FAILURE OF TRUST CO.

MOORE BROTHERS MATCH COMPANY FAIL.

No Panic Likely to Result. Banks to Protect Price of Stocks of Other Companies. President Moore Arrives Too Late.

Special. CHICAGO, August 4.—There will be no panic as a result of the failure of Moore Bros. Match Company.

Both the Diamond Match Company, of New York, and the Biscuit Company, are in good condition.

The interest of the banks in the Moore Bros. failure lies in keeping the price of Diamond Match and Biscuit Company stock above the price on which they loaned money on the stock.

President Moore, of the Biscuit Trust was en route to Chicago when the firm announced its failure.

Special. JONES IS JUBILANT.

WASHINGTON, D. C., August 4.—Senator Jones was especially jubilant over the returns from Alabama, and still he said he felt no surprise at the victory, because he knew the Democrats would win.

ALABAMA ELECTIONS.

Democrats Carry Fifty out of Sixty Counties. Gains All Along the Line. Special.

BIRMINGHAM, Ala., August 4.—Official reports and estimates received on yesterday's election from fifty out of sixty counties, in this State, show that the Democrats have not lost a single county which they carried in 1892, and they have gained eight, probably thirteen counties.

Sixteen counties yet to report will probably show the same results of Democratic gain. The State legislature will probably show a majority of twelve Democrats.

Bank Officials Indicted.

Special. NEWPORT, Pa., August 4.—The Grand Jury, to-day found true bills against Theo. H. Milligan, President, Cashier Holmes, and the bank directors of the defunct Deposit Bank, for receiving deposits after the bank had failed.

Crops Retained by Rain.

Special. WEEKLING, West Va., August 4.—Reports from the interior of this State tell of the almost complete destruction of crops by incessant rains.

Democrats and Populists Together.

Special. HURON, Kan., Aug. 4.—The Democratic State Convention endorses the Bryan and Sewall Presidential ticket. The Populists will be given places on the State Democratic ticket.

To Join the Insurgents.

Special. RICHMOND, Va., Aug. 4.—A party of young men, headed by John W. Starke, who has served in the local militia, left today for Cuba to join the Insurgents.

Murdered in Cold Blood.

FRIDLEY, Ohio—George Miles, aged nineteen, was shot and killed by Amos Decker, aged eighteen, in this city, and as a result a large posse of officers and excited citizens are pursuing the murderer who escaped to the country on a horse.

The crime was so deliberate that Decker will hardly escape the fullest penalty if captured by the pursuing officers. He stands no chance of getting away though he may elude the officers for some time.

Decker and Miles quarreled over a call and as they were rivals for the hand of a young lady the feeling between them was very bitter. They finally came to blows and Decker, after going home and securing a revolver, returned and shot Miles in the side, inflicting a wound from which he died in a few hours.

Poisoned by Ice Cream.

St. Louis, a special from Sioux City, Ia., says: Nine gallons of ice cream, manufactured by Dominick County, an Italian vendor of confections, were eaten. Shortly all those who ate the cream were taken violently ill, and although there have been no deaths as yet, several of the worst cases will doubtless result fatally. The most critical are Mrs. A. J. Johnson and her children, Allen and Elsie; Jessie Sherman, Anita and Julia Bent, and two children of J. P. Anderson and Robert Black. Court has been arrested, but was released on bond. Over fifty people were more or less affected.

Spanish Force Lost Heavy.

HAVANA.—A hot engagement is reported to have occurred between Gueymas and Melones in the district of Manzanillo, in the province of Santiago de Cuba, in which the percentage of loss suffered by Spanish troops was exceeding heavy. The official report gives the number of Spaniards as 100 killed against 1,000 insurgents. The official report further states that Lieut. Gonzalez and Ensigns of the Spanish forces, were killed, together with fifty privates.

Col. Morra has had a fight with the band of bandits on the plantation of Comodoro, province of Matanzas. The insurgents lost eleven killed and took away six guns. The troops had two officers and nine soldiers wounded.

Insurgents have burned the splendid plantation of Don Juan de Bana in Matanzas, causing a damage estimated at \$400,000.

Florida Gold Men.

JACKSONVILLE, Fla.—A meeting of the gold men of Florida was held in this city at which about fifty advocates of a single gold standard were present.

