THAT FUSION QUESTION.

ADVERSE COMMENT ON IT IN THIS STATE.

Meeting Next Monday Night of the Agriculturists and Populists. Butlers' Construction on Fusion. Same Old Talk of Russell Coming Down.

Special.
RALEIGH, September 16.—There is much adverse comment on Electoral fusion with the Populists, which it now seems upon statements made by both State chairmen, is to be effected next Monday night, when the Populist and Republican committees meet here.

A paragraph in the leading Editorial in Senator Butler's personal organ, today, saying fusion is recommendatory and not binding unless all promises are kept, is construed to mean that if Judge Russell is not taken down the Populists will regard the agreement as void.

A New Bug Appears.
Special.
RALEIGH, N. C., September 16.—The Agricultural Department finds that the San Jose Scale insect, which has done immense damage in California, has appeared at Durham on pear and plum trees, this being its first appearance in North Carolina.

Vessel Afire at Sea.
New York, Captain Clark reports having passed on September 13, in latitude 40.35, longitude 70.17, a small wooden vessel on fire, burned to the water's edge and abandoned. He said that the vessel was apparently of about 200 tons and loaded with coal oil.

Two Fishbuster Ships.
Acting Secretary Hamlin has wired the collector of customs at Wilmington, Del., to release the detained steamer *Laurada* if in his judgment the vessel is not designed to engage in violations of the law.

The Raleigh Testimonial.
The punch bowl which will be presented to the cruiser *Raleigh* as a testimonial from many citizens of North Carolina was paid for this morning. A check was turned over to the Master this morning by Mr. Charles L. Stevens, who has labored so assiduously in raising the fund.

Bridgesman an Embitterer.
ANNAPOLIS, Md.—For several days investigations have been going on in the accounts of Chief Bookkeeper Richard H. Green, Jr., of the Farmers' National Bank of this city, and it has been discovered that he has defaulted to the amount of \$10,000 to \$15,000.

He has maintained an establishment in Baltimore for some time and lived lavishly on \$1,000 a year. He returned last night from his wedding trip to Glasgow, having married Monday of last week. During his trip the defalcation was discovered. He was building a fine home here.

The railroad coal miners of Pittsburg are in session at Pittsburg to consider the advisability of voluntarily reducing the mining rate to 50 cents, as a means of retaliation upon the non-union miners, who have been working at rates lower than the district price, which is 70 cents per ton.

Fifty Tomochic Indians surrounded the custom house at Palomas, Mexico, thirty miles south of Deming, N. M. The officers repulsed them. Three of the Indians started for this town, two of whom were wounded. One was caught just south of town and is now under arrest in this city.
