FUSION PERFECTED.

REPUBLICAN-POPULIST PLAN ADOPTED.

Free Ballot and Fair Count. Concessions on State Ticket and Congressional Districts. Reynolds in Place of Dockery.

Special.
RALEIGH, N. C., September 10.—The Republican and Populist State Committees met this afternoon, after many hours conference and work through sub-committees, adopted the following plan of co-operation:

The Peoples Party State Executive Committee and Republican State Executive committee in behalf of their respective parties, affirm our devotion and fixed determination to support and maintain a free ballot and fair count in all elections held in North Carolina, and pledge ourselves to the policy of upholding the principle of free and honest elections, aimed at and provided for by the election laws enacted by the Legislature of 1895, and for the purpose of maintaining this act of the Legislature, restoring to the people their right of local self-government, we enter into the following terms of co-operation:

"First, to equitably cooperate to secure the election of members of the Legislature, pledged to these reforms, with co-operation on county officers."

"Second, that the Republicans concede to the Populist candidates for Congress in the following districts—Third, Fourth, Sixth and Seventh; and the Populists reserve the right to name candidates in the Second, Fifth, and Ninth, the First and Eighth Districts, having made satisfactory adjustment through their respective congressional committees."

"Third, that the Republicans will support the nominees of the Populist Party for Secretary of State, State Treasurer, Superintendent of Public Instruction, and Associate Justice of the State Supreme Court."

"That the Peoples Party will support the nominees of the Republican party for Attorney General, Associate Justice, and Judge of Superior Court in the Fifth District."

"Fourth, that the good offices of our respective committees are pledged to accomplish the results arrived at in this agreement."

Signed, Hal W. Ayer, chairman, I. C. Caldwell, Z. T. Garrett, Peoples Party Committee, A. E. Holton, chairman, M. L. Mott, R. O. Patterson, A. B. Middleton, Republican Committee.

Both State Chairmen say this agreement completely satisfies them.

The Republicans will nominate Charles Reynolds for Lieutenant Governor.

Republicans will, it is understood withdraw John R. Henderson, their nominee for Auditor and endorse Hal Ayer.

Both State Chairmen say they are well pleased. Hal Ayer says the agreement was made because the Democrats are insincere.

A. E. Holton says the Democrats will not get ten members of the next Legislature.

Judge Russell, says "The action of the committees was patriotic and saves the State."

Republican Secretary Hyams, said, "We don't need any campaign fund, now."

Republicans claim the Populists will later of agree to support Charles Reynolds for Lieutenant Governor. They say they believe there will be absolute fusion by October 1st.

Hung Himself to a Beam.

ROCKVILLE, Md.—Mr. Julius Watkins of Hyattstown, Montgomery county, was found dead in a tobacco barn, directly behind his house, by a colored man, who worked upon the place.

Mr. Watkins' body was hanging from a beam.

His death was due to strangulation, as was stated by the coroner's jury. Mr. Watkins was one of the most prominent farmers of this county.

Several years ago he was sent to the Bellevue Asylum, where he remained for sometime, and when pronounced cured, returned home and continued farming.

Watson's Views.

DENISON, TEX.—Tom Watson, Populist candidate for Vice-President, was here last night. To the United Associated Press correspondent, he said:

"I have come all the way from Georgia to fight any deal that the Populists may attempt with the Republicans of Texas. If fusion is effected between Republicans and Populists the rank and file will never submit; the politicians cannot deliver the Populist party."

He lamented the indifference of Bryan toward the Populists, without whose votes Bryan cannot be elected. He was bitter against Sewall, and declared that Sewall would be forced off the ticket; that there was a perfect understanding to that effect between him and Chairman Jones.

Found Dead in Bed.

CHICAGO.—Frank Ray, confidential man of Jamson Bros., board of trade operators, and prominent trader in the wheat pit, was found dead in bed at his home in Austin. The room was full of gas, but whether the death was accidental or suicidal is not yet known.

HILL HALTS.

Will Not Go to Buffalo as Delegate, Under Conditions Imposed.

Special.
ALBANY, N. Y., September 10.—Senator David B. Hill has refused to be a delegate to the Buffalo convention under the conditions imposed.

These conditions were that he should support the Chicago ticket.

Tornado in Paris.

Special.
PARIS, France, September 10.—A violent tornado swept over this city this afternoon.

