FUSION UNCERTAIN.

REPUBLICANS AND POPULISTS MAY FUSE.

Republican State Committee Have Short Session. Gossip About Judge Russell. Talk of Reynolds to Fill Dockery's Place.

Special. RALEIGH, N. C., September 8.—Mr. A. S. Pence of the Populist State Committee says, that while tonight it looks like the Populists and the Republicans will fuse, on the State ticket, yet the other course may be taken.

The session of the Republican State Committee this afternoon lasted only five minutes; it meets again tomorrow afternoon.

Republicans say that the talk of Russell's coming down comes from Congressman Settle.

Committee man Pence says Russell would have been taken down but for Guthrie advising Populists against fusion with the Republicans.

It is asserted tonight that Chas Reynolds will be the Republican nominee for Lieutenant Governor.

D. L. Russell arrived today to the surprise of Republicans at headquarters.

A. H. Stoumber says, the Republicans are now determined to have a straight Republican nominee for Congress in the 3rd District; they would have endorsed Cyrus Thompson but would not endorse John Fowler.

A Reign of Terror.

Special. SPRINGFIELD, Ky., September 8.—The citizens of this place are badly frightened over a threat made by the mob, to burn the town if any one attempts to arrest them.

Two buildings have already been burned, and business practically suspended. Armed men are patrolling the streets.

An Escaped Murderer Recaptured.

Special. RALEIGH, N. C., September 8.—Avery Butler, who eight years ago assassinated his father, at Clinton, and who three years ago escaped from the Penitentiary where he was serving a life sentence, was brought back today, he was recaptured in Kentucky.

FEVER AIDS CUBA.

Seventy-One Deaths in Havana in One Week and Many New Cases.

WASHINGTON, D. C., September 8.—The malignancy of yellow fever in Cuba is increasing with the advance of the season, and the disease, in a most dreadful type, is now playing havoc with the unacclimated Spanish troops, according to special reports received from the sanitary inspectors of the United States Marine Hospital Service.

These show 71 deaths in Havana for the week ending August 27; 51 of these being in the military hospital, at which 123 new cases were under treatment; 22 in Matanzas, the same number in Santiago; 25 at Sagua la Grande, with 190 new cases, and similar conditions in all other sections where the Spanish forces are massed.

The inspector at Havana, in a special report, says the fever is badly epidemic and is increasing among civilians there. At Santiago, Col. Vallerin, of the Spanish engineers, died August 22, after an illness of only forty eight hours, which the United States inspector declares is very unusual in yellow fever.

The disease has also spread to French Maland of Martinique, according to a consular report.

The consular agent at Matanzas, Cuba, reports yellow fever there, but says disease statistics are neither published nor recorded in office there since the revolution broke out.

Telegraphic Items.

Caspar Ulmer, a wealthy retired farmer, aged seventy-seven years, of Chillicothe, Ohio, attended the National G. A. R. Encampment at St. Paul, where he arrived on Tuesday. On Tuesday night he disappeared and has not since been heard from.

Kansas City's second annual horse show proved successful beyond expectations, and pronounced second only to the Madison Square, New York, shows. Five thousand people witnessed the grand parade after which came the awarding of prizes in four classes.

Charles Lavigne, Cadyville, N. Y., has died from the effects of a blow struck by Truman Darrah on Friday. Lavigne entered Darrah's store, and because of his use of improper language, Darrah ordered him out. Lavigne left, but returned shortly after, when Darrah struck him on the head with a cane.

Salvador Romero and Rosa Garcia were found dead in a lodging house at San Francisco, clapped in each other's arms. The woman, who was the wife of Ben Garcia, of Redwood City, came to San Francisco Saturday night with Romero. They engaged rooms at the Alpha House and retired. In the morning the proprietor of the hotel went to their room and found them dead on a lounge. Both had been shot through the heart.

SWEEP BY DEMOCRATS.

Arkansas Carried by Them by a Great Majority.

Special. LITTLE ROCK, Ark., September 8.—The election held in this State was for State judicial and county offices, including two thirds of the legislature, which will elect a successor to Senator Jones, chairman of the National Democratic Committee. He has no opposition within his party and his election is an assured fact.

