LENOIR, N. C., NOVEMBER 30, 1909.

NO. 10.

A New College for Methodists.

The Methodists are to have a great college for girls at Maxton, as the plans for Carolina College shows, and there is already so great an interest in it that even as its buildings are going up there is in sight a great success for an institution that means so much for Methodism.

The board of trustees of the Carolina College met in Raleigh this week in the Normal class room of Edenton Street Methodist church. Rev. J. E. Underwood, of Rockingham, president of the board, presided.

The meeting first heard the report of Rev. Euclid McWorter, the financial secretary. This showed that the affairs of the institution are in good shape, and that the work is progressing steadily for its completion. By a unanimous vote the board re-elected Rev. Euclid McWorter as financial secretary.

The board then discussed the best means for having the buildings complete at an early date. It was finally decided to issue bond in the amount of \$50,000 and to use this in completing the plant, which is already in good shape, \$41,000 in assets having already been contributed.

Carolina College at Maxton has about it a beautiful campus of twenty acres in a grove of stately native oaks, having an ideal location for a college. It will be owned and controlled by the North Carolina Conference, which is supporting the movement.

Thirty Deaths and 216 Injuries from Football.

Football has claimed a toll of 30 lives and 216 injuries during the present season according to figures compiled by the Chicago Record-Herald up to last Sunday. This is the largest number of deaths recorded in nine years according to the Record-Herald figures which have been kept since 1901.

The 30 deaths include eight college players, 20 high school boys and two members of athletic clubs. The injuries were divided among 171 college men, 40 high school players and five from athletic clubs. Twenty-five suffered internal injuries; 19 dislocated ankles, 19 concussion of the brain and 19 fractured ribs. Fifteen legs and nine arms were broken, while twelve collar bones were cracked. There were 15 cases of torn ligaments and 13 fractured shoulders.

A Bad Fall.

Henrietta Correspondant to Forest City Herald.

Last Friday at the noon hour Raymond Baber, a boy about sixteen years old, attempted to descend from a third story window of the mill. He tied spooler bands to the calender in the cloth-room and started down: When he had gone only a short distance the bands broke and he fell about thirty feet, striking the ground with such force that his arm was broken in two places, and his thigh was broken near the hip. His face and head were badly bruised. Drs. Hicks and Wiseman set the broken limbs and he is doing well. The doctors do not think there are any internal injuries.

DeWitt's Little Early Risers—the safe, sure, gentle, easy little liver pills. Be sure to get DeWitt's Carbolic Witch Hazel Salve, the original. Always refuse substitutes and imitations. The original DeWitt's Carbolic Witch Hazel Salve is good for anything a salve is good for, but it is especially good for piles. Sold by J. E. Shell, Lenoir Drug Co. and Granite Falls Drug Co., Granite Falls.

Four Towns in the Canaries Doomed.

Santa Cruz, Teneriffe, Nov. 26.—Four towns, in the path of the streams of lava that are thrown out by half a dozen craters, are today threatened with destruction. The situation is critical. Inhabitants of the apparently doomed towns are fleeing, and those of the fifth, Arguayo have appealed for aid. The four chiefly endangered by lava are Tanque, Tamaimo, Chasna and Santiago.

The entire island is rocked almost continuously by the tremor that accompany the violent explosions and eruptions. Ashes darken the sky all over the Canaries, floating many miles. Ravines and gullies are filled with lava.

The situation about Mount Bilina today was more critical than ever. Flames are shot from the peaks to great heights, sometimes reaching more than 1,000 feet. From all over the island refugees are fleeing to Santa Cruz.

The government has started work on the opening of a way from Guia to San Juna on the coast. The Red Cross has a large organization in the field.

The Bloodhound and the Convict.

"Dave Harris was a convict and escaped from a farm, was shot at several times while making his escape, a bloodhound was put on the tract.

He was chased to Tar river, where he plunged in the water, the bloodhound being close on his heels, clinging to his shirt, and was towed across the river and there killed by Harris, who made a complete get-away." Afterward Harris was captured by an officer. How he killed the noble bloodhound is not stated, but it is supposed that, after loosing the ferocious beast from his shirt tail, he choked it to death, or else took it by the tail and dashed its brains out. Talk about bloodhounds, when one couldn't make good even after he had firm hold of the caudal appendage of his victim's shirt!"

