## WITH HIS FRIENDS.

### VICE PRESIDENT STEVENSON AT RALEIGH.

Entertained royally, the Vice President enjoys his visit. Left for Washington this afternoon. Declines to talk politics.

**Special.**  
RALEIGH, N. C., June 5.—Vice President Adlai E. Stevenson spent four hours in this city today, as the guest of Secretary of State Charles M. Cooke.

Mr. Stevenson called upon Governor Orr, was entertained by the Capital club and held a public reception at the hotel. The Vice President was delighted with the attention shown him.

Mr. Stevenson, with Gen. W. R. Cox, left for Washington, D. C. this afternoon. He declined to talk politics, but said he would express his views on silver at the proper time. He has been invited to deliver the address at the State Fair next October.

#### Outbreak in Crete.

**CONSTANTINOPLE**—The outbreak in the island of Crete has had the effect of increasing the rigor of the policy pursued by the palace authorities against suspects here. As a result of this activity 1,500 arrests have been made. Most of those arrested are Moslems, and include 173 students at the military college, who are suspected of being in sympathy with the Young Turk movements. Besides these arrests many officials have been deported to distant provinces, and some have been secretly put to death.

**ATHENS**—A number of Cretan refugees arrived at the Piræus. They report that all business in the towns on the island of Crete is at a standstill, and that all the country districts have been pillaged.

**BERLIN**—A dispatch from Athens says that a detachment of Turkish troops, eighty five in number, which had returned from the recently-besieged town of Vamaf, was attacked by the Cretans and cut to pieces, only two succeeding in making their escape.

#### Truck Markets Quotations.

**Special.**  
PHILADELPHIA, June 5.—The following are the latest prices on truck, quoted by J. F. Hobson & Co.: Beans \$1.75 to \$1.85; prime potatoes \$3.00 to \$3.50.

**NEW YORK**, June 5.—The following are the latest prices on truck, quoted by Pape and Deyo: Potatoes \$2.50 to \$3.25; beans \$1.75.

#### Maine Populists.

**LEWISTON, ME.**—The Maine Populist Convention was held in Auburn, with 425 delegates. The resolutions reaffirm devotion to the principles of the Omaha platform; demand the coinage of both gold and silver in a ratio of 16 to 1, without asking the consent of any other nation; demand the payment of our bonded debt, and that hereafter no bonds shall be issued under any circumstances, and that Congress shall assume its constitutional right to issue a greenback currency, which shall be a full legal tender for all debts, public and private, until the sum total of money in circulation shall reach \$50 per capita.

The resolutions also favor government possession of all railroad, telegraph, and telephone systems; that all undesirable foreign immigration be prohibited, and that all trusts and combinations, founded for the purpose of speculation, shall be forever prohibited, and their promoters treated as public outlaws.

#### North Dakota Democrats.

**JAMESTOWN, N. D.**—The State Democratic Convention elected delegates to Chicago, instructed to vote for a plank for the free coinage of both gold and silver at 16 to 1.

The resolutions endorse the Wilson bill, favor the election of United States Senator by direct vote of the people; endorse the utterances of Senator Boies on currency questions, and demand legislation that shall restore silver as a money metal, admitting both gold and silver to free coinage at 16 to 1.

#### Yale Seniors Elected.

**NEW HAVEN**—A party of nearly 100 Yale seniors defied the college authorities and tore down the stinging erected to put in place the new statue of the late President Woolsey. The faculty and corporation have voted to put the new statue in front of the Yale house near the Durfee Hall, virtually abolishing the play and general meeting and frolic ground of the seniors. It is known that there was opposition to the site chosen in both the faculty and corporation, but the dissenters were outvoted. There is much feeling on the matter at Yale.

The eleventh annual commencement of the Bryn Mawr College for women was held in Taylor Hall, Bryn Mawr, Pa. The hall was tastefully decorated and presented a beautiful appearance. Degrees were conferred on a large class of young women, a greater part of whom were from New York, New Jersey, and Maryland.

## Crossed the Trocha.

**Special.**  
NEW YORK, June 5.—The Cuban insurgents are reported as having crossed the trocha, or the Spanish entrenched line, which crosses the island.

#### Fatal Cloud-Burst.

**FLEMINGSBURG, Ky.**—A terrific electric storm and cloudburst swept over this country and two farmers were struck by lightning. One (Abram Carpenter) was instantly killed. J. R. Hall was fatally shocked. The storm wrecked several buildings and washed away three railroad trestles.

#### W. C. T. U. Convention.

**Special.**  
RALEIGH, June 5.—The fourteenth annual State Convention of the Woman's Christian Temperance Union began its meeting here today, Mrs. Mary E. Cortland, presiding.

#### South's Progress.

**BALTIMORE**—The industrial progress of the South during the last week as shown by the reports of the Manufacturer's Record, has been continued with the activity that has been prevailing for the last year. While there has been a decrease in the number of new industries announced, the character of these is such as to assist in the upbuilding and permanent prosperity of this section. Especially in the establishment of plants for manufacturing for the market the South's great staple, is the activity in new companies marked, and this has been the rule for several years. The cotton mills reported for the week ending June 5th for instance, will require the investment of capital to the extent of about \$900,000.

