PUBLISHED TUESDAYS AND FRIDAYS.

PRICE \$1.00 THE YEAR.

VOLUME XII.

LENOIR, N. C., NOVEMBER 2, 1909.

NO. 2.

Death of Mr. A. B. Howell.

Mr. A. B. Howell, a well-known citizen of Roanoke, residing at Washington Heights, died at the Kellam hospital in Richmond on Saturday night of cancer.

Mr. Howell had been at the hospital for three months, and for the last two or three weeks his decline was rapid. His son, Mr. G. W. Howell, of this city, was with him at the time of his death, and brought the remains to this city Sunday.

The funeral will take place from the residence Tuesday afternoon at 3 o'clock, and services will be conducted by Rev. P. S. Miller and Rev. Mr. Naff, of the Dunkard or Brethren church, of which Mr. Howell was a consistent member.

Mr. Howell leaves surviving him a widow and six sons, as follows: Rev. Jasper Howell, of Columbia, Mo.; J. T., D. W., and G. W. Howell, of Roanoke; B. F. Howell, of Portland, Ore.; and T. J. Howell, of Mt. Hermon, Mass.

Mr. Howell resided in this section for eight or ten years, having moved to this vicinity from North Carolina.

(Many of our readers will remember Mr. Howell, he lived a mile north of town on the Blowing Rock road.)

The Negro State Fair.

Raleigh, Oct. 27.—President E. J. Young, of the negro state fair, declared in his address opening the fair in progress this week, that the crying need is for the negroes of the south to be let alone by misdirected philanthropists of other sections. The race situation, he said, is a problem for the southern people and not for the north to settle. "Every time outsiders interfere, trying to change conditions here, they make it worse for the negro. Let us alone and every thing will be alright between the southern white people and the colored people."

He urges the negroes to engage more generally in farming as the best and most independent work for negroes.

The attendance and exhibits are very large. Hon. Ashley Horne is to deliver an address before the negro farmers at the fair tomorrow. John C. Darren, register of deeds, District of Columbia, is also to speak tomorrow on education.

National Bank Closed.

Washington, Oct. 27.—"Every conceivable form of irregularity has been turned up," is the way Treasury officials describe the developments in the investigation of the Mineral Point, Wis., First National bank, which closed its doors Oct. 12.

The reports reached the office of the comptroller of the currency continue to increase the amount involved and to show the remarkable nature of the transactions that led up to the placing of the institution in the hands of Receiver Schofield. The latest information is that the forged paper and embezzlement reaches \$457,000. There were many deposits made that were never entered on the books of the bank, it is alleged.

Kills Her Foe Of 20 Years.

"The most merciless enemy I had for 20 years," declares Mrs. James Duncan, of Haynesville, Me., "was Dyspepsia. I suffered intensely after eating or drinking and could scarcely sleep. After many remedies had failed and several doctors gave me up, I tried Electric Bitters, which cured me completely. Now I can eat anything. I am 70 years old and am overjoyed to get my health and strength back again." For indigestion, loss of appetite, kidney trouble, laze back, female complaints, its unequalled. Only 50c at J. E. Shell's.

THEY GROW HAIR.

Certain Ingredients if Properly Combined, Stimulate Human Hair Growth.

Resorcin is one of the most effective germ-destroyers ever discovered. Beta-naphthol is a most powerful, yet absolutely safe germicide and antiseptic, which prevents development of germ matter, and creates a clean, healthy condition.

Pilocarpine, although not a coloring matter or dye, is an ingredient well established for its power to restore natural color to human hair.

Borax, because of its well-defined softening and cleansing properties, is most useful in the treatment of scalp and hair diseases. Glycerine acts as a stimulant to the hair bulbs, and has a soothing, healing and nourishing influence. Alcohol is indispensable in medicine because of its antiseptic, stimulating and preservative qualities.

Rehall "93" Hair Tonic is chiefly composed of these ingredients, which are compounded in a peculiar form, and we believe it is the most effective remedy known to medical science for scalp and hair troubles generally. We personally guarantee it to eradicate dandruff and scalp irritations and to grow hair, even though the scalp in spots is bare of hair, providing of course there is life and vitality remaining in the hair roots.

We want every one troubled with scalp disease, dandruff or loss of hair to try Rehall "93" Hair Tonic. If it does not remove dandruff and promote a growth of hair to the satisfaction of the user, we will without question or quibble return every cent paid us for it. This guarantee is printed on every package. It has effected most satisfactory results in 93 out of 100 cases where put to a practical test.

Rehall "93" Hair Tonic is entirely unlike and in every particular different from anything else we know of for the purpose for which it is recommended. We urge you to try it at our entire risk. Certainly we could offer no better guarantee. Two sizes, 50 cents and \$1.00. Sold in Lenoir only at our store,—The Revall Store. The Lenoir Drug Co.

