoner at this feast. To Pilate's amazement they demanded the release of Barabbas, and then Pilate delivered Him to their will to be mocked and scourged and spit upon and crowned with thorns and killed. He bore it all, and for me, that I might not perish, and how much do I care? Does my life show that I care, and to what extent do I hate sin because it made my Saviour suffer so? Turning to our lesson chapter, we note that, as David's son Absalom rebelled against him and caused him to flee for his life across this same Kedron, so Jesus, Son of David, is now driven forth by the rebellion of His son Israel, but as truly as David returned and sat on his throne Jesus will return and reign on David's throne forever (Isa. ix, 6, 7; Luke i, 32, 33).  
Jesus knew all things that should come upon Him, and that made it all the harder. What a mercy it is that we do not know what a day may bring forth! Let us leave it all in His hands who loves us and never try fortune telling. Every cup which the Father gives us to drink is a cup of life, however bitter it may taste. We are called to follow His steps who when He was reviled reviled not again, but committed Himself to Him who judgeth righteously (1 Pet. ii, 21-23; iv, 12-14). When our hands are tied, as we say, by those who love Him not and we are seemingly hindered from doing what we would like to do for Him, let us not chafe or fret, but meekly submit to bearing all He permits to come and ask only that He may be seen in us and His beauty be upon us. Even if the guilty go free and the innocent suffer, consider Him.  
If falsely accused and all manner of evil be said of us, remember Matt. v, 10-12. Let us never on any account be found warming ourselves at the enemy's fire lest we grieve Him and need such a look as He gave Peter.

Enpee—My wife threatened to leave me last week, but she changed her mind.  
Smart—Why don't you sue her for breach of promise!

The trouble with most cough cures is that they constipate. Kennedy's Laxative Cough Syrup does not constipate, but on the other hand its laxative principles gently move the bowels. It is pleasant to take and it is especially recommended for children, as it tastes nearly as good as maple sugar. Sold by J. E. Shell, Dr. Kents and Granite Falls Drug Co.

### Cause and Effect.

"Yes," said Mrs. Nexdor, "my daughter is very persevering in her piano playing. Do you notice that she's improving?"  
"No," replied Mrs. Peppery, "and I also notice that my husband's temper isn't."

### No Use To Die.

"I have found out that there is no use to die of lung trouble as long as you can get Dr. King's New Discovery," says Mrs. J. P. White, of Rushboro, Pa. "I would not be alive today only for that wonderful medicine. It loosens up a cough quicker than anything else, and cures lung disease even after the case is pronounced hopeless." This most reliable remedy for coughs and colds, la grippe, asthma, bronchitis and hoarseness, is sold under guarantee at J. E. Shell's drug store. 50c and \$1.00. Trial bottle free.

### Curiosity.

If you want to find out how busy men are, paint a red ring on your door. Every man who passes will stop to find out what it is for, and then wait until the next man comes along that he may tell about it.

A great many people imagine they have heart trouble when the fact is that the whole trouble lies in the stomach. The pains in the side around the region of the heart are not necessarily heart trouble. We suggest that you start with the stomach and whenever you feel a depression after eating or whenever your food seems to nauseate take Kodol. It will not be very long until all these "heart pains" will disappear. Take Kodol now and until you know you are right again. There isn't any doubt about what it will do and you will find the truth of this statement verified after you have used Kodol for a few weeks. It is sold here by J. E. Shell, Dr. Kents and Granite Falls Drug Co.

Her hand this man could not get. His health was not as it should be. He had not used the "best as yet," Hollister's Rocky Mountain Tea. Dr. Kent and Granite Falls Drug Co.

No wonder so many fellows want to go to Congress. There aren't many places where a man can get \$7,500 a year for not working his job.

Hollister's Rocky Mountain Tea tones the stomach, stimulates the lazy liver, strengthens the bowels and makes their action easy and natural. The best tonic for the whole system. 35c Tea or Tablets. Dr. Kent and Granite Falls Drug Co.

Mr. John Riha of Vining, Ia., says, "I have been selling DeWitt's Kidney and Bladder Pills for about a year and they give better satisfaction than any pill I ever sold. There are a dozen people here who have used them and they give perfect satisfaction in every case. I have used them myself with fine results." Sold by J. E. The Most Common Cause of Suffering.  
Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Liniment will afford relief, and make rest and sleep possible. In many cases the relief from pain, which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected; the relief from pain which this liniment affords is alone worth many times its cost. 25 and 50 cent sizes for sale by J. E. Shell, Dr. Kent and Granite Falls Drug Co.

BIDS FOR BRIDGE.

Bad Attack of Dysentery Cured.  
"An honored citizen of this town was suffering from a severe attack of dysentery. He told a friend if he could obtain a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, he felt confident of being cured, he having used this remedy in the West. He was told that I kept it in stock and lost no time in obtaining it, and was promptly cured," says M. J. Leach, druggist, of Wobcort, Va. For sale by J. E. Good for Everybody.  
Mr. Norman R. Coulter, a prominent architect, in the Delbert Building, San Francisco, says: "I fully endorse all that has been said of Electric Bitters as a tonic medicine. It is good for everybody. It corrects stomach, liver and kidney disorders in a prompt and efficient manner and builds up the system." Electric Bitters is the best spring medicine ever sold over a druggist's counter; as a blood purifier it is unequalled. 50c at J. E. Shell's drug store.

The Universalist Leader.  
A Sunday School teacher had been telling her class the story of the Good Samaritan. When she asked them what the story meant, a little boy said, "It means that when I am in trouble my neighbors must help me."

## Catarrh Diarrhoea

To prove unquestionably, and beyond any doubt, that Catarrh of the nose and throat can be cured, I am furnishing patients through druggists, small free Trial Boxes of Dr. Shoop's Catarrh Cure. I do this because I am so certain, that Dr. Shoop's Catarrh Cure will bring actual substantial relief. Nothing certainly, is so convincing as a physical test of any article of real, genuine merit. But that article must possess true merit, else the test will condemn, rather than advance it. Dr. Shoop's Catarrh Cure is a snow white, healing antiseptic balm, put up in beautiful nickel capped glass jars at 50c. Such soothing agents as Oil of Eucalyptus, Eucalyptol, Menthol, etc., are incorporated into a velvety cream like Petroleum, imported by Dr. Shoop from Europe. If Catarrh of the nose and throat has extended to the stomach, then by all means also use internally, Dr. Shoop's Restorative. Stomach distress, a lack of general strength, bloating, belching, biliousness, bad taste, etc. surely call for Dr. Shoop's Restorative. For uncomplicated catarrh only of the nose and throat nothing else, however, need be used but

When you want a quick cure without any loss of time, and one that is followed by no bad results, use Chamberlain's Colic, Cholera and Diarrhoea Remedy. It never fails and is pleasant to take. It is equally valuable for children. It is famous for its cures over a large part of the civilized world.
