DEATH OF MR. A. SIMPSON.

One of New Berne's Foremost Mechanics and Esteemed Citizens.

Mr. John Archibald Simpson, died at his residence on Broad street yesterday, after an illness of about a week duration, though he has been in feeble health for a good while.

Mr. Simpson was a good industrious, upright Christian man, 47 years of age. He was born at South River, Carteret county. His father died when he was small and his mother then moved to Adams Creek, and afterwards to New Berne. At Adams Creek Mr. Benjamin M. Cook, a friend of the family, took the orphan boy, the only child to raise, and Mr. Cook's removal to New Berne was the cause of him and his mother coming here. Mr. Simpson remained with Mr. Cook until he was about 20 years of age and mastered the carpenter and builders trade under his instruction and followed it all his life. Numbers of beautiful and substantial buildings in the city are monuments to his efficiency in his calling.

Mr. Simpson's home was in New Berne from his boyhood, except a portion of the time during the war which he spent at Boone Hill, N. C.

Upon his return to New Berne he established an undertaking business in connection with his trade and followed both until his death. In the latter business he was at first for a short time in partnership with Mr. J. T. Matthews.

Mr. Simpson leaves a wife and an adult son, Mr. Herbert W. Simpson, who is an architect of Houston, Texas, and who arrived last night, having been telegraphed for.

Mr. Simpson was one of the oldest masons in the city; he was a member of St. John's Lodge No. 3, A. F. & A. M., and also of the Chosen Friends, Knights of Harmony and Knights of Honor, and will be buried with honors from those orders.

The funeral will be Wednesday evening from Centenary M. E. Church, of which he has long been a member, at 3 o'clock.

From the Durham Times.

A Kentucky church has deposited its minister for opposing Breckinridge. That church is hardly on record in Jehovah's court.

Louisiana sugar planters are trying to turn that state over to negro-republican rule, because Cleveland's administration did one righteous act—took off the robber sugar bounty.

Is It Walters, the Whistler and Swimming Man?

The Washington Post tells of a crank whose name is given as C. D. Walters of Atlantic City, who is on the way to see President Cleveland. He says he has been proclaimed major-general of the army, admiral of the navy and a superior officer over President Cleveland, and that he is going to Washington to assume his position and draw his pay.

There is a man whom we suppose almost every city reader of the JOURNAL will remember who has been in New Berne several times at intervals, performing swimming feats with a life-saving (?) invention of his whistling like a mocking bird and telling of a wind carriage, another invention of his for sailing along on the ocean beach. His initials are G. H. which does not tally with the initials of the man told of in the Post, but the description tallies exactly with that of the Walters who has been down this way.

Senator Jarvis

Will speak at Maysville, Jones County, on next Saturday, Nov. 3rd, 1894, at 11:30 o'clock, a. m.

For this occasion the Wilmington, New Berne and Norfolk Railroad Company will sell round trip tickets to Maysville and return from stations named below. Good on both North and South bound trains, for this day only, at the following reduced rates: From New Berne, 50 cents; Pollockville, 25 cents; Folkstone, 75 cents; Verona, 65 cents; Jacksonville, 50 cents; North East, 50 cents; White Oak, 25 cents.

Everybody is invited to come out, regardless of party preferences, and hear the facts plainly presented.

A barbecue and basket dinner will be given by the people in the surrounding country.

No news has yet been received from the supposed lost arctic expedition steamer, Falcon.

Pensacola, Fla., has had a fire, the loss by which is estimated at from \$100,000 to \$125,000. The Louisville and Nashville railroad warehouse was burned away, along with coal chutes and smaller buildings and cars. THE REVIVAL MEETINGS.

Sundays and Mondays Services.—The Subject For To-night.

Sunday morning in Centenary M. E. Church Rev. J. T. Lyon the pastor preached a sound and appropriate sermon from Jude 1:21 "Keep yourselves in the Love of God." The duty of the Christians in the avoidance of worldly amusements was one of the points specially dwelt upon.

