THE POPULISTS.

NO DEFINITE RESULTS OF CONVENTION.

Weather Very Hot. Middle-of-the-Road Claims to be Ahead. W. V. Allen, of Nebraska, Permanent Chairman.

St. Louis, July 23.—Convention was called to order at 10.11 a. m. by Senator Butler of North Carolina.

Early the weather was clear and pleasant. Leading Populists here generally agreed that platform should follow closely the Omaha platform of four years ago.

Both Bryan and anti-Bryan men claimed a majority. A poll of the Convention showed, Bryan, 613, for a Populist ticket, 428, doubtful, 201.

One of the features of the Convention, today, was a song, given from the platform by a delegate.

The heat was intense towards noon, and men went in their shirt sleeves and the women in their shirt waists.

There was a contest of over an hour to endorse Bryan, without Sewall, and at the same time to endorse Populist identity.

Senator Allen, of Nebraska, and J. E. Campion, of Maine, were the two most prominent names mentioned for permanent chairmen.

Owing to delay in report of Committee on credentials, a recess was taken until 3 p. m. This was carried after considerable discussion.

Convention was called to order at 3.37 p. m., a partial report of Committee on credentials was made, recommending in Illinois contest that both delegations be seated, and given half a vote each.

On motion the Colorado contested case went over one hour, or until the minority report had been presented.

Jerry Simpson made five minute speech favoring minority report.

Darrow, of Chicago spoke in favor of minority report.

On roll call of States on motion substituting minority report, to seat Taylor delegation, of Cook county, Illinois, the motion was lost by a vote of 665 to 642.

The vote was challenged and secretary called roll for verification. The majority report was adopted seating both Illinois delegations.

This was considered a victory for the middle-of-the-road men.

Considerable confusion prevailed. Roll of States was called on question of substitution of minority and majority report of committee for permanent organization.

Senator Wm. V. Allen, of Nebraska was elected permanent chairman, by a vote of 758 to 564.

Tremendous cheering and applause. Delegates threw their hats and coats into the air, and waved flags, marching up the aisle. Confusion prevailed for some time.

Senator Allen was escorted to platform and introduced by Cyclone Davis, of Texas. The Senator addressed the meeting.

A DAY OF INACTION IN THE CONVENTION.

A Few Speeches and Applause Make Up Day's Doings. Waiting For Populists to Declare Themselves.

SPECIAL. ST. LOUIS, July 23.—Convention was called to order at 10.30 a. m.

Motion to appoint a committee on Ways and Means, was carried.

Chas. A. Towne, of Minnesota, addressed the convention. Was frequently interrupted by cheers and applause. He said Bryan represented the cause of humanity against injustice.

The mention of Teller's name produced cheers, and at Bryan's name cheers were loud and continued.

Ex-Governor St. John, of Kansas, was called for and responded. St. John's mention of Cleveland was greeted with laughter.

Mrs. Helen Gougar, of Indiana, addressed the convention.

Judge Shelton, of Connecticut, addressed the convention.

Hon. R. A. Cole, of Wisconsin, addressed the convention. He took issue with that part of Mrs. Gougar's address advocating prohibition, and defended the brewing companies interests of Milwaukee and St. Louis.

Cole was interrupted, the chairmen rapped for order and declared he must be heard. Great confusion.

After this speech recess was taken until 2.30 p. m.

Convention was called to order at 3.30 p. m. by chairman St. John.

O. B. Lane, of California, was requested to speak five minutes on the gold side. His speech was well received.

The motion of chairmen that when convention adjourned it would be to meet tomorrow at 10.30 a. m. provoked a general and heated argument.

A motion to make adjournment hour 10 a. m. tomorrow, was carried.

A poll of the former political affiliations of the delegates was taken, and was as follows: Republicans, 528, Democrats 135, Populists, 49, Prohibitionists, 9, Greenbacks, 1, Independent, 13.

Treasury Gold Reserve.

WASHINGTON.—The Treasury gold reserve at the close of business had declined to \$86,889,528. The Wednesday's withdrawal was \$2,778,500, of which \$2,012,000 was for export.

Secretary Carlisle and Attorney General Harmon have returned here and resumed their duties.

Why He Suffered.

Richmond, Va.—Mr. M. E. Ingalls, president of the Chesapeake and Ohio Railway Company, is in town. He has been a Democrat all his life, but has made up his mind to vote and work for McKinley. Mr. Ingalls believes no worse calamity could happen to the country than for it to adopt free silver. He takes rather a gloomy view of the situation. If the Chicago ticket is defeated he looks for better times. Just at present the Chesapeake and Ohio Company is not making any improvements for its officials are not willing to take big risks in expending money when, in their judgment, business throughout the country may become paralyzed as it has never before been.

Man in Gutter.

HALIFAX, N. S.—The intense excitement here over the triple murder on shipboard continues. The story of the passenger, Leslie Monck, is accepted as being upon Bram, the first mate of the Herbert Fuller, the guilt of the awful crime.

Monck seems to have made a confidant of the steward, the colored steward, and both of them watching the suspected man, became more and more convinced of his guilt. When it became an absolute certainty, as shown in the mate's persistently putting the word off her course and by many other suspicious actions, they resolutely put him in irons and assumed command themselves.

The report of the medical examiner on his autopsy of the bodies of the victims describes fully the condition of the corpses and says death was due to some heavy instrument, such as an ax, which inflicted many fatal wounds in each case.

The vessel will be made ready again for sea and a new crew shipped as soon as possible, when she will again start on her voyage to Rosario.
