AGAINST DIVISION.

Progressive Farmer Cries Wee to mocrate and Populists if Fusion

RALEIGH, N. C , September 21 .- The Populist State Chairman today telegraphed to each elector named by that party asking if he would abide by any action the committee might take. All replied

Today's issue of the Progressive Farmer the organ of the National Farmers' Alliance, says that it is against a division of electors. The leading elitorial says: Woe to the Democrats and Populist committees if they attempt to cast the electoral vote for that arch gold bug, Arthur Sewall, and this will be done if the Democratic proposition is accepted.

The Democratic committee has power to give Watson five electors it has power the East. One of the rumors which bears to settle the trouble by giving him all, an air of probability is that Senator Gorand this the Populist committee should an air of probability is that Senator Gor-

and Democrats take five each, and give belief in the certainity that the people are one to the Silver party. It was frankly said by the Democrats,

whose committee met at 8 o'clock that man of destiny," with as much faita as they wou'd not accept any modificatio of ever President Cleveland believed himtheir original proposition.

An Old Claim.

WASHINGTON, D. C., September 21 ... Vice Chairman Stevens, of the Silver Mr. Bryan can truthfully deny that he is committee, who returned, today, to bead-quarters from the West, brings a glowing report of the condition of affairs in that part of the country.

He claims every State west of the Missisippi river, except Minnesota. The battle ground is he says in Ohio, Illinois, and Michigan.

ATTACKED BY MINERS.

Shaft Burned, Three Men Killed. Entire State Militia Ordered Out.

LEADVILLE, Colo., September 21-The

striking miners attacked the fortified Coronada shaft early this morning, burned it and the adjoining buildings.

During the riot three men were and two fatally injured.

Firemen who attempted to put out the flomes were held back by bullets. The entire State militia is or tered to

the scene of action. Wanted Free Turnpikes.

A free turnpike mob destroyed five tell to see how they would like warking for gates, Saturday, three last night, leaving only five, having destroyed forty three altogether. SPRINGFIELD, KY., September .21 .-The mob drove the guarde away with

WASHINGTON LETTER.

SENATOR GORMAN ADVISES CANDIDATE BRYAN.

Don't Abuse Bolting Democrats. Bry an at Washington. Administration will Soon Act. Populists Not |Sure as Democrats.

JOURNAL BURRAU, { WASHINGTON, D. C., Sept. 21st. } Political rumors have been unusually plentiful since Mr. Bryan's visit to Washington-he was here all day yesterday and last night. He consulted with the men who are managing the Washington end of his campaign; also with Senator Gorman, who although not officially designated as such, is generally understood to be in charge of Mr. Bryan's interests in

ocrats. Mr. Gor.nan is inclined to think RALEIGH, N. C., September 21 -The it bad policy for Mr. Bryan to abuse the Populist Central committee met here this bolters, as he has lately been doing. afternoon and for two hours discussed the Whether he will take Mr. Gorman's ad-Democratic proposition to divide electors, vice is a question. According to some of the Democrate taking six, the Populists his leading supporters, Mr. Bryan has insisted upon baving his own way about party. James B. Loyd, of the Populist State the management of his campaign from the committee proposed that the Populists day he was nominated. He has a strong going to elect him anyway. There is no approval and adoption. If it shall we doubt about his believing himself to be "a

> self to be such. No matter whether you are for or against him, no man who has attended one of the public meetings addressed by meet Palmer and Buckner. had begun his Washington speech, the meeting was probably the largest gathering of the sort ever held at the Na-tional Capitol, and this, too, in the face of the fact that only those holding tickets -about 2,000-could be provided with about 2,000—coan be provided with seats. More than 20,000 stood up to hear him, among them being many from the surrounding country who had come in during the day for no other purpose than to hear Mr. Bryan talk. The large attradance at the meeting demonstrated his arawing expacity and the enthusiasm of

his hearers, although he spoke less than half an boar, demonstrated his oratorical power-"personal magnetism" they used to call the same faculty in the late Jas. G. Blaice. Call it what you will, Bryan has Beecher had, and Col. Robt. G. Ingersoll as. The enthus asm was somewhat sur prising to many, because it is known that practically all or the minor Government employees and those who are directly or inductivy interested in their, retention of office are opposed to the election of Mr. Bryan, regardless of their politics, be-

Washington this week, it is expected that the policy of the administration towards the campaign will at once become appart the loss of which will prove a severe blow ent. Inasmuch as Secretary Carlis's in-Special.

New York, September 21.—State Chairman Danforth said today, that he the stump for the allver Democratic ticket. The latter made desperate attempts to gold Democratic ticket, it is regarded as poured into them by the troops and the gunboats and they were finally compelled the stump for the allver Democratic ticket.

souce for the gander." If it be proper for a member of the administration to take the stump for one ticket, it would be a little odd to punish another member for taking the stump for another It is noticeable that although the Populist and Democratic headquarters are under the same roof and that the parties are both working for the election of the same President, it not the same Vice President, that the Populists are not so dorsing the claims and forward by

are both working for the election of the same President, it not the same Vice President, that the Populists are not endorsing the claims put forward by the Democrate of the certainty of Bryan's election. On the comrary, the Populists coutent themselves with expressing the hope that Bryan will be elected, and that fusion on a maisfactory basis will be arranged in all the States having a large Populist yote. Chairman Butter does not say as much, but other show for Bryan to win without a combination of the Democrate and Populists upon a single electoral ticket in a number of Slates where they now have or thresten to be part of the Democrate and Populists upon a single electoral ticket in a number of Slates where they now have or thresten to be part of the Democrate and Populists upon a single electoral ticket in a number of Slates where they now have or thresten the part of the part of the Democrate and Populists upon a single electoral ticket in a number of Slates where they now have or thresten the process and p pon a single electoral ticket in a number i States where they now have or thresten on have separate tickets. The lafteness of the Populist National Committee has seen small in a number of these States, and especially so in several States in which he Populists in we almost a majority of the voters. It is known that prom neut opposition of the Democratic National Committee in appracing of the reasonate National Committee in appracing the reasonate in States where Bayan and little or no show, instead of concentrating them in such States as Indiana, lilinote, Iowa, latchigan and Minuscota, all of which they believe could be carried or time.

ongala and El Hafir Taken From the Dervishes. Grain Vessels Cap

CAIRO - A dispatch from the Angla-Egyptain expedition states that Dongo a, the objective point of the expedition, ha-been taken without meeting with any resistance from the Dervishes, the place being unoccupied.

The dispatch wide that the town of Et Haffr, north of Dongole, to which place the Dervishes retreated, was captured af-

ter a hot engagement.

After the place had fallen into the hands of the expedition the Egyptains captured twenty-seven grain laden boats,

force retreated southward upon Dongola At the same time the expedition's steamers started for the same place, and being the quicker reached there before the Deverishes. The city was found to be descrited by warriors, and the steamers at once landed a force of infantry to held it until the arrival of the main body of the expe-

At the time the dispatch was sent the

mate,
These defenses, however, were soon wrecked by the heavy fire of the Egyptian artiflety and the Maxin battery that was manned by the Connaught Ron

The Dervishes atord the fire bravely, but were fluidly computed to withdraw from the place. Their calvalry took no part in the engagement, remaining some distance of in the street watching the result of the battle. When the British and Enginans landed the entire face retreated southward.

Notwithstanding the amervation of the row remark that Dougoin was the objective point of the Anglo-Egyptian expedition like London newspapers concor in the spinion that, now Dougois has been taken, be expedition will proceed to the reconnect of the entire Southan,