Omnibuses, Cabs and Stalls in the streets were overturned, trees blown down, shop windows broken, and barges were sunk in the river Seine.

The Laurada Seized.

Special.
WILMINGTON, Del., September 10.—The famous filibuster steamer Laurada, was seized this afternoon by customs officials, under instructions from Philadelphia.

The Laurada arrived from Port Antonio. An examination of her papers showed them to be irregular.

Lament For Palmer.

WASHINGTON, D. C.—The following telegram, addressed by Hon. Daniel S. Lamont, Secretary of War, explains thoroughly his position on the political issues now pending:

Hon. William D. Bynum, Chairman, etc.:

I regret that I am unable to accept the invitation of your committee to be present at the notification of Senator John M. Palmer and Gov. Simon B. Buckner of their nomination by the national Democratic party for President and Vice President of the United States.

The outcome of the Indianapolis convention in candidates and platform is inspiring to every Democrat who refuses to abandon the principles established by the fathers and steadfastly maintained with pride and honor, and who declines to adopt the new and strange creed proclaimed in a moment of delirium at Chicago and promptly recognized and ratified as its own by the Populist party at St. Louis.

I prefer to keep the old faith and remain a Democrat, and shall accordingly cast my vote for Palmer and Buckner.

DANIEL S. LAMONT.

Comment on Evans' Defeat.

WASHINGTON, D. C.—"The beginning of the end of Tillmanism in South Carolina politics," is the general comment of local politicians on the result of the primaries in the Palmetto State.

Opinions differ somewhat as to the significance of Evans' defeat, but, while some persons insist that it was purely a rebuke for Evans, and not for Tillman, the prevailing belief is that the piteous statesman himself suffered an indirect punishment at the polls.

With one accord the leading Democrats of Washington refused to say anything for publication on the intricate political war in South Carolina. Several of them, however, expressed freely their personal and private opinions.

One of these, who is prominently identified with the campaign of Bryan and Sewall, admitted that though Senator Tillman is not recognized by the good, old-line party men as a good type of the Democracy, he is nevertheless a power in politics, and moreover that he will continue to be so, despite the result of the election.

Said this gentleman in discussing the situation in South Carolina:

"There is no question that the defeat of Evans was the result of his own unpopular record and nothing else. The letters which Tillman wrote to him, one of which was read from the stump previous to the first primaries were not sufficient, popular as the Senator is among the voting masses, to offset the effect of Evans' alleged misdeeds. Then the so-called dispensary revelations sprung by Evans at the last moment, no doubt hurt his cause."

"I do not believe that there is any ground on which Evans' defeat can be ascribed to Senator Tillman. The people evidently didn't want him to meddle, and you will notice that he did not stay in South Carolina very long, but returned to the stump in Pennsylvania."

"If Tillman were to go back home today and seek election to an office I believe he could have what he wanted."

"His hold on the farming class is very strong. He has taught them that for a hundred years South Carolina has been under the rule of an iron dynasty, whose aristocratic members have held the offices and dispensed the patronage in the State for this long period. He has followers of the same kind as had Wade Hampton, and has Senator Butler at the present time in North Carolina."

Several Democratic politicians at local campaign headquarters refused to talk of South Carolina affairs.

As it does not affect the national result in November, they consider it out of the range of their discussion at this time; they said. They showed the same reticence which has often been noticed to overcome good Democratic leaders of the older school when Senator Fitzhugh Tillman is the subject of desired discussion.

Assisting the Banks.

WASHINGTON, D. C., September 10.—On account of the failure of the Union National Bank, at New Orleans, runs have been made upon other banks in that city.

The United States Treasury officials, here, are doing what they can legitimately and lawfully to assist the National banks in that city to sustain themselves over these runs.

Gentry Wins.

Special.
GLEN FALLS, N. Y., September 10.—In the \$5,000 match race, today, Gentry won the race in two heats, the first by a head, the second by a length and half.

Francis Declares Himself.

Iron Mill Shut Down.

BETHLEHEM, Pa.—The Bethlehem Iron Company's steel mill shut down for want of orders. Over 600 men are thrown out of work. The company is also laying off men at the blast furnaces and they will shortly be run on half time.

Montana Republicans.

HELENA, MONT.—The Republican State convention met. The test strength of silver and gold forces come on the selection of the temporary chairman. The silver men won by a majority of 50. There are many contests and the convention will not be organized before tomorrow.

Prussians Routed.

