More Unlawful Dredging.

We have been informed that thirteen dredgers are operating in Pamlico sound. There are reports that more extensive

dre lging still is in progress.

According to the law all oysters taken nust be sold in North Carolina only, and if the dredgers are shipping the oysters to other states, as they no doubt are doing, they they are violating the law in that particular also, as well as in not complying with the previsions of the law in the work itself, and the law should be en- Hollister's.

Senator Theo. White of Hertford, Chief Inspector of She'l Fish, is in the city. He arrived in the afternoon. He says that he has been unable to find any proof that Inspector of She'l Fish, is in the city. He arrived in the afternoon. He says that he has been unable to find any proof that Inspector of the Inspector of She'l Fish, is in the city. He is mother's, Mrs. Emily Thomas, and Rev. F. H. Johnston, D. D., is at Mr. C. E. Foy's. dredging for oysters is going on either lawfully or unlawfully in our sound.

Sen. White further says that every feature of the new law will be rigidly enforced, and we hope it will be. The inland waters of North Carolina are valuable, and they should be made to yield

their rich resources to on" home people, and not to those living beyond the borders of the State unless they come within the requirements of the law.

### The Cotton Prospect. Latham, Alexander & Co., under date

of April 6th say: "In our circular letters of December gers arrived here today to take the train the danger line, and rising tapled."

15th and February 16th, attention was for Wilmington in the morning. Weather ness of the rise is phenomenal, Mr. Von of cotton had declined far beyond what the unfavorable conditions and depreciating influences warranted, and was below

the cost of production. "We stated also that we did not think it unreasonable to predict a material advance in prices during the next few

"Since these letters were written business has greatly improved and broadened in all the markets of the world, and prices have advanced on an average of three-

quarters of a cent per pound.
"It is reasonable to believe that the advance in prices is permanent, and if the anticipated improvement in trade gener-ally is realized much higher prices for cotton will rule.

cotion will rule.

"Such will certainly be the case if the planters of the South will simply exercise good business discretion by materially reducing their cotton acreage, which is so manifestly to their interest, in order to relieve the world of the apprehension of overproduction again this year.

"It would be truly unfortunate for the South if the present advance in prices abould stimulate planting beyond present expectations."

AMPLIFIED 3RD DEGREE R. OF P.

In the City of Elms and Vicinity, Received by Fourteen New Bernians-Conferred by the Goldsboro Team With Wilmington and New Berne Assistants-The Banquet.

On Tuesday night, 9th, inst., the am pliffed or long form third degree in the Mr. Willie Stallings formerly of New Order of Knights of Pythias was conferred upon fourteen New Berniaus; viz

Messrs, George Green, Ralph Gray, Numa Nuon, J. G. Brinson, H. T. Brinson, T. G. Hyman, A. J. Gaskins, J. J. Buxbe continued this morning at ten o'clock. Widow Hant' at the theatre last night to ter, Edward Cohen, J. L. Moody, W. C. and W. B Sanford.

The degree was conferred by the team of Ruffia Lodge, No. 6, of Goldsboro, and assistants belonging to the New Berne and Wilmington teams, There were in all twenty-five visiting

In Distress Near Cape Lookout Light. Special to JOURNAL)

BEAUFORT, N. C., April 10th-The steamship Croatan, Capt. Hanson, of the Clyde Line, bound from New York to Wilmington, N. C., was di-covered leak- At the weather bureau to day Mr. Von ing at 4 p. m. on the 9th inst. She was Hermann said that the raintalls were pheimmediately headed for the shore and is nomenal. Most of the rain fell Sunday now anchored east of Cape Lookout at Chapel Hill 4.75 inches, Reports at 8

The captain has wired for assistance, above the danger line, and rising rapidly,

GREAT DISASTER IN WHEELING.

Five Story Building Collapses Carrying Ruin and Death in its Downfall-Loss \$200,000. A five-story building in Wheeling, West

Virginia, occupied by two firms, fell without warning at 8 o'clock on the morning of the 8th inst. Ten people were buried in the ruins. Six were killed and others injured.

Fire added to the horrors and they were

still further increased by dread of a mighty explosion from a car load of turpentine and oil in the building. This was averted The loss is over \$200,000. The building was defective and had been con

ing was defective and had been con-demned two years ago, and it was crimi-nal negligence that it had not been torn down.

Father F. H. Perke, a catholic divine was one of the victims. He was vicar general of West Virginia diocese, and chaplain of Mount Dechantel, the Catho-lic seminary here.

## EVANGELINT DAVIS ARRIVES.

And Regins a Series of Meetiers a the Church of Christ.

Rev. D. W. Davis, of Washington. State Evangelist, Legan the series of meet ings, as formerly announced, in the Church of Christ in this city, last evening to a large audience.

that were also well attended. Mr. Davis' discourse was from Matt. 7

24.— "Therefore, whosoever heareth these sayings of mine, and doeth them, I will liken him usto a wise man, which built his house upon a rock." The subject was a good one, and clearly and foreibly expounded, the practical

the line of argument. The church was nearly filled with people, but the pastor announced that there Gen'l W. J. Woo fard, of the Uniform need be no fear but that sears will be fur-

### IMPROVE MAIL FACILITIES.

Other Advantages That Would Accrue Should the Proposed Change on the W. N. & N. R. R. Take Place.

