But why this never ceasing, end less pursuit of Populists, by D. mocratic newspapers ? If they have proven so treacherous to Democracy, being seceders from this faith, and then have failed to remain an individual party, but instead have sought a political alliance for office and spoils, what does it amount to, from a Democratic standpoint, if they sell themselves and their yotes to an opposite party candidate ?

It may be "policy" and "expediency" to seek political alliance with voters who are secretly detested, but
