## STATE POLITICS.

### NO MCKINLEY IN THIS STATE, SAYS YOUNG.

Negroes to Vote for Bryan and Watson. Demo-Pop Fusion to be Secured August 15th. Baptists Against Guthrie.

**Special.**  
Raleigh, N. C., July 29.—James H. Young, of the Republican State Committee, will say in his paper, tomorrow, that the McKinley ticket in North Carolina must come down, or it will be taken down. That forty thousand negroes will not vote it.

Young declares for Bryan and Watson. Senator Marion Butler was here today and says the matter of the division of the electoral ticket by the Populists and Democrats will be settled at the Populist Convention, August 13th. Epier W. Walker says the Populists are determined to have the Governor.

The Baptists say they will fight W. A. Guthrie tooth and nail. They claim he is nominated. They claim he is nominated. The Populists say Judge Russell will come down, if the Populists and Democrats do not lose.

Logo Harris says the Republic will propose to the Populists to give the latter all the electoral ticket, and then to vote for Bryan and Watson, and he claims that McKinley stands no chance.

There is immense opposition to fusion of Democrats and Populists on the State ticket.

## POLITICAL NEWS.

**Silver Interests Getting Together.**  
**Gossip and Hounding of Hoke Smith.**  
**Special.**

**WASHINGTON, D. C., July 29.**—The conference between Senator Stewart, the Silver Conference Committee and Faulkner of the Democratic Congressional Committee, have decided that while they will not be merged, they will work in harmony.

Their new headquarters will be opened in the Corcoran Building.

The interesting problem is whether Hoke Smith will resign his cabinet portfolio.

The wide prevailing impression, today, over the appointment of West Vir. Lewis as a Union Pacific railroad director, an office under the State Department, at the request of Postmaster General Wilson, is founded as a snub to Hoke Smith.

**Kentucky Gold Democrats.**  
**LOUISVILLE, Ky.**—Representative gold Democrats of the State met here and elected an organization. The meeting was largely attended, and much enthusiasm was manifested. Charles R. Long, chairman of the Democratic Central and Executive Committee, was elected chairman of the meeting. The action of the sound-money men at Chicago was ratified, and the platform of the Chicago Democratic Convention roundly denounced. It was decided to hold a State Convention in Louisville Thursday, August 30th, for the purpose of selecting delegates to the national convention, and naming presidential electors.

**To Stop Turkish Horrors.**  
**LONDON.**—The Daily News will publish an article claiming authority for the statement that the relatives of the czar in England, Denmark and Greece have submitted to the Russian emperor official documents bearing upon the atrocities committed in Turkey, which have had the effect of alienating his majesty's sympathy from the Turkish government and have given rise to the hope that concerted action will be taken by the powers that will put an end to the Turkish horrors.

**Tennessee Populists.**  
**NASHVILLE, Tenn.**—The Tennessee Populist convention met here. It was small in point of attendance, there not being more than 100 delegates present.

A full electoral ticket was named with the understanding that if Democrats would agree to pull off three Democratic electors, the remaining Populist electors would be withdrawn.

A. L. Mims was nominated for Governor on the State platform, condemning Democrats for selling Turkey over to H. Clay Evans, last year.

**Indiana Populists.**  
**INDIANAPOLIS, Ind.**—The State Populist convention assembled here in the central court room. Out of the 1,400 delegates about 300 were in attendance. D. D. Bates, of Winchester, was elected temporary chairman, and Chariton Bull, secretary. After voting a deficit of \$23.50 from last year's campaign, and appointing committees, the convention took a recess.

The body reassembled at 2 p.m. Dr. Matt Suggs was made permanent chairman, and the rest of the temporary organization was made permanent. Mr. Langford, of Indianapolis, was recognized and made a speech, during which he said that if the Populists would endorse the State Democratic ticket they would be given representation on the legislative ticket, which would assure the election

of a free silver senator from Indianapolis. He was greeted with loud cries of "No, No!" from all parts of the house. After he sat down the chairman made a few further remarks, in which he said he did not think it tight to allow their party to be swallowed up by the Democrats or any other political body, and urged that a separate ticket be put in the field.

**Sextuplet Beats the Express.**  
**SYRACUSE, N. Y.**—When the west-bound Empire State Express was about two miles west of Syracuse it raced with six athletes young men on a sextuplet. Arrangements for the race were quietly completed several days ago. At this point is a stretch of cinder path about four feet wide, and a mile and a half long. As soon as the Empire State Express and the sextuplet got under way.

The Empire was soon abreast, and the race began. For a quarter of a mile it was an even thing. At the end of a half-mile the sextuplet was four lengths ahead. The sextuplet was then obliged to slow down, owing to a short bridge a quarter of a mile ahead. A number of railroad officers and bicycle men witnessed the race, and four photographs of the race were secured.