#### Minister Ransom Here.

**Special.**  
RALEIGH, N. C., June 5.—Minister Matt W. Ransom was in the city this morning, on his way from Mexico to his home in this State. Mr. Ransom has a month's leave of absence.

#### Kate Field's Funeral.

**HONOLULU**—The funeral of Kate Field, who died here on the 19th instant, took place the day following. The body was embalmed and placed in a temporary vault. Final disposition of the remains will depend entirely upon news which Counsel General Mills receives from the United States.

About the time she was preparing for her visit to the islands a coast paper published a statement to the effect that Miss Field had said she was going to Hawaii and might die there; if she did, she wanted her remains taken back to the United States and buried by the side of John Brown at North Elba, N. Y. The funeral was attended by President Dole, the members of the Cabinet, and a large number of leading citizens.

Miss Field was taken ill on the 13th at Kailua, a small hamlet of Hawaii. She complained of feeling pains in her chest but did not consider the matter serious. She took a bad turn and a few days later was placed on board of an island steamer. She died half an hour after the vessel reached this port. Pneumonia was the cause of her death.

#### Adjournment of Congress.

**WASHINGTON**—Congressman Sawyer, of Texas, who heads the Democratic minority on the Appropriations Committee of the House, stated that there was no reason now why Congress should not adjourn next Sunday. The five appropriation bills now in conference were all that had not been passed, and all five of these, he said, would probably be passed tomorrow. These bills were the post-office, District of Columbia, sundry civil, Indian, and naval appropriation bills. The only item of importance on which there is a disagreement in the naval bill, he said, was whether there should be four ships or two. It had been agreed, he said, to make an appropriation for three ships. All the differences in the other bills, he said, were now practically settled.

#### A Lynching Probable.

**MURPHY, N. C.**—Special Deputies, Bell and Beavers brought Angus Brown to town and lodged him in jail, charged with the leucis crime of committing rape on Mrs. Robert Hampton, a young married woman, whose baby is only five five months old.

The crime was perpetrated in Hot House township, and it was all the officers could do to keep the people from lynching Brown, who was at the time under the influence of whiskey.

He went to Hampton's house, dragged Mrs. Hampton out in the woods, struck her three blows on the head with a fire shovel, one lick cutting to the skull, and was only frightened off by hearing some one shout in the distance.

In less than twenty minutes after committing the crime, he was caught and ordered to jail by the magistrates.

The injuries of Mrs. Hampton will probably cause her death. Her husband was away from home at the time the deed was done.

Brown has a bad character. He has only part of his skull now, the result of a fence at Ducktown some time ago. He may yet be lynched.

The seventh annual Scotch-Irish Congress is in session at Harrisburg, Pa.

## THE ORDERS REVOKED.

### THE NAVAL RESERVES OFFICIALS FREE.

**The Tarretted Monitor Amphitrite And Cruiser Raleigh to Visit Southport. A Gay Time on The Cape Fear.**

**Special Correspondence.**  
SOUTHPORT, N. C.—Southport people and visitors will probably have the opportunity of seeing both of these ships this summer.

The amphitrite is to reach Southport harbor on June 24th for the cruise of the North Carolina Naval Reserves. Capt. W. C. Wise commanding.

The cruiser Raleigh will leave New York for Charleston with a monitor in tow on July 24th.

The Department will give permission for the cruiser to put into Southport on her return trip, if the testimonial is ready to be presented at that time. In all probability the present will be ready by that date.

We have these facts kindly furnished by Lieutenant Commander Morton, of the Reserves, who has been in correspondence with the Navy Department.

The Lieutenant Commander also states that orders No. 1 and No. 2 have been revoked. Order No. 1 placed all property of the Reserves under charge of the Adjutant General of the State, and No. 2 ordered that all correspondence be carried on through the same officials.

The effect of these orders would have been to ignore the Commander, but they have been happily countermanded by the Governor.

#### Thirty Were Drowned.

**TAMPA, Fla.**—Cuban circles are agitated here over the arrival of fifty-four members of the Bermuda expedition, who came from Sambo Creek, Honduras, via Mobile. This expedition left Jacksonville during the latter part of April. While the crew were disembarking on the Cuban coast the Bermuda was approached by Spanish warships and had to escape. More than thirty Cubans were drowned during the excitement. Some were safely landed. Szarraga, the commander, landed, but Arenco, second in command, is here.

Advices from Honolulu state that President Dole has received a peremptory demand from England to allow Volney Ashford to land on Hawaiian territory. Ashford and his brother, Clarence, took an active part in the revolution of 1895, and were exiled.

The Porte has received information that a disease, which is believed to be the plague, has become prevalent among the men comprising a regiment of Hamidieh cavalry, stationed at Cusa Oghusa, in the Vilayet of Bitlis, Asia Minor, and an inquiry into the nature of the disease has been ordered.