BERLIN.—In the military manoeuvres at Goerlitz the Prussian cavalry division, which checked the advance of the Saxon cavalry division, were routed from their position on the Kretzowitz hills by the Saxon cavalry and forced to retire upon the town of Gleina, which they did under the support of the Prussian infantry.

Two Saxon divisions gained positions from Gutz via Kama to Auritz. The Twelfth and Eleventh Prussian divisions were taken on the left flank by the Twentieth Saxon division with artillery and were obliged to retire to the Waditz and Kanitz line.

Another Spanish Program.

LONDON.—The Standard will publish a dispatch from Madrid saying that the Spanish government has resolved to proceed energetically with measures for the suppression of the risings in the Philippine Islands and Cuba.

The members of the revolutionary junta in Madrid who have been proved to be in correspondence with the rebels and with refugees in Florida and New York have been sent for trial before a summary court martial.

They include noted lawyers, the professor of penal law in the Havana University, the president of the college of music, and two wealthy merchants.

NEW YORK.—J. T. Scharf, the Chinese agent at this port, arrested seven Chinamen at the Grand Central station. They are charged with having violated the Chinese exclusion act by coming to this country from Canada on a fraudulent permit.

The prisoners were four men and three boys and they formed a party with fifteen other Chinamen.

Yellow Fever.

HALIFAX, N. S.—The Norwegian bark Sif, Capt. Neldrum, from Gomaves, for Falmouth, England, laden with logwood, arrived here with nearly everybody on board down with yellow fever. One of the crew died and was buried at sea.

Among those affected with the disease are the captain's wife and daughter. They are reported convalescent.

Killed by Highwaymen.

BRAZIL, Ind.—The body of R. R. Taylor, a wealthy attorney of Bloomfield, was found dead in his buggy near Clay City. A bullet hole was discovered in his head and his hands were bound behind him. The deed is thought to be the work of highwaymen.

Will Not Retire.

JACKSONVILLE, Fla.—United States District Attorney Frank Clark addressed a letter to Arthur Sewall last week asking the direct question whether he would, according to reports in Northern papers, withdraw from the Democratic ticket. The following reply was received:

"Bath, Me., September 5.
"I have your esteemed favor of September 1, and thank you for your kind expression. You need have no fear of my retiring from the ticket. I am the nominee of the Democratic Party. A Democrat never steps backward. Yours very truly,

ARTHUR SEWALL.

New Korean Minister.

WASHINGTON, D. C.—Ye Pom Gin, the new Korean minister has reached Washington, having left Seoul two months ago and traveled to his destination via Shanghai, Yokohama, Vancouver, Montreal and New York.

He was accompanied by his wife and son and Ye We Tam, secretary of legation; Ye Kyo Suk, attaché of legation, and one servant. The minister is a young man, a member of the nobility with rank a little below that of marquis, and this is his first essay in diplomacy.

His wife, who is the first Korean lady at the legation since Mrs. Ye Cha Yun left here in 1892, is remarkably pretty, even when judged by the American standard, and her son, Ye We Chung, is an exceedingly bright little lad of ten years, who has already picked up some English phrases. The minister's wife and child and the attaché dress in full Korean costume, but will abandon it in a few weeks and adopt American attire.

Pom Kwong Soh, the retiring minister, who was minister of justice before he came here last February, will remain until his successor becomes acquainted with Washington life and his formal presentation to the President early in October, when he will hurry back to Korea to become the head of the king's privy council.

THE COTTON MARKETS.

September 10th.
LIVERPOOL spot sales were only 8,000 at 1-16 decline. Liverpool futures closed 3-64 higher than yesterday.

In New York January futures opened at 8.60 and quickly declined to 8.55 and was steady at around this quotation till after the announcement of the Bureau Report.

THE BUREAU'S report as wired by my New York correspondent makes the average condition of the crop on August 1st, 64 2-10 per cent against 80 per cent last month and 70 8-10 per cent for August last year.

THIS is certainly a very low condition and would indicate a crop of not over 7,400,000.

It is a fact that government crop reports are generally very incorrect and cotton trade must have so regarded this one as January cotton closed at 8 7/8 an advance of only 12 points for the day.

Before the market opens tomorrow this report will be known all over the civilized world and it is a question how it will be construed by the many people who are interested in cotton.

New Berne market has been firm at 7 1/2 to 8c, most of the cotton selling around 7 5/8.

Yours Truly,
J. E. LATRAM.
