FRIDAY, FEBRUARY 7, 1913.

Many persons are laboring under misinformation in regard to the proposed new road legislation for Caldwell county and we suggest to them to investigate the matter thoroughly as it is the most important measure that is before the county at this time. Quoting the late President Grover Cleveland, "It is a condition, not a theory that confronts us" Caldwell is losing good citizens every year because of bad roads and other inconveniences and the question is shall we let this drain continue, or make an effort to check it as well as provide modern comforts for ourselves.

We notice that the legislature has not yet made any effort to protect the people and sheep of the state from the ravages of worthless dogs. One death from hydrophobia costs the state more in real loss than every dog in the state is worth, to say nothing of the continued destruction of sheep and other property.

Now if you favor good roads, call on the Vice President of your township and give him your name as a member of the Good Roads Association of the county. The object of the Association is to work for better roads and whether a bond issue is voted or not, united effort on the part of our people will help the roads of the county in many ways. So see your committee or township vice President and enlist in the good work.

We find the sentiment in favor of the county commissioners making a sample piece of road, is growing. It is argued that a sample or several of them made on different roads would be the best possible way to show to the people what a modern sand clay road is and at the same time find out if the materials available in this county are such as are needed for first class road making. The idea is a good one and can do no harm while it might save the county much expense should the bond issue be voted, by testing the materials we have in this county.

With four more judges in the state and four more districts the gentlemen will have more time to loaf on their jobs by the longer division of the work, if they should choose to do so and no doubt many of them will.

A Card.

From the depths of our hearts we want to thank our friends and neighbors for their many acts of kindness and expressions of sympathy and love during the recent illness and death of our daughter and sister. We thank God we live in a community where the brotherhood and sisterhood of men and women, neighbors and friends exist to such an exemplary degree that it lightens affliction and bereavement. May God bless each of you individually.

The joint resolution from the House of Representatives to increase the number of Superior court judges to 24 instead of 16, with additional districts and solicitors, was passed by the Senate this week, also.

A bill has been introduced in the legislature to put all solicitors on salary, instead of fees as now. The salary to be \$2,000 for 15 weeks work and \$100. per week for extra time over 15 weeks in the year.

To Our Friends and Neighbors

You know us. You know we would not—that we could not afford to—go back on our word. Nor can you afford to ignore this money-back-if-not-satisfied offer on this splendid laxative.

We honestly believe we have the best bowel remedy ever made—the most pleasant-to-take, most permanently beneficial laxative for relief from the misery and dangers arising from constipation.

We wouldn't say this if we didn't believe it to be true. We wouldn't risk our reputation by making such statements did we not feel sure you would find them true.

Our faith is built both on the knowledge of what Rexall Orderlies are made of and on observation of very many severe cases in which they have proven their merit.

Try them at Our Risk

If they do not abundantly prove their merit with you also—if you are not entirely satisfied with them—we will refund your money—and we will do that on your mere say-so. We don't ask you to risk a penny. Isn't that fair?

Just let the bowels fail in properly doing their work—just let their action be delayed and incomplete and the entire system and every other organ suffers. Wastes that

CAUTION: Please bear in mind that Rexall Orderlies are not sold by all druggists. You can buy Rexall Orderlies only at The Rexall Stores. You can buy Rexall Orderlies in this community only at our store:

Rexall Orderlies promote better spirits and better health. In all of these things they are vastly superior to old-fashioned, harsh salts and other purgatives, which are not only unpleasant to take but which usually leave the bowels in worse condition than before. We particularly recommend Rexall Orderlies for children, aged and delicate persons.

Most plows have merit when used in soils for which they are adapted. But there is a difference in soils and a plow which is made for prairie country will do only fair work in a mountain section.

Chattanooga Plows

are especially designed and adapted for this mountain country. There is nothing in this country that will choke one except a forked tree. The best crop insurance is a Chattanooga. You SHOULD HAVE ONE.