Lady Refused to Dance with Guest—Two Dead.

Mobile, Ala., Dispatch, 22.

When the daughter of Simon Nelson refused to dance with Wesley McKenzie at a social affair being given in her own home at Barwell, a town in a remote section of Baldwin county, Saturday night, a bloody duel followed. Two men are dead, and four are injured, and four are under arrest on the charge of murder.

Married in Statesville N. C.

In the Nurses' Cottage adjoining Dr. Long's Sanatorium, on north Center street, at 8 o'clock Wednesday evening, Miss Nina Elizabeth Corpening, of Morganton, who has been a nurse in the sanatorium about two years, and Mr. Fredrick William Ross, of Morganton, were married, the ceremony being performed by Rev. Harold Turner.

Croup Cured and a Child's Life Saved.

"It affords me great pleasure to add my testimony to that of the thousands who have been benefited by Chamberlain's Cough Remedy. My child, Andrew, when only three years old was taken with a severe attack of croup, and thanks to the prompt use of Chamberlain's Cough Remedy his life was saved and today he is a robust and healthy boy," says Mrs. A. Coy, Jr., of San Antonio, Texas. This remedy has been in use for many years. Thousands of mothers keep it at hand, and it has never been known to fail. For sale by J. E. Shell and Dr. Kent, druggists.

The Commission From of Government.

Charlotte Chronicle.

Last May the town of High Point adopted what is known as commission form of government. Asked to give some information as to the operations of this system in High Point, The Enterprise, in furnishing the desired matter, explains at the outset that the High Point plan is on a modified scale; there being eight, instead of four commissioners. The affairs of the town are divided under eight heads each commissioner having a department of his own. The Enterprise says that the charter creating this form of government restricts the city from going into debt and the council can spend no money that is not in hand. The commission form of government also requires that monthly statements be published, which gives every citizen in the community an opportunity of seeing just exactly the condition the city finances are in all through the administration. Under the commission form the mayor, if he chooses, has a vote in the council and it also gives him veto power and he is, strictly speaking, supervisor of the entire affairs of the city. He not only has veto power, but has the right to suspend any officer for neglect or malfeasance in office, and this decision can only be changed by a two-thirds vote of the council. "On account of so many drastic changes which are necessitated by the charter," says The Enterprise, "it has taken some time to get every department of the city systematized and even after this is done it takes time to get accustomed to the changes, but taking it as a whole and judging so far of the few months work in which the city has operated under this plan, it is going to prove very satisfactory in every way. And more than anything else it is going to get the affairs of the city on a business basis, and we doubt after its trial of two years that anybody will want to return to the old way of conducting the municipal affairs. If there is any criticism at all to be made on the form as used in High Point, it is that possibly the city could facilitate matters somewhat if there were four commissioners instead of eight. However, it seems to please the majority of our people that the representation of the board be larger and perhaps it was best in the beginning to divide the work as it was done here. We believe that in a few months time the city of High Point will be able to show to the other towns in North Carolina that there is no other way of conducting the affairs of the city except through the commission plan of government."

That is a very good showing for the system as tried out in High Point. It could be improved, no doubt, as The Enterprise suggests by reducing the number of commissioners by half, but as it stands, it seems to work an improvement over the old order of things.

A chauffeur ran over a man in California recently and killed him. The judge gave him ten years in the penitentiary, but later suspended judgment and put the man on probation. He will stay out of jail just as long as he pays the widow of his victim \$25 a month toward the support of her children.

If you have noticed symptoms of kidney trouble, do not delay in taking the most reliable and dependable remedy possible, such as DeWitt's Kidney and Bladder Pills. These wonderful pills are being used with great satisfaction by thousands of people. Try DeWitt's Kidney and Bladder Pills today. Sold by J. E. Shell, Lenoir Drug Co. and Granite Falls Drug Co., Granite Falls.

THEY INJURE CHILDREN

Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They cause griping, nausea and other distressing after-effects that are frequently health-destroying and a life-lasting annoyance.