We announced that a change of schoolule was in contemplation on the W. N. & N. R. R. which if adopted would cause the two daily trans to swap runs, main feature the prohibition of dredging morning train, pleased with their visit that is that the regular passenger train as a means to procure ovsters and the New Berne Lodge delighted at would leave Wilmington in the morning it is not my purpose to would leave Wilmington in the morning condema the men or motives which and New Bernelin the afternoon and vice prompted and promoted the passage of this law. Charity would demand of the making the amouncement some of the at least, a concession of hose panels to the bandon position. advantages that would result from such a pose regardless of the baneful result change if it were made and the mail which tollowed Again, no also also so change it is were than under that others are often the best guide, we have schedule but there are other advantages to arrive at that which is right and still that could be mentioned.

The pa-serger train would of course proper, have a quicker schedule and we would Makely not, which, had at remains the accordingly get mail from Wilmington repealed, would of itself have some

n the day than we naw do. Moreover, a freight train cannot be business relied upon to make its schedule time. entails positive discomfort upon the mail is a lamentation over the presumed the agents who have to meet the train and bot that whereas the Makely law was reject there on schedule time and wast until it ed, no more prosperity is, as fat as

are from two tothree nules each distant from would not be well while pub ishing to the point on the road where they get the mail, while Swansboro, Palo Alto, Cathatine dal, to publish a chapter of good rine Lake, Tar Landing and Gum Branch things, and thus enlighten the number are at still greater distances, being as far his renders rather than unisrepresent the away even as sixteen miles

And yet all those who carry mail back and forward between the train and these by the Economist-Falcon, I submit the post-offices have to be on hand in time following and wait until the train arrives and some want out in the weather whatever it may is better than the "Lucas" law,

half of himself and all other citizens vs. the meetings and when the devotional would be arranged under the change which meets with the approval of the would give those who come to New Economist-Falcon, is thus revived and a Beine for a brief trading trip, a little more time in the city and it would give the full proposed time, whatever it was reliably. This would be good both for the passage of the "Lanca" law. the people near New Berne and for our It would also work well for Wilming

ton. It would give quick and reliable communication between the city and those especially would feel the difference for their subscribers would then at the various post-offices, know just when they ould get them and be all the better satis fied thereat.

But one of the greatest advantages to New Berne would be the close connection that could then be made at Wilmington both North and South with mail that eaves here in the atternoon making us almost a day ahead of what can be done now with matter maited in the after-

This would be a great advantage espocially in notifying of truck or other shipments and in other business trans

## actions where dispatch is required, DISASTROUS RIVER FLOODS.

Roanoke, Cape Fear and Other River Raging-Cape Fear Four Feet Above Danger Line at Fayetteville and Still Rising - Many Bridges Gone.

The weather bureau's warning of B. New Berne. Less than car load lot trouble by the overflowing of rivers is at 8 cents F. o B., Nortolk, Double up being amply verified. From Raleigh with your neighbor it you do not wish correspondence of the Messenger we take

"There is no fear of further frost now. But the floods are doing far more damage than frost could have d'ne in this section, light with 5 feet of water in her forward o'clock this morning stated that the Roanoke at Weldon was 31,2 feet or 4 feet The captain has writer for associated and report from the Capo Fear at Fayette-ville said it was 42 feet, or 4 feet above

Hermann says: "In this county the loss is heavy, Backwater in Crabtree creek carried away the bridge (the highest in the county) at the county home. Other bridges on Neuse river and other streams are gone. Lowand crops are badly hurt. The worst of the rain was from Chapel Hill porthward into Virginia. No more railway washouts were reported to-day. A careful watch was kept last night by railway

sion 10 cents.

Co-partnership Notice.

I have this 10th day of April, 1895. sold a one-half interest in my insurance agency to Samuel W. Smallwood, and the business will bereafter be conducted under the firm name of M. R. Howarn & Co., office over the Farmers' and Merchants

## ABOUT THE NEW OYSTER LAW

APPROVE ITS GOOD FEATURES

And Give the Whole Law a Fair Text Before Rendering Adverse Judg

Previous introductory services were held by the pastor, Rev. D. A. Brindle, pondest noticed an editorial para graph in a recent number of the Economist-Falcon, which sounds like the wail of some disappointed and dismen bered bount of undnight darkness, as be chants a direful cherus in a minor strain. As we do not have the paper to hand, we will try and give the substance of the side Leing so plainly dwelt upon that masterpiece of thinly information as hest

scarcely anyone could fail to comprehend we can.

1. The editorial gives a gloring delittle city, commonly known as "Elle death City," which, for accuracy in detail, must need be not lear out that sears will be full-mished all who attend, as arrangements had been made to place chairs if neces-sary.

The approval of all who have ever vested this hospitable town. In buc, a-we read the graphic and glowing description, we felt like we were in a measure guilty of the sm of envy. But imagina our surprise when we came to the second tanza of this melodic chant, viz: a dissectation upon the ov-ter laws of the paand present,

We are reminded that all the trouble with regard to stagnation of the overindustry is but a degitimate result of the passage of the act of 1891, known as the
