COTTON SALES.
Wednesday—Sales 83 bales at 5 to 5.80.

"Thursday fair and warmer" was the weather bureau prediction yesterday.

Hon. F. M. Simmons and Gen' F. H. Cameron are registered at the Chatawka.

THE JOURNAL roster has made a break—a slight chance that he is in the "soup."

The complexion of the State Legislature still gives some fear to Democrats. We are still confident that everything is all right and we will not believe to the contrary till Chairman Pott has given it up.

Mr. J. W. Varnelson, representing the Ames and Burke music house of Norfolk, arrived on the steamer Mause to spend a short time in the city in the interest of the house.

We hear that a negro and a white man got into a dispute at La Grange over the election Tuesday and the latter latter shot the former in the forehead. The ball glanced and travelled around to the back of the head and the wounded man was going about yesterday.

To Purchase a Road Crusher.
The Board of City Council last night placed the matter of purchasing a rock crusher and machinery for razing it in the hands of the S. & P. committee with the Mayor added.

A good rock crusher ought to be secured. A road once built of rock is practically built forever and in a city owning a crusher a small portion of the streets can be improved at a time until the whole city has these substantial streets.

Fancy Street Parade.
The Naval Reserve Minstrels will give a fancy street parade tomorrow afternoon at four o'clock. The parade will be headed by a drum corps. Look out for it.

The advance sale tickets yesterday was very flattering, but there are a number of splendidly located seats left.

The opera house is expected to be crowded. The olio is said to be by those who have witnessed the rehearsal, simply "immense," and the various parts sustained with a professional finish that is rarely seen in amateurs.

Seats are on sale to-day at Nunn & McSorely's; prices fifty cents—no charge for reserving.

An Excellent Entertainment.
The Schubert 8, mphony Club and Lady Quartette held a very pleasing entertainment at the Opera house last night. Every member of the company is a musician. The ladies are accomplished instrumentalists as well as good vocalists.

Nearly every number on the program was accorded and the performers responded with favorite selections. Master Tommy Purcell is a precocious juvenile with power to please an audience. His allocutionary renditions were particularly good for one so young. The company will always be welcomed in Du. Bois—Du. Bois, Pa. Evening News.

Big Republican Claim.
The Republicans are making bold claims, as will be seen from the following telegram to Mr. Robert Hancock from the Chairman of the Republican State Executive Committee:
"GREENSBORO, N. C., Nov. 7, 1894.
Robert Hancock—State safe. Skinner, Cheatam, Stroud, Sattle, Shuber and Linney elect."

The rest of the Democratic Ticket for county officers are all elected from 10 to 25 maj. Will take the official vote to settle the result.

JONES COUNTY
Brown's Pop. for House, 73 majority.
Kooze, Pop. Co. Clerk, 39 majority.
King, Pop. Co. Treas. 65 majority.
Haskins, Dem. Register, 61 majority.
Dillham, Dem. Sheriff, 261 majority.
Thompson, Pop. Cong. 90 majority.
Senatorial ticket in doubt up to Wednesday noon.

CARTERET COUNTY.
Carteret county is Republican by from 150 to 200 majority.

LENOIR COUNTY.
Lenoir is still in doubt; it will take the official vote to decide Vance township gives 80 fusion majority and La Grange 150 fusion majority. Both these townships have been declared illegal and will probably be thrown out which will give a small Democratic majority.

GREENE COUNTY.
Greene county is Democratic. The judges treasurer and legislature have 200 majority; the county officers 300 majority. Galloways majority in Greene is said to be about 200.

BEAUFORT COUNTY.
From Aurora—the Populist made large gains at this place. Skinners majority at this box 40, 2 years ago Branches majority was 16; Skinners majority at this Township will be somewhat over 100, Branches 2 years ago was 65. Hooker, Dem. for the Legislature will be about one hundred behind in this township. For Judges the Pop. majority will be much larger. If the Pop. gain in all parts of the county in the same proportion as this township, they have carried the county by a good majority.

