

MATTERS LOCAL AND PERSONAL.

Brief Items of Interest to Town and County Readers.

Mr. G. L. Storie, of Blowing Rock, was here last week on his way home from a business trip to Bristol, Tenn.

Mr. Gus Cloer has come home from Charlotte and will engage in the grocery business here with his father and brother.

Mr. J. A. Courtney is making preparations to build a new dwelling on a lot he recently bought near the home of Mr. Mark Squires.

Mr. Frank Isbell, son of Rev. R. L. Isbell, of the Yadkin Valley, returned last week from Aurora, Illinois, where he has been attending school.

There will be a regular communication of the Hibernian Lodge No. 262 of A. F. & A. M. at the lodge room tonight. Work in the third degree. A man high up in the craft is expected to take charge of the meeting.

Rev. C. E. DuPont is making arrangements to build an addition to the south Lenoir Methodist church, the room to be used as a social meeting room or young peoples assembly room for music, lectures and other gatherings and Sunday School room.

Mr. J. S. Zimmerman, was here several days last week conferring with the Trustees of Davenport College, with a view to getting up plans for the new dormitory. Mr. Zimmerman is a skillful architect and has done considerable work for persons in Lenoir.

The Caldwell County Teachers Association will hold an important meeting in Lenoir next Saturday and business in connection with the big celebration and commencement for the 4th of April will be considered. It is hoped all the members of the Association will be present.

The Caldwell County Teachers Association will meet in Lenoir next Saturday at 10:30 instead of at Granite Falls, as was announced at the last meeting of the Association. The Preliminary contest for Speakers and Readers at the April Commencement exercises will also be held in Lenoir next Saturday.

We are informed that a man named Cobb has been soliciting subscriptions for The News in some parts of the County. We have no agent in the field and no one is authorized to take subscriptions for the News and if any one claims to be an agent ask him to show his credentials, which he will have in the shape of a written instrument if he is an agent.

Mr. C. B. Harrison was called to Williamsburg Virginia last week by a telegram announcing the death of his sister Mrs. W. H. Macon, who had been in failing health for some time. She was about 57 years of age and had undergone a serious operation in a hospital a year or more ago, with the hope of relief but the operation proved of little benefit.

The joint debate between picketed speakers from the Morganton and Lenoir Graded Schools, which was apart of the Triangular debates held all over the state on the same subject, was won by the Morganton contingent last Friday night. The speakers did well showing good preparation and much study and the discussion was enjoyed by a large audience. Of course there was some disappointment that the Lenoir speakers got "licked" here but there is some compensation in the fact that they won in Hickory. These debates are being held for the Aycock Memorial Cup, which will be awarded to the school making the best score.

Mrs. Kimborough, of Mocksville is visiting her daughter Mrs. J. M. Downum.

Mr. Harry Eicher returned yesterday from a visit of a few days in Winston-Salem.

Messrs J. M. Bernhardt and Mark Squires went to Raleigh yesterday on business.

Dr. A. A. Kent returned last Friday from a few weeks business trip to Oklahoma.

Mrs. C. C. Shell returned yesterday from a visit of several days to her sister-in-law Miss Helen Shell at Cleveland.

The News is piling on new subscribers daily and if your name is not on our list we want it there. Send us 25 cents in stamps and try it three months anyway.

The friends here of Mr. John M. Connelly, will be pleased to learn that his health is improved. Recently he was seriously ill at Dallas Texas, but later advices indicate he is much improved.

Rev. C. M. Pickens was called to Asheville last Saturday by the death of his sister Mrs. Weaver of Weaverville. The lady had been in poor health for some time and her death was not a surprise.

Mr. Knox, an old Confederate Veteran, who has been in failing health for some time and who is living with his daughter Mrs. Morgan in the eastern part of town, suffered a fall last Sunday and is in a critical condition.

Rev. J. F. Kirk of Statesville arrived yesterday and will conduct a series of services at Davenport College during the week. There will be two services a day one in the morning and the other in the evening.