Blowing Rock Items.

A supper and dance given on Oct. 28 in honor of the birthday anniversary of Miss Bessie Mordecai, whom everybody delights to honor, was attended by quite a number of her friends in Blowing Rock.

Rev. Payne, the newly elected pastor of the Blowing Rock Baptist church, will preach his first sermon there on Sunday, October 31. Rev. J. F. Davis, the retiring pastor, made many friends during his pastorate of nearly three years in Blowing Rock and will be sadly missed by many of Watauga's judges of good preaching; but if Brother Davis felt it his duty to leave, the citizens of Blowing Rock feel it a blessing and a benefit to have as his successor such a consecrated and good gospel preacher as Brother Payne, who is a native of Watauga and has stood the test of years among a people who love and admire him for his christian character and sterling qualities.

A Sealed Boy's Shrieks

horrified his grandmother, Mrs. Maria Taylor, of Nebo, Ky., who writes that, when all thought he would die Bucklen's Arnica Salve wholly cured him. Infallible for Burns, Scalds, Cuts, Corns, Wounds, Bruises, Cures Fever-Sores, Boils, Skin Eruptions, Chiblain's, Chapped Hands. Soon routes Piles. 25c at J. E. Shell's.

Mrs. Van Deman Makes Flight.

College Park, Md., Oct. 27.—With her skirts tied tightly about her ankles to keep them from fluttering in the breeze, Mrs. Van Deman, wife of Captain Ralph H. Van Deman, Twent-first Infantry, United States army, occupied the passenger's seat beside Wilbur Wright when he ascended in the government's aeroplane here today. For four minutes she experienced the sensation of soaring in the air, sometimes as high as sixty feet above the ground. This was the first time a woman made an ascension in a heavier-than-air machine in the United States, the Wright brothers have resisted a multitude of feminine importunities for aerial excursions.

Virginia Bride Among Missing.

Roanoke, Va., Oct. 21.—Millard A. Carson, of Pittsburg, came to Roanoke Saturday with the intention of taking unto himself a wife, but he returned to Pittsburg Sunday night single, and the handsome home, which for her reception, will not be presided over by the Virginia girl.

Arriving Saturday at Salem, he procured a marriage license for himself and Miss Blanche N. Thrasher, of Vinton. Mr. Carson had planned to have the wedding take place Saturday evening, but when he reached the girls home he learned that she had left, taking her wedding clothes. Her relatives declare that the match did not meet with her approval after careful thought.

Shot Through Door.

Wilmington, Oct. 29.—Mistaken for a burglar, Frank Lahna, a well known traveling man, was shot in the hip by his wife early this morning when he entered his home. Mr. Lahna had been out all the week and was not expected to return before tonight. Mrs. Lahna had been frightened earlier in the night by what was supposed to be burglars and when her husband slowly turned the door knob to their room after having gained entrance to the house through the parlor window, she fired through the door. She was frantic when she discovered her mistake. Mr. Lahna is not seriously wounded and will be out in about a week.

Robbed in Berths.

(By The Associated Press.)
Bristol, Tenn., Oct. 28.—Four passengers on the New York and Memphis limited train on the Southern railroad were robbed near Chattanooga this morning while a sleep in their berths. The robbers got most of the quarter's wearing apparel and it was necessary for Conductor Looney to stop his train at Sweetwater and purchase three pairs of trousers before as many passengers could leave their berth, while the fourth lost his coat and vest. Watches, pocketbooks, etc., were missing.
The theft is supposed to have been committed in the Chattanooga yards.

Croup Cured and a Child's Life Saved

"It affords me great pleasure to add my testimony to that of the thousands who have been benefited by Chamberlain's Cough Remedy. My child, Andrew, when only three years old was taken with a severe attack of croup, and thanks to the prompt use of Chamberlain's Cough Remedy his life was saved and today he is a robust and healthy boy." says Mrs. A. Coy, Jr., of San Antonio, Texas. This remedy has been in use for many years. Thousands of mothers keep it at hand, and it has never been known to fail. For sale by J. E. Shell and Dr. Kent, druggists.

The Farmers Union.

Nut Shell.
The Farmers Union is the leading farmers organization in this country today. It is still growing. It has done a great work, and yet there is a greater work for it to do. But it will have to watch as well as pray, and it can't pray for having to watch.

The Grange came when needed. It did a great work. It went into business, selling and buying as a specialty. Business tricksters got into it, before and around it, and practically killed it, especially here in the South. The Alliance came in its place. It was going to look after business so as to avoid the mistakes the Grange made.