GENERAL ELECTION RESULTS

SLIGHTLY MORE FAVORABLE.
Our Solicitor Almost Certainly Elected—Indications are that the Senatorial is Also Elected.

North Carolina.
RALEIGH, N. C.—Nov. 7th, The returns so far indicate a fusion legislature. The judiciary is very probably Democratic. Settle's election is sure with a large majority.

MARSHALL, N. C.—The official count in Madison county gives Pearson, Republican, 1998, Crawford, Democrat, 1316, a Republican majority of 682. This is a Democratic gain of 18 over two years ago on congressional candidates. The senatorial and legislative candidates have about the same majorities.

Washington, N. C., Nov. 7.—Beaufort county elects Democratic legislative and county officers. The Democratic majority of the senators is 125. The estimated majority of the Populist Judges and Treasurer is fifty.

Mr. D. L. War received a telegram from Mr. Daniel, Democratic candidate for Solicitor, saying he had carried Bertie, Northampton, Halifax and Edgecombe counties. It is almost certain that Mr. Daniel is elected and the indications show well for Whitaker and Galloway for the Senate. Good for our district.

The latest news we have is that the outlook for the State is not so bad as some of the earlier telegrams indicated. There are certainly losses but we are hopeful of the ultimate result.

Virginia.
RICHMOND, Va., Nov. 7.—Later returns from the fourth district indicate that Thorpe, Republican, has carried Brunswick by a small majority, Powhatan by about 100, Mecklenburg by about 1200. The Democratic majority in the city of Petersburg and in Dinwiddie, Nottaway and Prince Edward counties is 1100 to 1200. The other counties in the district will have to be heard from more fully before the result is known.

In the ninth district there is a Republican majority.

In Bland, Wise, Polaski, Tazewell and Buchanan counties there is 1550 Democratic majority.

In Scott, Giles, Lee, Washington and Smyth counties 400, a net Republican majority, so far as heard from, of 450. The indications favor the election of Walker, Republican, by a small majority. There is a Democratic loss in the counties named of over 3000, compared with the vote of 1892.

Fuller returns from the fourth district give Thorpe, Republican, 375 majority over McKeon, Democrat. This includes the estimated Democratic majority of 450 in Dinwiddie county and the estimated republican majority of 150 in Prince George county.

There are no returns yet from Lunenburg county, and one precinct in Sussex county is missing. If the estimates for Dinwiddie and Prince George are about correct, and if Lunenburg county shaves the Democratic loss in the district Thorpe is doubtless elected by a majority of 300 to 500.

Decisive information cannot be given before tomorrow in the 10th district. Tucker's Democratic majority will reach 1200.

The steamship Berlin, just arrived at Southampton, had the stormiest voyage across the Atlantic that her captain had experienced since 1877. Third Officer Bromley was washed overboard and two sailors were badly injured by tremendous seas.

"Tis not the clothes which make the man, but they help."

Hats, Clothes and Shoes civilized men cannot do without. We've got to have 'em. Now we want your trade on them. When you need anything in this line see us. We don't expect to suit everybody and we don't get mad if you don't buy, but we think we can come as near suiting the majority as any one in New Berne. We are constantly receiving New Goods, New Collars, Cuffs and Ties.

NEWS IN BRIEF.

Yes, we remember full well of your telling us so.

Nothing like election day for taking the starch out of the "confident expectations." If Bacon is to be sent to the Senate from Georgia, why not Hogg from Texas? Secretary Carlisle did not favor the attempt to bring the English coachman into American politics.

The man who knew it all the time is now spending his spare time in explaining why he didn't tell it.

"Twere better to have been swallowed by a whale than to have lived to be taken for a political Jonah."

The Washington rhyesters who are writing verses on vaccination ought to be looked after by their friends, if they have any.

In a day or so the excitement will have died out and neighbors will again be on speaking terms.
