Conductor Shuford Wounded.

Conductor Thos. W. Shuford of the C. & N-W. freight train on this division, who lives at Edgemont, had a difficulty with Charley Hendricks at Valmead yesterday morning about 10 o'clock as a result of which Mr. Shuford was stabbed across the left shoulder with a knife, the gash being about five inches long. The wound while serious is not considered dangerous. Hendricks was placed in the county jail at Lenoir by Sheriff Triplett to await the result of a hearing of the case before Magistrate Clarke at the court house in Lenoir, tomorrow.

From what we have learned of the affair, Hendricks was drunk and in attacking Mr. Shuford, thought he was cutting one of the foremen of the factory with whom he had a grudge. Mr. Shuford formerly resided at Gastonia, and has many friends here and all along his route who will regret to learn of this misfortune. His brother lost his hand in an accident at Gastonia a few weeks ago.

Teague-Poole.

The Statesville Landmark of Tuesday, gives the following account of the marriage of Miss Una Teague, who is a sister of Mr. H. M. Teagt, and Mrs. E. G. Powell of Lenoir, and is well known here where she has visited on several occasions:

"Miss Una Teague and Mr. James M. Poole, a youthful and popular young couple of Alexander county, were married in Statesville Saturday evening. The ceremony was performed at the residence of Mr. and Mrs. Chas. R. Gaither on Center street, by Rev. J. F. Kirk. While their friends knew that they contemplated matrimony, the marriage was a genuine surprise and bordered on a runaway. Miss Teague who is the attractive young daughter of Mrs. Robena Teague of Hiddenite, came to Statesville on the morning train Saturday on the pretense of making the trip purely for a visit to her cousin, Mrs. Gaither. By previous arrangement Mr. Poole, who is a son of Mr. O. F. F. Poole of Taylorsville, was already on the train when his bride-elect boarded it at Hiddenite and the two came to Statesville together."

"The good that men do is oft interred with their bones." As a general thing there is little of it worth saving.

An exchange says there is a little to be learned from bees, but as a rule people are not willing to take points from them.

He is a small man who will lie to make others think he is big.

A really good neighbor is one who never borrows and is always ready to lend.

Death of Mr. J. W. Abernethy.

Mr. J. W. Abernethy a resident of Lenoir and a native of Caldwell County, died at his home in this place Tuesday morning at about 8:30 o'clock, at the age of 49 years, after an illness of several months duration of Bright's disease.

Mr. Abernethy was well known all over the county and had a large circle of friends. He was a deputy sheriff of the county at one time and filled the office with credit. He was also in the employ of the Courtney Clothing Co., and Shuford & Abernethy here for a number of years.

The deceased is survived by his wife, one son, Mr. J. G. Abernethy of the Lenoir Drug Co., two daughters Misses Lucy and Ethel Abernethy of Lenoir, and two brothers who live near Granite Falls.

Funeral services were conducted at the Methodist church in Lenoir Wednesday morning at 10:30 by the Pastor Rev. C. M. Pickens. The burial being made at Belleview Cemetery. Mr. Abernethy had long been a consistent member of this church. The News extends sympathy to the bereaved family.

Report Of Cilley Corn Contest.

The News man has received a report of the Cilley Corn Contest which was inaugurated by Mr. J. L. Cilley on his farm near Patterson, for the purpose of getting the best possible results from his tenants. The first prize offered the tenants was \$50 in cash to the man making the largest yield per acre. The second prize was \$5 to all making over 50 bushels of corn per acre. The result of the contest is as follows:

R. L. Austin, 1st prize of \$50 who made 84 bushels and 9 pounds per acre.

J. W. Church won \$5 by making 61 bushels and 55 pounds.

E. P. Minish won \$5 and made 53 1-3 bushels.

W. W. Austin won \$5 and made 50 1-2 bushels.

Clyde Austin made a yield of 48 bushels and 20 pounds.

Mansfield Church made a yield of 44 bushels.

The average yield made by these six men was 57 1-3 bushels for one acre.

Mr. Cilley proposes to put on the contest again next year, with the exception that he will give his tenant, who makes the largest yield in the county per acre, \$25 additional in cash. This will give the winner, should he make the county's largest yield per acre, \$75 in cash.

This is an excellent scheme and proves a good thing not only to the land owner but the tenant as well and we should think such plans would be more generally adopted all over the county. The question of the largest yield per acre is the real business part of farming and all farmers should desire to increase their yields.

- "Don't sleep in hot rooms."
- "Don't avoid the fresh air."
- "Don't stuff yourself at meal time. Overeating reduces your resistance."
- To which we would add—when you take a cold get rid of it as quickly as possible. To accomplish that you will find Chamberlain's Cough Remedy most excellent. Sold by All Dealers.