We personally recommend and guarantee Rexall Orderlies as the safest and most dependable remedy for constipation and associate bowel disorders. We have such absolute faith in the virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk. Rexall Orderlies contain an entirely new ingredient which is odorless, tasteless and colorless. As an active agent, it embraces the valuable qualities of the best known intestinal regulator tonics.

Rexall Orderlies are eaten like candy. They are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relaxed muscular coat of the bowel and its dry mucous lining; remove irritation, overcome weakness, tone and strengthen the nerves and muscles, and restore the bowels and associate organs to more vigorous and healthy activity.

Rexall Orderlies completely relieve constipation, except when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no medicine for this purpose so good as Rexall Orderlies, especially for children, aged and delicate persons. They are prepared in tablet form, in two sizes of packages: 12 tablets 10 cents, and 36 tablets 25 cents. Remember you can obtain Rexall Remedies in Lenoir only at our store, —The Rexall Store. The Lenoir Drug Co.

Oklahoma Church Engages in Farming.

Beaver, Okla., Nov. 25.—In order to raise enough money to pay off the indebtedness on the Christian church here, the congregation has taken up farming, and yesterday sold a crop of broom corn grown on a 40-acre field near the church.

All the work was done by the congregation, headed by the pastor. Women and children helped gather the harvest, which made over five tons of broom straw and sold for \$880.

Good Cough Medicine for Children and Grown Folks, Too.

"We could hardly do without Chamberlain's Cough Remedy," says Mrs. Flora Despain of Bloyd, Ky. "I found it to be so good for the croup and have used it for years. I can heartily recommend it for coughs, colds and croup in children and grown folks, too." The above shows the implicit confidence that many mothers place in Chamberlain's Cough Remedy, a confidence based on many years' experience in the use of it. No one need hesitate to use this remedy for it contains no chloroform, opium or other narcotics and may be given to a child as confidently as to an adult. For sale by J. E. Shell and Dr. Kent, druggists.

The Tools of the Housekeeping Trade

"START RIGHT." That's our advice to young couples just beginning housekeeping. Don't put a dollar into anything that isn't of the highest quality that you can afford to buy.

Better a little and good than much and inferior.

To young men and women we send a SPECIAL invitation to examine our various lines.

We promise to show them how to shop to their own advantage.

We have had some experience in fitting out those just starting with the tools of the housekeeping trade, and what we've learned might be worth something to you.

Harness Repairs

You know there are two sorts of repairs—good and bad. A badly repaired job is an eyesore to anyone. Looks clumsy, looks unfinished and rough. In short, it looks like a repair job the moment you see it.

We make a job look as near like new as possible.

This can be done if you send your job to a good repair man.

When you are having an argument with yourself about a job, drop us a line and let us say what we think.

You can depend on us.

"WHEN IN DOUBT, BUY OF PRICE!"

Price-Elite Harness & Tanning Co.

Little is Found Guilty.

Bluefield, W. Va., Nov. 27.—Howard Little was today found guilty of murdering family of six and was sentenced to death in the electric chair at Richmond, January 7. He will be taken to Richmond to-night.

The murder was traced through a bloody penny given to a news boy. Howard made no defence. The court house surrounded by armed guards during the trial to prevent an attack and the lynching of the prisoner.

A Scalded Boy's Shrieks

horrified his grandmother, Mrs. Maria Taylor, of Nebo, Ky., who writes that, when all thought he would die Bucklen's Arnica Salve wholly cured him. Infallible for Burns, Scalds, Cuts, Corns, Wounds, Bruises, Cures Fever-Sores, Boils, Skin Eruptions, Chibblains, Chapped Hands. Soon routes Piles! 25c at J. E. Shell's.

Treating Sweater Necks.

Woman's Home Companion for December. If the neck of a sweater becomes stretched too wide from wearing, do not sew-up or cut out any of it; simply dip neck part in clear warm water, wring out lightly, and hang up to dry. The neck will, when dry, have resumed its original shape and size.

A Methodist Minister Recommends Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years for diarrhoea. I consider it the best remedy I have ever tried for that trouble. I bought a bottle of it a few days ago from our druggist, Mr. R. R. Brooks. I shall ever be glad to speak a word in its praise when I have the opportunity.—Rev. J. D. Knapp, Pastor M. E. Church, Miles Grove, Pa. Sold by J. E. Shell and Dr. Kent, druggists.