We have had a number of men calling in this week and they all favor wide tires for wagons, except one, and say press the matter. Now the way to get these is to write to Mr. Wakefield and Mr. Crisp at Raleigh and ask them to have a provision put in the roads laws permitting the county commissioners to regulate the tire business by a special tax on narrow tires. No use to make good roads and then ruin them in a few months with narrow tires.

There was a meeting of the board of Trustees of Lenoir Graded school held yesterday morning, at which Mr. J. B. Atkinson, who has been chairman of the board for a number of years, tendered his resignation. He is engaging in business in Gastonia and expects to be out of Lenoir most of his time, hence he could not give the school matters the attention he feels they need from a member of the board of trustees. Mr. J. M. Bernhardt was elected to fill the vacancy.

Mr. W. E. French who represents the Great Northern Railway gave his illustrated lecture in the opera house to a good crowd of interested spectators last Friday night. He showed some fine views and made a good impression on the spectators. Of course there is much fine land along the lines of his railway and his company has the faculty of presenting the best features of the situation. In this connection we ask our readers to note carefully the letter of Mr. Ralph Parlier a Caldwell county man now living in Oregon, which we are publishing in this issue.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

New reading matter appears in this space each week.

Every Young Man and Every Young Woman

Should lay aside a portion of their income. And the time to begin? Right now. The easiest and surest way? To open an account with this bank, starting in with a small deposit; and to add to this regularly each week or each month. Many have tried this plan, many have succeeded. This bank receives deposits as low as a dollar, and is always glad to help those who are trying to help themselves.

Mr. E. L. Shuford is expected home today from northern markets where he has been to buy goods for his firm.

We understand the Princess Theatre, had the biggest run last Saturday night ever seen in a motion picture in this place. The show was fine and continued until ten minutes to 12 o'clock.

Good Roads Association.

The Caldwell county Good Roads Association met in the court house here last Saturday pursuant to the call of President Thompson and there was a fairly good attendance present. The bill that Mr. Wakefield, the senator from this county, proposes to introduce as a substitute for the bill prepared by the committee and sent to him recently, was discussed, but no action was taken on it.

A resolution was unanimously passed urging him and Mr. Crisp to work for the passage of the Committee bill, authorizing the people to vote on a bond issue and copies of the resolution were directed to be sent to the representatives. A call was made for the enrollment of names in the Association and a goodly number gave their names as members. A committee consisting of G. F. Harper, E. C. Ivey and H. C. Martin was appointed to draw a constitution and by-laws for the Association and to report the same at the next meeting. The matter of membership fee was discussed and it was decided to make it one dollar per year. The meeting adjourned to meet again on Saturday March 8th at 11 o'clock. The following named gentlemen gave their names for membership; R. G. Thompson, G. F. Harper, G. M. Goforth, J. F. Steele, Bruce Anderson, G. A. Tuttle, A. S. Peeler, W. Sudderth, C. J. Powell, H. B. Steele, G. O. Shakespeare, E. C. Ivey, D. C. Flowers, R. B. Bush, Fred Deal, J. M. Bernhardt, H. C. Martin and Y. D. Moore.

Doctors Use This for Eczema

Dr. Evans, Ex-Commissioner of Health, says: "There is almost no relation between skin diseases and the blood. The skin must be cured through the skin. The germs must be washed out, and so have long ago been found worthless. The most advanced physicians of this country are now agreed on this, and are prescribing a wash of wintergreen, thymol and other ingredients for eczema and all other skin diseases. This compound is known as D.D.D. Prescription for Eczema." Dr. Holmes, the well known skin specialist writes: "I am convinced that the D.D.D. Prescription is as much a specific for eczema as quinine for malaria. I have been prescribing the D.D.D. remedy for years." It will take away the itch the instant you apply it. In fact, we are so sure of what D.D.D. will do for you that we will be glad to let you have a \$1 bottle on our guarantee that it will cost you nothing unless you find that it does the work. J. E. SHELL & CO., Druggists.

BUSINESS LOCALS.