At night Mr. Lyon preached from the incident recorded in the 36th chapter of Jeremiah, of King Zedekiah's, cutting to pieces with a pen knife and then casting into the fire the roll of threatening prophecies against him, his family and nation, which God sent saying "It may be that the house of Judah will hear all the evil which I purpose to do unto them, that they may return every man from his evil way, that I may forgive their iniquity and their sin."

The shocking impiety of the king in thus defying God to his face and the fulfillment of the terrible doom pronounced upon him was strikingly portrayed and the parallel was drawn between the king's conduct and those of the present who by their conduct are practically cutting God's word to pieces with the penknives of impatience, indifference and procrastination. A solemn, touching, persuasive warning was given to listen to God's providences and not to wait for his startling judgments.

When the call for penitents was made there was a prompt response and before the services were over several conversions Many remained to the aftermeeting and it was plainly manifest that the spirit of God was at work with both the Christians and the impenitent.

In the Monday afternoon meeting, Rev. G. G. Harvey read and ably commented as he read on 28 verses of the 9th chapter of Daniel.

Monday night another good revival meeting and after meeting were held. The sermon was from Rev. 20:12. It was upon the judgment of the last great day of every man according to his works as found written in the books when they are opened.

To-night Mr. Lyon will preach upon "What it is to Believe."

OSCAR J. SPEARS' SPEECH.

He Commands the Republican Vote—Populist Thompson Scarcely in It.

Mr. Oscar J. Spears, the Republican candidate for Congress from this district, spoke to a crowd last night which nearly filled the court house. He spoke nearer in a conversational, argumentative way than in an oratorical style.

His audience was composed almost entirely of colored Republicans and it was plain to see that they were pleased with his speech and that he was sure of their votes.

It looks as if Mr. Thompson stands no showing—as if the contest is between Mr. Shaw, Democrat, and Mr. Spears.

NAVAL RESERVES' MINSTRELS.

Elaborate Preparations Being Made—A Novel and Pleasing Production is Promised.

As much interest has been shown by the public in the forthcoming minstrels of the Naval Reserves as is possible. There are few theatre-goers who are not anxious to witness what is believed to be one of the most carefully arranged productions ever attempted by New Berne amateurs.

The who's "first part" will be gorgeously costumed, and the stage elegantly set with appropriate furniture. Messrs. W. T. McCarthy and Henry Winfield as "end" men will no doubt prove equal to the occasion, while the soloists will contribute the better parts of the programme—nothing nothing which might contribute to make the performance perfect.

One of the most unique features of the "second part" will be a Pullman car porter's drill, produced in total darkness and having for a finale a most astounding transformation flooded in red and green lights of great intensity. The tumbling and other acrobatic features will also be excellent. A negro sketch, entitled "Trial By Jury," will give lawyers many good points. A one act farce entitled "The Hypochondriac" will finish the performance.

The date for the production is Nov. 9. Seats will be on sale Wednesday, Nov. 7, at Nunn & McSorley's; prices 25c, and 50c.

VANCEBORO SPEAKING.

Joint Discussion all Saturday Afternoon—Good for the Democrats.

There was only a moderate crowd at Vanceboro Saturday, instead of the very large one that was expected, to hear the joint discussions; the rain diminished the attendance somewhat.

The speaking commenced at two o'clock and lasted until about night. Capt. Swift Galaway led in behalf of the Democrats taking an hour's time. Mr. W. E. Clarke, Republican, replied; Mr. J. W. Biddle followed, replying to Mr. Clarke and dwelling upon county affairs also. He spoke for three-quarters of an hour, and Mr. J. L. Hahn, Republican, followed in a speech of the same length. Then sheriff W. B. Lane and Mr. R. P. Williams each made short speeches, and when they were through Mr. Chas. Sutton, Populist nominee for the Legislature announced his withdrawal from the race, saying his action was by order of the executive committee.

This ended the speaking, and the Democrats were very well satisfied with the way their cause was espoused and with the result.
