THE DINGLEY BILL.

The coming short session of the Fifty-fourth Congress, which meets next Monday, is becoming each day of more interest, and its work a matter of speculation.

The important measure of prothe Government's expenses is of ably with heat. special interest, and the ways and means to provide this revenue will be watched by the country.

important features.

The Dingley bill passed the House meeting the expenses of the Government, its provisions being limited to August 1st, 1897.

The bill imposes a duty on raw wool equivalent to 60 per cent, of the duties of the McKinley act, and neimilar duty upon all manufactures of wool; also a duty of 60 per cent. on lumber and its manufactures. Its last section provides for a horizontal being left alone.

The Buddhist Sacred Tree.

Father Huc. when he could not understand what seemed to him to be marvelous, invariably set it down to the devil. There was a sacred tree near a lamasery which put out leaves impressed with a sacred character of the Tibetan language. Bayard Taylor, however, explained how it was done. In the bulletin of the American Geographical Society the exact character of this tree is de- pleasant and refreshing to the taste, act scribed-and how the letters are

The story of the sacred tree that grows in front of the temple in the libetan lamasery of Kumbum has

been severely shaken by recent inhis charming book, of this tree whose leaves were miraculously inscribed with figures of Buddha, sacred formulae or prayers. Later BERNE, N. C. Dec. 2, 1896 explorers, among whom were Potanine, Greenard and Szechenyl, saw the tree and attempted to explain the mysterious markings on its leaves and bark. Mr. Potanine thought some insect wrought the ONTHS, invariably in advance, \$1.00 tracings. Another explanation was TLY JOURNAL one year, in advance, \$1.00 the markings pertained naturally to Advertising Rates given on application at the tree, which was very remarkable indeed, inasmuch as whole sentences in the Tibetan language might be read on the leaves. The one thing certain was that the pricets sold the leaves at a very high price to the faithful. M. Edouard Blanc. serived will be charged for at the rate of ave the explorer, who has returned to France, saw the sacred tree while in Tibet, and as erts that the holy in scriptions are an evident artifice of human hands, an that the imposition has been handed down from one generation to another of the lamas of Kumbum, who number about 2000. Some of the leaves were submitted last summer to Mr. Thistleton-Dyer of Kew Gardens, London. He says that the tree is an ordinary syringa villosa, common in China, and that the markings are impressed viding a sufficient revenue to run on the leaves by molds, aided prob