The business tricksters seeing this, and being on to their jobs, hissed the farmers on to the politicians, and specially lawmakers. Their reasons were plausible. The Farmers Alliance pitched its tent towards Sodom, and went for the politicians and thus got into politics. Then the politicians took hold of it like the business men did—the Grange, and practically killed it.

So the Farmers Union comes to take the place of the Alliance. It will have to watch out for the business and political tricksters, who are strictly on to their jobs of undermining and fooling folks. Till Christ comes, there will be three classes—farmers, politicians and business men—one class will be feeding the other two classes. The Union's mission is to eat at its own table first, and then the other classes at the second table—and eat what the farmers eat, no more, nor no less.

Humorous.

Fooling the Company.

One day while traveling on the train I noticed an Irishman across the way chucking audibly.
"Wat's the matter?" said I.
"Begorry," said he, "I've been ridin' on this road for five years and only today I've thought of a way to fool the company. I've bought a return ticket and lowering his voice to a whisper I ain't comin' back."—The Housekeeper.

Forelorn Hopes.

"Yes, it must be a terrible thing to go through life without your limb. But you must remember it will be restored to you in the next world."

"I know it will, mum, but dat don't encourage me, for it was cut off when I was a baby, an' it won't come within a couple of foot of de ground when its restored."—Milwaukee Journal.

The Friendly Doctor.

"Mrs. Naggart," said the doctor "your husband needs a rest. He must go to Hastings for three months."

"Oh, splendid!" she exclaimed. "I'll be delighted to go there."

"Very good. You can go there for three months after he comes back. That will give him six months' rest."—Tit-Bits.

A Methodist Minister Recommends Chamberlain's Colic, Cholera and Diarrhoea Remedy.

I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years for diarrhoea. I consider it the best remedy I have ever tried for that trouble. I bought a bottle of it a few days ago from our druggist, Mr. R. R. Brooks. I shall ever be glad to speak a word in its praise when I have the opportunity."—Rev. J. D. Knapp, Pastor M. E. Church, Miles Grove, Pa. Sold by J. E. Shell and Dr. Kent, druggists.

When Furniture Buying Time Comes

There are two words of advice that all should remember—GO SLOW.

You may safely hurry when purchasing a new pair of gloves or shoes or any article that you will be done with in a short time.

But with Furniture GO SLOW—you are buying for life.

We invite you to be deliberate—ask questions, so that you may know exactly what you are doing.

There's our experience to help the inexperienced, and there's a carefully chosen stock to do your choosing from.

Nobody who buys Furniture here ever regrets it. Like wine our Furniture improves with age.

There's a reason.

A Man Once Complained

to his coal merchant about the price of coal. Said the dealer:

"Yes, I know, but just now, coals are coals."

Said the customer:

"I am glad to hear it, as the last few lots you sent me were mostly slates."

The moral of this simply means that it is easy to pay for one thing and get something else.

We have been selling harness for a good many years and we have gained a good name for selling honest goods at honest prices.

We don't sell shoddy and call it harness. You can rely on what we sell. We don't sell slate and call it coal.

"WHEN IN DOUBT, BUY OF PRICE!"

Price-Elite Harness & Tanning Co

The Family Forecaster.

Wife—"I'm going into town to day, my dear, to my bootmaker's milliner's and dressmaker's. What does the paper say about the weather?"
Husband—"Rain, hail, and thunder storms."—Bon Vivant

Good Cough Medicine for Children and Grown Folks, Too.

"We could hardly do without Chamberlain's Cough Remedy," says Mrs. Flora Despain of Bloyd, Ky. "I found it to be so good for the croup and have used it for years. I can heartily recommend it for coughs, colds and croup in children and grown folks, too." The above shows the implicit confidence that many mothers place in Chamberlain's Cough Remedy, a confidence based on many years' experience in the use of it. No one need hesitate to use this remedy for it contains no chloroform, opium or other narcotics and may be given to a child as confidently as to an adult. For sale by J. E. Shell and Dr. Kent, druggists.

Can't See Bright Side.

"Don't get down in the mouth, old man," said the Optimist. "Look on the bright side of things."

"That's all very well," mournfully replied the sufferer, "but which is the bright side of a gum boil."—Tit-Bits.

Forced Into Exile.

Wm. Upchurch of Glen Oak, Okla., was an exile from home. Mountain air, he thought, would cure a frightful lung racking cough that had defied all remedies for two years. After six months he returned, death dogging his steps. "Then I began to use Dr. King's New Discovery," he writes, "and after taking six bottles I am as well as ever." It saves thousands yearly from desperate lung diseases. Infallible for Coughs and Colds, it dispels Hoarseness and Sore Throat. Cures Grip Brouchitis, Hemorrhages, Asthma, Croup, Whooping Cough. 50c and \$1.00, trial bottle free, guaranteed by J. E. Shell.