As far as heard from the election passed off quietly and an unusually large vote was polled. The question of licensing saloons was the principal issue in the majority of counties.

Democrats and Republicans had full tickets in the field, while the Populists and Prohibitionists nominated candidates for governor only.

The Democrats carried the State by sixty five thousand majority. Chairman Jones is greatly surprised over the heavy victory; he only expected about forty thousand majority.

Of the 203,005 poll tax receipts in this State, 45,000 are held by negroes—11,000 more than was paid by the negroes two years ago.

Notified by the Silver Party.

Special. LINCOLN, Neb., September 8.—Bryan today addressed the citizens from a platform erected in State House Square, and this evening was notified of his nomination by the Silver party.

Pennsylvania Hurricane.

UNIONTOWN, Pa.—A terrible hurricane swept over a portion of Newlen and Franklin townships, leveling houses, barns, fences and crops. It began near New Salem, traveled about eight miles in a northerly direction and was about two hundred yards wide. The town of Watersburg was badly damaged, only three buildings being left standing and fit for habitation. No person was killed, but several were injured.

The Pittsburgh, Virginia and Charleston Railroad bridge was moved over a foot, and the new county bridge being erected to take the place of the one washed away in the July floods, was blown down. The damage will foot up tens of thousands of dollars.

SARAS, Pa.—Maggie Ricardon, aged twenty-one years, shot herself in the street, dying instantly. She had quarreled with her lover, Mike Leo.

Two Firemen Killed.

CHILTON, Mo.—Ted Smith and Dick Porter, were killed by the giving away of a bridge on the Kansas City, Ozark and Southern Railroad near here. In company with Bridge Foreman Hess they started for the bridge, which was reported on fire, and on arrival were unable to man the machine and went through the structure. Hess escaped with slight injuries.

IT IS POSSIBLE.

REPUBLICANS MAY PUT POPULIST ON TICKET.

No Action by Republicans Today. Populists Said to be on Run. Buchanan Wants Nomination in Third District.

Special. RALEIGH, N. C., September 8.—Prominent Republicans say tonight that the reason why the Republican State Committee took no action this afternoon, was because Populist Chairman Ayer went to Republican headquarters and asked that nothing be done until tomorrow.

The Republicans say the Populists are on the run; it is also hinted quite loudly that after all, the Republicans may put up a Populist for Lieut. Governor.

One thing is sure, and that is that Walser is mighty anxious to be elected Attorney General, that means he wants the Populist support.

S. H. Buchanan is here working for the Republican Congressional nomination in the Third district.

Shot With a Cannon.

CHARLESTON, S. C.—Charles B. Miller, a popular young member of the Lafayette Artillery, naval reserves, was fatally shot by a comrade in the company's hall. The company had assembled for a supper, and while waiting for some guests the workings of the Hotel's cannon were being explained. A sub-calibre shell was accidentally substituted for a dummy, and Miller, who was standing near the gun, was pierced by a 44 calibre ball. Miller died in a few minutes.

John Savage Graff, a son of Rev. W. M. Graff, a prominent Episcopal clergyman of West Philadelphia, was instantly killed on the Lehigh Valley Railroad at Bowman's.

Notice.

This will inform my customers that I have opened my SHOE SHOP at the same old stand on Craven Street, opposite D. G. Smith's tin shop. Thanking my friends for past favors, I ask their patronage again. Respectfully,
H. W. GIBBS.

Take Notice!

The best thing for New Berne that has ever happened. An enterprise that will be ever a success. We are now sawing oak wood, staves or range lengths, the very nicest kind, and storing it away under large steel houses; keeps dry always in rainy weather, and never gets wet.

We keep a large stock of this kind on hand. We cut the prices on sawing, as we are better prepared to do it cheaper than heretofore, and we now deliver it in your wood houses or anywhere you want it, without any trouble to you, only give your orders to BIG HILL, the Shingle Man.

You can also do Big Hill a favor, by reporting to him, if his own carts don't deliver the wood anywhere the customer may want it put. We have prime drymen and nice teams ready to serve the good citizens of New Berne, if they will only take hold of an enterprise like this, one that has never been offered to New Berne like this before.
Respectfully,
BIG HILL, The Shingle Man.
