ESTABLISHED 1882.

A DAY OF IT.

REPUBLICANS AND POPULISTS STILL AT WORK.

State Fusion. Populists Want Russell to Come Down. Favor Guthrie. Ayer in Place of Henderson. Compromise Ticket Urged.

Raleigh, N. C., September 9.—The Populists and Republicans have made a day of it and are again at work to-night.

The Republican sub-committee of the State Committee, and the Populist Provisional Committee, consisting of chairman Ayer, Zach Garrett, and John A. Sims, was in session several hours.

The discussion was mostly all regarding State fusion.

The Populists were eager for D. L. Russell to be dropped as the lead of the Republican ticket, so Guthrie could get that place, and that Henderson, Republican for Auditor should be dropped in favor of Ayer, Populist.

Republicans said they were willing to have co-operation on all offices, save Governor, but wanted Russell and Guthrie to fight that out.

Marshall Mott, of the Republican sub-committee, declared Russell should now come down, and that if he did, he, Mott, would take his place.

Chairman Ayer declared Russell must come down as a condition precedent to fusion.

The Populist State Committee met at five o'clock this afternoon, five of its members being absent, these being Harry Skinner, Cyrus Thompson, Theodore White, Sherrill and Briggs, all of whom are sick.

The Republican committee had a brief afternoon session, but took another recess waiting to see what the Populists would do.

At seven o'clock, the Populists committee sent its proposition to the Republican committee.

It was that, as to the National matters neither party shall interfere with the other, as to any arrangement it may be thought best to make.

The proposition as to State fusion was, that the Republicans should take down Russell and Henderson, and that thereupon the Populists would endorse Robert M. Douglas, for the Supreme Court, and Zel Vance Walzer, for Auditor.

The first state in which the proposition as to National matters was prepared was that the Republicans must allow the Populists to fuse with the Democrats on the National ticket if they see fit.

This was modified as above.

Both committees again went into session at 8 o'clock.

There are some Populists who have this afternoon been urging a compromise ticket with Cyrus Thompson, Populist, for Governor, and James M. Moody, Republican, for Lieutenant Governor.

Business Failures.

New York.—The announcement of the failure of Fiske & Knevals, heavy importers of sugar, spices, coffee, and tea, of 93 Wall street, caused excitement in downtown business circles to-day. Horace A. Fiske, who, with Stephen M. Knevals, constituted the firm, said that the affairs of the firm were in such shape that no intelligent estimate of the indebtedness could be given. The firm is one of the oldest and most highly respected in the sugar trade. The slump in centrifugal sugar is the cause assigned by Mr. Fiske for the failure.

PHILADELPHIA, PA.—The Lockwood Manufacturing Company, manufacturers of patent folding boxes, has made an assignment to James S. Freedland, Secretary of the company. No statement of assets and liabilities can be obtained, but the figures will be large. The company has \$100,000 capital, and has been doing business for forty years. Doll collections and poor business are the causes.

HOLLIDAYSBURG, PA.—Executions for \$26,000 were issued to-day against John A. Caban & Co., dealers in lumber and builders' supplies at Altoona, Pa. The liabilities will aggregate \$50,000. An assignment will be made. The prevailing dullness in trade is assigned as the cause of the failure.

WINSTON, N. C.—L. W. Ashley and Sons, a large plug tobacco manufacturing firm of Mount Airy, has assigned, naming J. M. Patterson as trustee. A mercantile firm in which they are interested at the same place has also failed. The assets and liabilities have not been given out.

ROCKFORD, VA.—William Duffon, one of the oldest furniture dealers in the city, has made an assignment. The assets are not stated. Ernest H. Wells is named as trustee.

Caught in the Cow-catcher.

MIDDLETOWN, N. Y.—While crossing the tracks of the Ontario and Western Railroad, James Cunningham, a prominent farmer of Ballville, and his sister, were killed by an east-bound passenger train. The woman's body rolled up the cowcatcher and was so firmly wedged under the boiler front that it was removed with difficulty.

PERFECT and permanent are the cures by Hood's Sarsaparilla, because it makes pure, rich, healthy, life and health-giving BLOOD.

Torpedo Boat Launched.

Bristol, R. I., September 9.—The Herreshoffs launched at their works to-day, torpedo boat No. 6, the first of the high speed torpedo craft with which the navy will be supplied. The boat is of 180 tons displacement, and she must make a minimum speed of twenty seven and one-half knots per hour, so that if successful in meeting this contract requirement, the little boat will be the fastest craft in American waters. Acting Secretary McAdoo was invited to be present at the launch, but was obliged to decline. The boat will be formally christened by her present cognomen, "Torpedo Boat No. 6," although this may be changed by Secretary Herbert when he returns to the United States.

Advance on Dongola.

