A FORGOTTEN CLASS.

The time is very near for the ing to my scale"-and he instances Convention, and what its course of from bough end to bough end." action will be is a matter of very grave importance to the Democratic party of this State.

The serious agitation within the party on the currency question, waged, can be said to have subsided, the free coinage Democrats, the the platform.

party questions.

which the Democracy of North Carextreme caution, is its recognition of its young Democracy, and this class ed and wanted, not only wanted all over. when political battles are to be fought, and time and money are wanted, but when the fight is over and victory secured those who have been through the thick of it should come in for something, and not be compelled to take back seats for the "Veteran politicians," who honore? time and again, think that age alone is entitled to recognition of about half way we passed through ing is list of camps by States: the substantial kind.

There is the greatest need of nificent oaks, tall and graceful or 60, Georgia 54, Louisiana

Hithertofore there has been blind following of 'machine leaders' a tree. who have rewarded according as it forwarded their personal interests, niment, and a splendid addition,

Any political line of promotion, meant subserviency to "machine," and this made a limited few the beneficiaries, and these usually secured recognition through means not entirely due to individual political effort.

The coming campaign should see an entire change in this. Young democrats should be made to feel that they were a part of the party both in times of political peace and war. In the success of the party, individual work and ability should not be outclassed by years in office, or party services of ten or twenty years ago.

The past has rewarded those who fought Democracy's battles, very fully in most instances, and a perpetual office holding class in the

Democratic success is to be found in young men. These must be imwhen such is due.

rains, and when twenty or forty the Havana dispatch as though it of them, didn't seem to want their childpast when age alone represents States.

Grand Old Oaks.

The reading of the item in the Journal yesterday in reference to a "magnificent walnut tree" near Broad creek swamp, has suggested to us the making of a little note of some fine old trees which we "lighted upon in a certain place."

Even if the Spanish merchants we don't believe a better teacher for our childree could be fenad, if they wished to learn anything, and bespeak for him anceess wherever he goes. He tells us he has been in this business near 15 years, which ought to be a proof of his attainments and ability as a school teacher. In conclusion we will say that white, as we had, some may have acted in bud faith at with Spain in this Cuban struggle first, we believe a better teacher for our childree could be fenad, if they wished to learn anything, and bespeak for him anceess wherever he goes. He tells us he has been in this business near 15 years, which ought to be a proof of his attainments and ability as a school teacher. In conclusion we will say that white, as we said, some may have acted in bud faith at with Spain in this Cuban struggle first, we believe a better teacher for our childree could be fenad, if they wished to learn anything, and bespeak for him anceess wherever he goes. He tells us he has been in this business near 15 years, which ought to be a proof of his attainments and ability as a school teacher. In conclusion we will say that white, as we had, some may have acted in bud faith at with Spain in this Cuban struggle first, we believe a better teacher for our childree could be fenad, if they wished to learn anything, and bespeak for him anything.

P. S. People who do a struggle which ought to be a proof of his attainments anything. And bespeak for him anything and bespeak for him anything and bespeak for him anything. Anything and bespeak for him anything.

driptions are comparative-and and who will take the place of me sections and localities must Spanish merchants as purcha necessarily exceed others in their developments and growths. The most remarkable in all the world for its natural characteristics, and huge trees is in our own sisterhood of states, in the Versuite Ville. of states, in the Yosemite Valley, same race with themselves, who are of states, in the losemite valley, same race with themselves, who are near San Francisco, in California, where the Merced river runs to reight miles through a wild gorge, ican goods because Americans from a half mile to mile wide, on sympathize with the Cubans as they either side of which the cliffs rise to a height of four thousand feet, and NTHE, invariably in advance, \$1.00 the Yosemite Fall pours its vast volume of water sheer down twentyfive hundred and fifty feet. DON'T STOP TOBACCO.

HOW TO CURE YOURSELF WHILE USING IT. The tobacco habit grows on

man until his nervous system is ser iously affected. Impairing health, comfort and happiness. To qui suddenly is too severe a shock to the system, as tobacco to an inveter ate user becomes a stimulant that his system continually craves, "Baco-Curo" is a scientific cure for the tobacco habit, in all its forms, Liver & Kidney Regulator. carefully compounded after the for mula of an eminent Berlin physi cian who has used it in his private practice since 1872, without a failure. It is purely vegetable and guar selected Roots and Herbs, the medical properties of which are described in the U.S. anteed perfectly harmless. You can use all the tobacco you want while taking "Baco-Curo," It will notify Dispension are described in the U.S. Dispension as efficient Cholagogues, Cathartics, Dispheretics and Diuretics. Employed with great advantage in Billions Fever, Hepatic Congestion, Intermittent Fever and Febrile complaints generally, and Dys you when to stop. We give a written guarantee to cure permanently any case with three boxes, or refund the money with 10 per cent interest. "Baco-Curo" is not a substitute, very advantageously in cases of Duodenal indigestion and Chronic Constitution. For Torpidity of the Liver and Kidneys, but a scientific cure, that cures without the aid of will power and with no inconvenience. It leaves the Colic, Fover and Ague, Melancholia, Gravel Dysentery, Jaundice, Backache, Urinary Disorders, General Inflammation system as pure and free from nico tine as the day you took your first chew or smoke.

> CURED BY BACO-CURO AND GAINED THIRTY POUNDS.

From hundreds of testimopials the originals of which are on file and open to inspection, the following is presented: CLAYTON, Nevada, Co. Ark.,

Eureka Chemical & Mfg., Co. For La Crosse, Wis. - Gentlemen: forms. For twenty-five years of that PARTS OF THE CITY AT time I was a great sufferer from general debility and heart desease. For fifteen years I tried to quit, but couldn't. I took various remedies, among others "No-To-Bac," "The Indian Tobacco Antidote." "Double Chloride of Gole," etc., etc., but none of them did me the least bit of good. Finally however, I purchased a box of your "Baco-Curo" and it has entirely cured me of the habit in all its forms, and I have increased thirty pounds in weight and am relieved from all the numerous aches and pains of body and mind. I could write a quire of paper upon my changed feelings and condition.

Yours respectfully, P. H. MARBURY, pastor C. P. Church, Clayton, Ark. Sold by all druggists at \$1.00 per box; three boxes, (thirty days' treat-ment), \$2.50, with iron-clad, written guarantee, or seut direct upon receipt of price. Write for booklet and proofs.
