POOR TOM WATSON!

Populist Leaders Agree he Must Come Down. Fusion Alone Covers Populist Weakness.

Special.

ATLANTA, Ga., Oct. 21.—The Populist leaders are agreed that it is best to re-elect T. E. Watson in all the States, as for him to remain would show their weakness and injure their Congressional vote.

The Republicans are making a strong play for the Populist leaders and will meet some of them.

It is given out as a fact that the Watson election will be taken off in all the States.

F. A. OLDS

REPUBLICAN EST. MATES.

Chairman Hutton Satisfied North Carolina is Safely Republican.

Special.

RALEIGH, Oct. 21.—There are 1334 election precincts in North Carolina.

The Republican State chairman says he has returns from 570 of them, and they are safe for the Republicans.

He says they indicate that 160,000 Republicans have registered. He insists that this is in reality several times the total number of Democrats and Populists combined have registered.

An Active Wheat Market.

Special.

NEW YORK, October 21.—Wheat fluctuated very wildly today, and closed 21 cents below yesterday's price.

The export demand continues although there is much fear that the stimulus is due to a corner market.

More Fraud Claims.

Special.

CHICAGO, October 21.—The Democrats claim that Chicago is packed, the large registration indicating that the State is colonized for McKinley, as the gain in registration cannot be accounted for by the city's growth.

OLD RATE CONTINUES.

Railway Commission Decides That Passenger Fares are Low Enough.

Special.

RALEIGH, Oct. 21.—The Railway Commission recently made an order reducing the passenger fare one quarter of a cent per mile, and gave the railroads two hours to say as to whether the order should stand.

Today the Commission dismissed the matter, it having been shown that the rate in North Carolina was lower than in other States.

The Commission decides that the old rate is sufficiently low.

Sorton for Bryan.

Special.

WASH. D. C., Oct. 21.—Chairman Marion Butler has informed that F. F. Norton, the leader of the "Middle in the Road" Populists is in line for Candidate Bryan.

Sweden Proposes to Build Warships.

Stockholm, Sweden.—The government will apply to the next Riksdag for credit of 10,000,000 kroner to build an iron clad, several million kroner to build torpedo boats and cruisers, and 6,000,000 kroner with which to begin the fortification of the gulf of Bothnia.

Banks Coining Gold and Silver.

St. Petersburg.—At the imperial mint 3,200 pounds of gold and silver are being converted into coin. Of gold 100,000,000 roubles will be struck out, 25,000,000 of silver will be struck out and 1,000,000 of small coin will be prepared for circulation.

Telegraphic Items.

Five outlaws attempted to rob R. Y. Brooks, an Englishman, living at Tonka, Ohio, but were met with a warm reception. Brooks killed two of them and wounded the third, whereupon the remainder fled.

Will Mostly Vote For McKinley, Says Vinton, Speaking at Raleigh.

Special.

RALEIGH, N. C. October 21.—Senator Henry W. Blair, spoke to Republicans here tonight, and Lindley Vinton addressed the sound money Democrats.

A man who interviewed Vinton, said that he had carefully examined the matter, and finds that about one tenth of the Democrats, or say thirteen thousand, will vote against Bryan, but that only about one tenth of this number, or thirteen hundred will vote for Palmer and Buckner, as nearly all say that they propose to fire both barrels, that is vote for McKinley.

Vinton says this is a close estimate to North Carolina, and adds, that five thousand Bryan Democrats will not vote for the Tom Watson electors.

Russian Paper Suspended.

St. Petersburg.—The Goshodin has been suspended for having published dispatches which its proprietor, Prince Meshchinsky, telegraphed from Paris at the time of the visit of the French Emperor to the French capital, in the course of which the Prince attacked President Faure and the army of France.

Defensive League of Anglo-Saxon Races.

London.—Lord Brassey, the Governor of Victoria, in a speech on imperial federation said:

"I would be wise, if possible, to bury America into a grand defensive league of the Anglo-Saxon races, which would effectively secure the peace of the world."

Clark Speaks at Hickory special to the Charlotte Observer.

HICKORY, N. C.—Mr. W. W. Clark, of New Berne, State elector on the Palmer and Buckner Democratic ticket, filed his appointment here on 19th. He is not only an impressive but an able speaker, handling his subject with a directness of argument not often heard from the political campaigner. His analysis of the Chicago platform was incisive and yet in language courteous and refined. His elucidation and defence of the Indianapolis platform was plain, practical and persistent. Whether he dealt with the departures of the former from Democratic precedent and principle or held up the latter as the "old Democratic homestead, with its fires yet burning, and its lights aglow," inviting all to gather again under its time-honored roof, there was no word of sarcasm or ridicule for the supporters of the one or unmerited praise for the other.

All persons present, however, much they may differ with him, pronounced his a most excellent speech.

Twelve Persons Drowned.

MARSHFIELD, Ore.—The steamer Arago, owned by the Oregon-Columbia Navigation Company, and plying between Coos Bay and San Francisco, was wrecked on the rocks of the jetty at Co's Head. She will be a total loss.

In an attempt to land a boatload of passengers and members of the crew the boat was capsized. Twelve persons were drowned, four passengers and eight of the crew.

The accident occurred during a heavy fog. The survivors were taken to Empire City on the tug Columbia. None of the bodies of the lost have been recovered.

The Arago was built by the U. S. Iron Works in 1885. Her gross tonnage is placed at 947 tons. She had long been in the coasting trade.