Kosher, S. W., September 9.—The Third Brigade has started for Absarok. This begins the advance on Dongola.

Ex Senator Payne Dead.

Cleveland, O., September 9.—Ex-Senator Henry B. Payne died here to-day. He was 86 years old.

Price bar Gold Raised.

London, September 9.—The Bank of England, to-day, raised the selling price of bar gold, half penny, owing to the pressure of Russia and Austria inquiry for gold.

Smith to Speak.

Atlanta, Ga., September 9.—Judge Smith has consented to make several speeches for the regular Democratic ticket.

Endorsed Chicago Ticket.

Monton, N. J., September 9.—The New Jersey Democrats have endorsed the Chicago ticket.

Crisp Takes no Part.

Washington, D. C., September 9.—Owing to heart trouble, ex-Speaker Crisp, will be unable to take any part in the campaign.

Fort Seven Stories in Safety.

St. Louis.—The freight elevator in the wholesale grocery goods house of Hargedine, McKittrick & Company, on Washington avenue, with eight employees and three customers of the house on board, fell from the seventh floor to the basement. By a seeming miracle no one was killed, though all were injured. The cause of the accident was the overloading of the elevator.

More Refugees Killed.

Athens.—It is officially stated that a number of Armenian refugees who were passing through Scutaria, Albania, were attacked by Turks and twenty of them were killed.

London.—The Constantinople representative of the United Associated Presses says that during the recent rioting in that city the consuls of the various powers arranged that many Armenians should go on board the direct ships in the harbor where they would be safe from massacre.

This humane action has resulted in a somewhat awkward predicament, as the government now forbids the relanding or transfer of the refugees.

A conference of the ambassadors was held regarding the course to be pursued regarding such refugees, and it was arranged to appoint a mixed commission to take charge of the matter.

The dispatch adds that the consulates are still engaged in sending Armenians of means out of the country. The government is shipping all Armenians of the lower class to their birth places.

Many long-time residents of the city have been obliged to leave their families and return to the place where they were born, their enforced departure entailing much hardship and pecuniary loss.

Each man who is thus sent away receives from the government free passage and the sum of \$2 in money.

Serious Trouble in the Philippines

Madrid.—A special dispatch from Hong Kong to the Imparcal says that the commander of the British gunboat Red Pole has telegraphed from Manila that the gravity of the situation at the capital of the Philippine Islands is such as to oblige him to remain there with his ship.

This message indicates that the position at Manila is very serious, though no details are obtainable, owing to the rigor of the censorship.

Business telegrams have been received at Hong Kong from mercantile correspondents at Manila, advising against the shipment of further consignments of goods to the Philippines and stating that business there is at a complete standstill.

TILLMAN REPUDIATED.

South Carolina Gives Earle a Majority of 30,000

COLUMBIA, S. C.—Sufficient returns are in to show that Gov. Evans has been beaten by Gen. Earle for the Senate. Allowing Evans two thirds of the unreported vote and placing it at over 80,000, he cannot reduce Earle's majority below 3,000 at the lowest estimate.

The total vote in the first primary was 78,231. Of the vote already reported Evans has 22,317 against Earle's 34,070, Earle's majority being 11,753.

The vote reported is very full. The people of the State took the keenest interest in the election, and the result is no surprise in consequence of the developments of the last few days. Gov. Evans unquestionably injured his chances by his revelations in the dispensary scandal, and now it may be confidently expected that more interesting revelations than ever will come forth.

This much has been indicated by those in possession of many facts of a far more interesting character than those already made. Senator Tillman interfered in the race after declaring he was hands off and the people seemed to resent his interference.

The result shows the very essential fact that Tillman has been hit as well as Evans. He urged the people to support Evans, saying that the success of the reform movement depended upon Evans' election. Gov. Evans has not been seen but it is understood that he is a very much disappointed man.

Up to the time of the first primary it was conceded that he would be elected by a 20,000 majority. At the opening of the campaign it looked as if he was going to have a complete walkover. But Duncan entered the field, and Earle came in at the last moment, and the charges about the bond swindle were made.

Evidently the people came to the conclusion that Evans did not explain these matters satisfactorily. A hard fight has been made by Gov. Evans' friends, but it seems to have been without avail.

THE COTTON MARKETS.

September 9th.
LIVERPOOL opened a shade lower and quickly lost 3 to 5.64 in futures, and 1.33 for spots with spot sales 10,000 Middling 4 1/16.

New York opened at a decline of 6 points and has been quiet and steady with slight fluctuations and closed steady at 8 5/8 for January against 8.63 last night. The bureau report will be announced tomorrow and will no doubt be attended with some excitement and probably a wide range in quotations.

New Berne market has been steady at 7 1/2 to 7 8/8.

Yours Truly,
J. E. LATHAM.