Only seven of the forty-five counties of the State were represented in person, but eight others were represented by proxies, held by bank officials.

Dr. John L. Gaskin, of Bradford county, ex-speaker of the house of representatives of Florida, was elected delegate to the Indianapolis meeting and D. C. Ambler, of Jacksonville, a national bank president, was elected alternate.

Resolutions endorsing and agreeing to support the Democratic State ticket were adopted. The majority of candidates on the ticket are for free silver.

A committee was appointed to call a State gold convention to nominate Presidential electors and delegates to a national convention if the Indianapolis meeting decides to put up Presidential candidates. The sentiment of the meeting was for McKinley in preference to Bryan.

Ship Burned at Sea.

MANTLA.—The British ship Flora P. Stafford, Capt. Smith, from Newcastle, N. S. W., April 22, for this port, caught fire at sea and was abandoned on June 8 in latitude 6 north, longitude 130 east. Four of her crew are missing. The Flora P. Stafford was a Nova Scotia ship, her hulling port being Windsor, where she was owned by C. S. Smith. She was 189 feet long, 40 feet beam and 24 feet deep. She was of 1,250 tons burden.

Found Dead in Bed.

PITTSBURG, Pa.—Walter Crafts, aged about thirty-five years, president of the Commercial National Bank, of Columbus, O., a guest of the Monongahela House, was found dead in his room.

After partaking of breakfast Mr. Crafts retired to his room, leaving instructions that he was not to be disturbed. All efforts to rouse him proving unavailing, the door of the room was forced and the lifeless body found on the bed.

Each Shot the Other.

HARTFORD, Fla.—A shooting affray occurred here between John Fields, white, and George Adams, colored. According to Fields statement, the difficulty began between W. F. Gaines and himself.

George Adams came between them and said there was a better way to settle the difficulty as Fields had apologized for what he had said. Fields started away when Adams made an attempt to draw his pistol at which time Fields raised his shot gun. There was a short conference between Gaines and the colored man, who was in Gaines' employ. While this was going on Fields had sat down on a stump. Adams suddenly fired, using Gaines' 44-calibre Smith & Wesson pistol. The ball passed through Fields' body. He fell, scrambled to his knees and fired both barrels of buckshot into Adams' body killing him almost instantly. Fields is not expected to live.

Fatal Gas Explosion.

BOWLING GREEN, Ky.—Another calamity occurred at the roller oil farm near Bowling Green which will probably result in the death of two men, James Corbett and Elmer Farring, who were engaged in drilling.

They struck the sand during the night and about daylight the well caved in. The men extinguished the light lamp and the fire under the boiler, in order to avoid an accident from carbonated gas. After the well had caved down Corbett entered the derrick and prepared to resume work. Suddenly the escaping gas ignited and a terrific explosion followed.

Shot His Neighbor.

BELAIR, Md.—Charles Whitaker, a well-to-do farmer and influential citizen of Harford county, was shot by William Dowling and did not surrender, surrendered to the authorities.

Dowling's farm was recently purchased by Whitaker at a trustees sale, but Dowling has continued to reside upon it. Whitaker, his son and a hired man were strolling about the place when Dowling came from his house and said they had no right there.

Without further ado Dowling fired two shots from his duck gun, both loads taking effect in Mr. Whitaker's body. The two men had theretofore been friendly, but it is supposed that Dowling harbored a grudge because Whitaker had bought his farm. Mr. Whitaker was sixty-five years of age.

Columbia Qualities

What do we mean when we emphasize Columbia Quality?

Here are two Watches. They seem alike. Examine the works. They look alike. What is the difference between them? One is an ordinary Swiss watch and the other is a Jorgensen or Frodsham. They certainly look alike, yet if you want a TIME-PIECE the Jorgensen is worth a hundred of the other.

What the name of JORGENSEN is to a watch, what the name WORTH is to a garment, what the name PULLMAN is to a Railroad Car, the name COLUMBIA is to a Bicycle. It represents the most advanced ideas of Bicycle construction of today, backed up by two decades of practical experience.

It is a maxim of all nations: YOU CANNOT HAVE QUALITY WITHOUT COST. But to this should be joined the other maxim of all ages, the BEST is always cheapest in the end. COLUMBIA QUALITY is the most inexpensive for every wheelman to buy.
