A new material composed of coir fibre which is obtained from the husk of the cocoanut, mixed with bitumen, is about to be introduced into England for road paving. When formed into blocks and laid on a roadway it forms a surface which is said to possess all the advantages of wood and asphalt, with none of the objections to those materials. It is wholly impervious to moisture, gives a sure foothold to horses, is very durable, is, moreover, very cheap, and the old material can be utilized again and again for making new blocks.

BABY A SOLID SORE

Tried Everything without Relief. No Rest Night or Day. Speedily Cured by Cutlcura.

My baby, when two months old, had a breaking out with what the doctors called eczena. Her head, arms, feet, and hands were each one solid sore. I tried everything, but neither the doctors nor ranything else did her any good. We could get no rest day or night with her. In my extremity I tried the CUTICURA REMEDIES, but I confess I had no faith in them, for I had never seen them tried. To my great surprise, in one week's time after beginning to use the CUTICURA REMEDIES, the sores were well, but I continued to use the RESOLVENT for a little while, and now she is as fat a baby as you would like to see, and as sound as a dollar. I believe my baby would have died if I had not tried CUTICURA REMEDIES. I write this that every mother with a baby like mine can feel confident that there is a medicine that will cure the worst eczema, and that medicine is the CUTICURA REMEDIES.

MIDS. BETTIE BIRKNER, Lockhart, Texas.

CUTICURA WORKS WONDERS CUTICURA REMEDIES cure every humor of the skin and scalp of infancy and childhood, whether torturing, disfiguring, itching, burning, scaly, crusted, plumply or blotchy, with loss of hair, and every impurity of the blood, whether simple, scrofulous, or hereditary, when the best physicians and all other remedies fall. Parents, save your children years of needless suffering. Cures made in childhood are permanent.

Myscalp was covered with white scabs, causing burning and itching. When they came off, the scalp was raw. Doctored to no purpose. CUTT-CURA REMEDIES helped me at once. I recommend them to every afflicted person.
